At the tender age of fifteen, groundbreaking lead singer Cherie Currie joined a group of talented girls—Joan Jett and Lita Ford on guitar, Jackie Fox on bass, and Sandy West on drums—who could rock like no one else. Arriving on the Los Angeles music scene in 1975, *The Runaways* catapulted from playing small clubs to selling out major stadiums—headlining shows with opening acts like the Ramones, Van Halen, Cheap Trick, and Blondie while riding a wave of hit songs and platinum albums, and touring the world. A shocking, funny, and touching re-creation of a bygone era of rock and roll that chronicles the Runaways' rise to fame and ultimate demise, *Neon Angel* is also an intensely personal account of Currie's struggles with drugs, sexual abuse, and violence in a decadent, high-pressure music scene—a world of uncontrolled excess where she and her unsupervised bandmates had to grow up fast and experience things that no teenage girls should.

"Riveting. . . a testament to a misconceived war, and to the ease with which ordinary men, under certain conditions, can transform into monsters."—New York Times Book Review
 This is the story of a small group of soldiers from the 101st Airborne Division's fabled 502nd Infantry Regiment—a unit known as "the Black Heart Brigade." Deployed in late 2005 to Iraq's so-called Triangle of Death, a veritable meat grinder just south of Baghdad, the Black Hearts found themselves in arguably the country's most dangerous location at its most dangerous time. Hit by near-daily mortars, gunfire, and roadside bomb attacks, suffering from a particularly heavy death toll, and enduring a chronic breakdown in leadership, members of one Black Heart platoon—1st Platoon, Bravo Company, 1st Battalion—descended, over their year-long tour of duty, into a tailspin of poor discipline, substance abuse, and brutality. Four 1st Platoon soldiers would perpetrate one of the most heinous war crimes U.S. forces have committed during the Iraq War—the rape of a fourteen-year-old Iraqi girl and the cold-blooded execution of her and her family. Three other 1st Platoon soldiers would be overrun at a remote outpost—one killed immediately and two taken from the scene, their mutilated corpses found days later booby-trapped with explosives. *Black Hearts* is an unflinching account of the epic, tragic deployment of 1st Platoon. Drawing on hundreds of hours of in-depth interviews with Black Heart soldiers and first-hand reporting from the Triangle of Death, *Black Hearts* is a timeless story about men in combat and the fragility of

character in the savage crucible of warfare. But it is also a timely warning of new dangers emerging in the way American soldiers are led on the battlefields of the twenty-first century.
