Beautifully penned and
cleanly photographed,
these brief,
handwritten words are
a fresh expression of
friendship. Each note,
whether it's on a post-
it or a scrap of paper,
is personal, creative,
and heartfelt...timeless
and endearing. This
sweet book is a
wonderful way for one
friend to say to
another, "I care about
you."

Midge and Moo are best friends. They came home from the hospital together when Midge was just two days old. They do everything together. When Mommy says, "Stop right there! You are tracking in mud all over the floor." Midge tells Moo, "Bad Moo! You got mud all over the floor!" Midge learns what it is like to have a partner in crime, a best friend, and someone who is there for you no matter what. Snuggle up with your little one and spend the day with Midge and Moo. Part of the Adventures of Midge and Moo series.

BEYOND BOOKS HUB

"17 years ago: A girl in South Dakota falls through the earth, then wakes up dozens of feet below ground on the palm of what seems to be a giant metal hand. Today: She is a top-level physicist leading a team of people to understand exactly what that hand is, where it came from, and what it portends for humanity. A swift and spellbinding tale told almost exclusively through transcriptions of interviews conducted by a mysterious and unnamed character, this is a unique debut that describes a hunt for truth, power, and giant body parts"--

What if the Universe were to send you frequent reminders of the absolute power you have over your life? Author Mike Dooley, an interpreter for the Universe, has done exactly that in Notes from the Universe—a collection of empowering, invaluable truths that can be read front to back or opened at random. This first book in the Notes from the Universe trilogy teaches its readers to live a life far richer

than they had previously thought imaginable. The Universe is here to remind us that we are in control. To have the life you desire, all you have to do is ask. The secret to manifesting change is not focusing on the how but instead, the end result of what you're after—the kind of life you want. Then, once you are truly focused, the Universe will conspire on your behalf. Author Mike Dooley has turned over every stone, knocked on every door, and followed every impulse. He has immersed himself in the truths he needed to hear most; these were the kind of lessons he wrote about in his weekly emails. What started in 1998 as a little poem sent

out once a week to 38 email addresses has evolved into an inspiring anecdote delivered to over 300,000 subscribers from 169 countries, each receiving a new note from the Universe five days a week. Mike Dooley serves as an interpreter for the Universe. Notes from the Universe begins a three-volume set that is brimful with powerful affirmations that will have you thinking positively, feeling confident, and walking the path to personal success. When readers discover the truths the Universe is unveiling in Notes from the Universe, they will begin living happier, more fulfilling lives.

Dogs know how to talk

to us - they do it all the time. A pair of raised ears or a wagging tail can speak volumes to those in the know. In this heartfelt ode to the furriest of family members, dog lovers get the chance to say something back, sharing personal letters penned to their beloved companions. With gorgeous accompanying photographs by Robin Layton, this collection of letters and portraits features a wide range of dogs and their owners, including everyday people with remarkable stories as well as celebrities like Hilary Duff, Tony Bennett, and Oprah Winfrey alongside their pooches. Throughout, these tales of perseverance, love, and loyalty celebrate the deep and devoted

friendships that humans share with their pups. The list of contributors includes dog owners with exceptional stories drawn from the Letter to My Dog blog as well as the following celebrity contributors: Oprah Winfrey Rosie O'Donnell Joss Stone Sarah, Duchess of York Isaac Mezrahari Jackie Evancho Jill Rappaport Ke\$ha Mario Lopez Kristin Chenoweth Rachael Scdoris Tyler Perry Amy Rosenthal Colbie Caillat Cynthia McFadden Carol Leifer Amy Smart Fran Drescher Robin Roberts Hilary Duff Tony Bennett Tatum O'Neal Michael Vartan Rumer Willis Kathy Najimy Cat Cora Nia Vardalos Maria Menounos Lisa Sugar Martha Beck Mariel Hemingway

Friends HarperCollins
A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required

reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Outsiders HarperCollins

In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an

eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve.

Twelve Ways to Win People to Your Way of Thinking

1. The only way to get the best of an argument is to avoid it.
2. Show respect for the other person's opinions. Never say "You're wrong."
3. If you're wrong, admit it quickly

4. and emphatically.
5. Begin in a friendly way.
6. Start with questions to which the other person will answer yes.
7. Let the other person do a great deal of the talking.
8. Let the other person feel the idea is his or hers.
9. Try honestly to see things from the other person's point of view.
10. Be sympathetic with the other person's ideas and desires.
11. Appeal to the nobler motives.
12. Dramatize your ideas.
13. Throw down a challenge.

