Even after they decided to part ways, success continued to court them-a testament not only to their impeccable talent and professional ethos, but also their enterprising showmanship and business acumen. Fizzing with energy and brimming over with enough trivia to delight a cinephile's heart,

 I am Lakshmi Prasad, native of Bihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree

and force others to call him/her Dr. X, Dr. Y ,etc. Wahala Penguin Books India

This is a movie tie-in edition and any reviews posted before October 10, 2019 are from the previous edition of the same title published in 2015. Aisha Chaudhary was born with SCID (severe combined immune deficiency) and underwent a bone-marrow transplant when she was six months old. She lived in New Delhi, where she was born. The year 2014 was brutal for Aisha as her disease progressed, and her lungs started giving up on her. The last few months of the year felt like a roller-coaster ride, one that seemed to be mostly going down. Spending almost all her time lying in bed, Aisha wrote down her thoughts to get some relief, to get them out of her head. Aisha's life was not anything like the average life of an urban teenager, but she had experienced a lifetime of emotions; life and death, fear and anger, love and hate, the depths of utter sorrow and the happiest one can be. In *My Little Epiphanies* she took a hard look at her own feelings and what it was that gave her a sense of hope and control.

This book gave her life purpose and meaning, something to hold on to. Sometimes, Aisha's little epiphanies had morphed into doodles that capture what was going on in her mind as her destiny played itself out. Through the book she wanted the world to understand her unusual life and she hoped that it will inspire others, going through similar hardships, to find peace.

 Irrepressible, honest, bold and charming, very few can claim to have lived life on their own terms as Ma Anand Sheela has. Yet controversy continues to follow her. Whether it is her portrayal in *Wild Wild Country* or the Osho International Foundation's take on the Netflix series, a wide spectrum of opinions has cloaked for too long the real Sheela Birnstiel. In the 1980s, she was the personal secretary of Bhagwan

Shree Rajneesh and managed the Rajneesh commune in Wasco County, Oregon, USA. She was eventually sentenced to prison, served her time and walked out in three years. Today, she runs homes for the disabled and the elderly in Switzerland. Almost three decades later, she is still in love with Bhagwan and his teachings. From rebuilding her life from scratch in Switzerland to an interview with Karan Johar on her grand return to India, she is adored and vilified by the world at the same time. In her memoirs, *By My Own Rules*, Ma Anand Sheela bares all-her life, her lessons, her beliefs, her inspiration and what makes her live life on her own terms.

 About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan, SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and

cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's chhutki bauwa (little darling) set out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet Minister. Quotes Anything But Khamosh: The Shatrughan Sinha Biography, is a rivetingly honest read that retraces the hurrahs and heartaches of India's most popular Bihari Babu. "Do not attempt to change him. Of the 1.25 crore people of India, he stands out as unique" - Amitabh Bachchan, superstar, Hindi cinema "They used to call me the Shatrughan Sinha of the South" - Rajinikanth, superstar, Tamil Nadu "I became an actor because of Shatrughan Sinha" - Chiranjeevi, superstar & Congress-I leader, Andhra Pradesh "Ours is an

Eklavya-Dronacharya story. He is my guru" - Ambareesh, superstar & Minister for Housing, Karnataka "A person who joined the Jan Sangh or the BJP when it was in the Opposition, had to be gutsy. Shatrughan is" - LK Advani, Senior Leader, BJP "I would give him sanyam ki salaah (advice on patience)" - Sushma Swaraj, Minister for External Affairs "I find there's no chaploosi (sycophancy) in him. Our doors are open 24/7 to him" - Lalu Prasad Yadav, Leader, RJD "If the Bihari Babu is hurt, the whole of Bihar is hurt" - Nitish Kumar, Chief Minister, Bihar "If we had Shatrusaab on our side, we wouldn't need anybody else on our team" - Nawaz Sharif, Prime Minister, Pakistan About the Author Renowned columnist, critic and author Bharathi S Pradhan has written both fiction and non-fiction. Mr Bidi - the life story of an industrialist; Heartfelt: The inspirational story of Medha Jalota; Colas, Cars & Communal Harmony on secularism and Valentine Lover, an adult novel, are some of her well-received books. She scripted a documentary on Mughal-e-Azam and ideated for

