Colour it in psychedelic colours, in tasteful tones, in all shades of orange! But just colour it! Recapture the purest sense of creativity by colouring in the most beautiful figurative designs – flowers, birds, butterflies – provided by a leading textile designer. By adding the key ingredient of colour you add your own spark of creativity to great designs. The design team, who work closely with Tate Modern in London, provide 24 postcards with six different designs to choose from. You can experiment with the colour combinations, using crayons, pencils, felt/fibre tip pens, and even paint on these uncoated postcards. A brief introduction gives some tips on using colours and suggests colour combinations to use on the specific designs, but you are encouraged to let your own creativity get to work! Great fun for all those looking for a burst of creative expression

and useful for designers of all types who want to experiment with colour. The cards can be kept together in the book or detached, framed or posted to a friend.

Montclair, New Jersey, like most American towns, has grown dramatically over the course of the last one hundred years. Much of the early 1900s landscape has been disguised, and the town has come to reflect the popular styles and fashions of changing eras. Streets have been paved, the facades of commercial buildings have been updated, and homes have been altered to reflect contemporary tastes and accommodate modern conveniences. This volume of approximately two hundred postcards from the author's collection, most never before published in book form, captures Montclair as it was in the early twentieth century. The reader will see familiar landmarks such as the Montclair Art Museum, the Marlboro Inn, and the Bellevue Theater as they originally appeared, and discover the vanished predecessors of the Japanese-style

mansion on Upper Mountain Avenue and the Rockcliffe Apartments off Crestmont Road.

The Real Photo Postcard Guide is an informative, comprehensive, and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century. Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo postcard from its history, origin, and cultural significance to practical matters like dating, purchasing, condition, and preservation. Illustrated with over 350 exceptional photo postcards taken from archives and private collections across the country, the scope of the Real Photo Postcard Guide spans technical considerations of production, characteristics of superior images, collecting categories, and methods of research for dating photo

postcards and investigating their photographers . In a broader sense, the authors show how "real photo postcards" document the social history of America. From family outings and workplace awards to lynchings and natural disasters, every image captures a moment of American cultural history from the society that generated them. Bogdan and Weseloh's book provides an admirable integration of informative text and compelling photographic illustrations. Collectors, archivists, photographers , photo historians, social scientists, and anyone interested in the visual documentatio n of America will find the Real Photo Postcard Guide indispensable.