Friends matter to us, and they matter more than we think. The single most surprising fact to emerge out of the medical literature over the last decade or so has been that the

number and quality of the friendships we have has a bigger influence on our happiness, health and even mortality risk than anything else except giving up smoking. Robin Dunbar is the world-renowned psychologist and author who famously discovered Dunbar's number: how our capacity for friendship is limited to around 150 people. In *Friends*, he looks at friendship in the round, at the way different types of friendship and family relationships intersect, or at the complex of psychological and behavioural mechanisms that underpin friendships and make them possible - and just how complicated the business of making and keeping friends

actually is. Mixing insights from scientific research with first person experiences and culture, *Friends* explores and integrates knowledge from disciplines ranging from psychology and anthropology to neuroscience and genetics in a single magical weave that allows us to peer into the incredible complexity of the social world in which we are all so deeply embedded. Working at the coalface of the subject at both research and personal levels, Robin Dunbar has written the definitive book on how and why we are friends.

Tiny Notes to My Best

Friend came from a
tradition that the
author's family

practiced for many
years, and that was to
write their notes to
each other in one
dedicated little

notebook, instead of on
pieces of paper or
cards that would get
thrown away. A tiny
notebook was left on

the kitchen counter

each day, for anyone
to write a note before
leaving for work,
school, or at any other
time during the day. In
an age of digital texts
and social media posts
that vanish and
become forgotten, this
is a much loved way to

capture these
treasured interactions
with family and friends
in a way that can be
read for generations to
come. You will love
passing your book of
Tiny Notes back and
forth between yourself
and your best friend!

Use this as a way to
communicate if
distance separates you
by mailing it to one
another, hand it off
between classes if you
are in school together,
or take it along as your
companion when you
travel together on that
trip of a lifetime! With

Tiny Notes to My Best Friend, the author brings a beloved family tradition to you and your best friend, so that you may keep each and every tiny note for years to come. Look for additional books in the Tiny Notes Series!

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

A Novel Little, Brown Books for Young Readers

It is a truth universally acknowledged that a good white person of liberal leanings must be in want of a Black friend. In the biting, hilarious vein of *What Doesn't Kill You Makes You Blacker* and *We Are Never Meeting in Real Life* comes Ben Philippe's candid memoir-in-essays, chronicling a lifetime of being the Black friend (see also: foreign kid, boyfriend, coworker, student, teacher, roommate, enemy) in predominantly white spaces. In an era in which "I have many black friends" is often a medal of Wokeness, Ben hilariously chronicles the experience of being on the receiving end of those fist bumps. He takes us through his immigrant childhood, from wanting nothing

more than friends to sit with at lunch, to his awkward teenage years, to college in the age of Obama, and adulthood in the Trump administration—two sides of the same American coin. Ben takes his role as your new black friend seriously, providing original and borrowed wisdom on stereotypes, slurs, the whole "swimming thing," how much Beyoncé is too much Beyoncé, Black Girl Magic, the rise of the Karens, affirmative action, the Black Lives Matter movement, and other conversations you might want to have with your new BBFF. Oscillating between the impulse to be "one of the good ones" and the occasional need to excuse himself to the

restrooms, stuff his mouth with toilet paper, and scream, Ben navigates his own Blackness as an "Oreo" with too many opinions for his father's liking, an encyclopedic knowledge of CW teen dramas, and a mouth he can't always control. From cheating his way out of swim tests to discovering stray family members in unlikely places, he finds the punchline in the serious while acknowledging the blunt truths of existing as a Black man in today's world. Extremely timely, Sure, I'll Be Your Black Friend is a conversational take on topics both light and heavy, universal and deeply personal, which reveals incisive truths about the need for connection in all of us.

Farrar, Straus and Giroux (BYR)
The critically acclaimed, award-winning, modern classic *Speak* is now a stunning graphic novel. "Speak up for yourself—we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless—an outcast—because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an

upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's *Speak: The Graphic Novel* comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

An adaptation of Dale Carnegie's timeless prescriptions for the digital age. Dale Carnegie's time-tested advice has carried millions upon millions of readers for more than seventy-five years up the ladder of success in their

business and personal lives. Now the first and best book of its kind has been rebooted to tame the complexities of modern times and will teach you how to communicate with diplomacy and tact, capitalize on a solid network, make people like you, project your message widely and clearly, be a more effective leader, increase your ability to get things done, and optimize the power of digital tools. Dale Carnegie's commonsense approach to communicating has endured for a century, touching millions and millions of readers. The only diploma that

hangs in Warren Buffett's office is his certificate from Dale Carnegie Training. Lee Iacocca credits Carnegie for giving him the courage to speak in public. Dilbert creator Scott Adams called Carnegie's teachings "life-changing." To demonstrate the lasting relevancy of his tools, Dale Carnegie & Associates, Inc., has reimaged his prescriptions and his advice for our difficult digital age. We may communicate today with different tools and with greater speed, but Carnegie's advice on how to communicate, lead, and work efficiently remains priceless across the ages.