Balaji Telefilms. She has been Chairperson, National Awards (for best writing on cinema), and has been on the jury of diverse awards committees. She was also on the jury of the Indian Panorama of IFFI 2015. Bharathi has edited a variety of magazines and contributed to several publications that include Reader's Digest, Mid-day, Savvy, Femina and Movie. She continues to be a Sunday columnist with The Telegraph. She lives in Mumbai with Sanjaya, her Chartered Accountant husband and Siddhesh, her son who is currently studying Law. *The Sensualist* Unfinished Healed is the powerful, moving and deeply personal story of actor Manisha Koirala's battle against ovarian cancer. From her treatment in the US and the wonderful care provided by the oncologists there to how she rebuilt her life once she returned home, the book takes us on an emotional roller-coaster ride through her many fears and struggles and shows how she eventually came out triumphant. Today, as she completes six years of being cancer-free, she shares her story-one marked by apprehensions,

disappointments and uncertainties-and the lessons she learnt along the way. Through her journey, she unravels cancer for us and inspires us to not buckle under its fear, but emerge alive, kicking and victorious. *Be a Triangle* Bloomsbury Publishing
 NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early

years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams. *Mrs Funnybones* Notion Press
 This book charts out a new direction in scholarship on Indian cinema. It argues that with mainstream Hindi cinema becoming 'Bollywood' and the diaspora becoming a key commercial factor, the constituency addressed by the mainstream Hindi film has significantly changed. Consequently, the audience for Hindi cinema has become more asymmetric. With the emergence of a new

knowledge economy in the 1990s and Indian professionals traveling and settling abroad, a new 'Anglophone Indian Nation', the one with the greatest spending power, was born. Where mainstream Hindi cinema had been regarded as a pariah by the Indian state, the commercial success of Bollywood globally gave it immense respectability in the government. This work expresses the hope that understanding such an asymmetry will help us appreciate some of the alignments in India and the political forces which often masquerade as 'opinion'. Apart from bringing out the transformation of the mainstream Hindi film after it became 'Bollywood', the book provides fresh insights into political developments in India in the past decade outside cinema. **Don't Call It Bollywood** Penguin UK

A place of spectacle and ruin, Mumbai exemplifies the cosmopolitan metropolis. It is not just a big city but also a soaring vision of modern urban life. Millions from India and beyond, of different ethnicities, languages, and religions, have washed up on its shores, bringing with them their desires and ambitions. *Mumbai Fables* explores the mythic inner life of this legendary city as seen by its inhabitants, journalists, planners, writers, artists, filmmakers, and political activists. In this remarkable cultural history of one of the world's most important urban centers, Gyan Prakash unearths the stories behind its fabulous history, viewing Mumbai

through its turning points and kaleidoscopic ideas, comic book heroes, and famous scandals--the history behind Mumbai's stories of opportunity and oppression, of fabulous wealth and grinding poverty, of cosmopolitan desires and nativist energies. Starting from the catastrophic floods and terrorist attacks of recent years, Prakash reaches back to the sixteenth-century Portuguese conquest to reveal the stories behind Mumbai's historic journey. Examining Mumbai's role as a symbol of opportunity and reinvention, he looks at its nineteenth-century development under British rule and its twentieth-century emergence as a fabled city on the sea. Different layers of urban experience come to light as he recounts the narratives of the Nanavati murder trial and the rise and fall of the tabloid *Blitz*, and Mumbai's transformation from the red city of trade unions and communists into the saffron city of Hindu nationalist Shiv Sena. Starry-eyed planners and elite visionaries, cynical leaders and violent politicians of the street, land sharks and underworld dons jostle

with ordinary citizens and poor immigrants as the city copes with the dashed dreams of postcolonial urban life and lurches into the seductions of globalization. Shedding light on the city's past and present, *Mumbai Fables* offers an unparalleled look at this extraordinary metropolis.

The Politics of Hindi Cinema in the New Millennium Oxford

From Bombay to Bollywood analyzes the transformation of the national film industry in Bombay into a transnational and multi-media cultural enterprise, which has come to be known as Bollywood. Combining ethnographic, institutional, and textual analyses, Aswin Punathambekar explores how relations between state institutions, the Indian diaspora, circuits of capital, and new media technologies and industries have reconfigured the Bombay-based industry's geographic reach. Providing in-depth accounts of the workings of media companies and media professionals, Punathambekar has produced a timely analysis of how a media

industry in the postcolonial world has come to claim the global as its scale of operations. Based on extensive field research in India and the U.S., this book offers empirically-rich and theoretically-informed analyses of how the imaginations and practices of industry professionals give shape to the media worlds we inhabit and engage with. Moving beyond a focus on a single medium, Punathambekar develops a comparative and integrated approach that examines four different but interrelated media industries--film, television, marketing, and digital media. Offering a path-breaking account of media convergence in a non-Western context, Punathambekar's transnational approach to understanding the formation of Bollywood is an innovative intervention into current debates on media industries, production cultures, and cultural globalization.

Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are

legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

In Sach Kahun Toh, actor Neena Gupta chronicles her extraordinary personal and professional journey—from her childhood days in Delhi's Karol Bagh, through her time at the National School of Drama, to moving to Bombay in the 1980s and dealing with the struggles to find work. It details the big milestones in her life, her unconventional pregnancy and single parenthood, and a successful second innings in Bollywood. A candid, self-deprecating

portrait of the person behind the persona, it talks about her life's many choices, battling stereotypes, then and now, and how she may not be as unconventional as people think her to be.

"Contemporary female friendship goes glam in this lively debut novel with remarkable depth." -- Washington Post "Great fun and extremely smart." -- npr.org NAMED A MOST ANTICIPATED BOOK OF 2022 BY Vogue * Marie Claire * Glamour * Essence * Oprah Daily * Entertainment Weekly * Bustle * PopSugar * CrimeReads * and more!

An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group—the most unforgettable girls since Carrie, Miranda, Charlotte, and Samantha. Ronke wants happily ever after and 2.2. kids. She’s dating Kayode and wants him to be “the one” (perfect, like her dead father). Her friends think he’s just another in a long line of dodgy Nigerian boyfriends. Boo has everything Ronke wants—a kind husband, gorgeous child. But she’s frustrated, unfulfilled, plagued by guilt, and desperate to remember who she used to be. Simi is the golden one with the perfect lifestyle. No one knows she’s crippled by impostor syndrome and tempted to pack it all in each time her boss mentions her “urban vibe.” Her husband thinks they’re trying for a baby. She’s not. When the high-flying, charismatic Isobel explodes into the group, it seems at first she’s bringing out the best in each woman. (She gets Simi an interview in Shanghai! Goes jogging with Boo!) But the more Isobel intervenes, the more chaos she sows, and

Ronke, Simi, and Boo’s close friendship begins to crack. A sharp, modern take on friendship, ambition, culture, and betrayal, *Wahala* (trouble) is an unforgettable novel from a brilliant new voice. *Encyclopaedia of Hindi Cinema* NYU Press
 ‘We are like the Corleones in *The Godfather*’—Randhir Kapoor There is no film family quite like the Kapoors. A family of professional actors and directors, they span almost eighty years of film-making in India, from the 1920s to the present. Each decade in the history of Hindi films has had at least one Kapoor—if not more—playing a large part in defining it. Never before have four generations of this family—or five, if you include Bashesharnath Kapoor, Prithviraj Kapoor’s father, who played the judge in *Awara*—been brought together in one book. *The Kapoors* details the professional careers and personal lives of each generation—box-office successes and failures, the ideologies that informed their work, the larger-than-life Kapoor weddings and Holi celebrations, their extraordinary romantic liaisons and family

relationships, their love for food and their dark passages with alcohol. Based on extensive personal interviews conducted over seven years with family members and friends, Madhu Jain goes behind the façade of each member of the Kapoor clan to reveal what makes them tick. *The Kapoors* resembles the films that the great showman Raj Kapoor made: grand and sweeping, with moments of high drama and touching emotion. ‘Few books on Indian cinema have been written with such wit, clarity and sparkle’—*Outlook* ‘Jain writes in a language that is simple and pithy. . . it will keep alive public interest in the Kapoors who refuse to call it a day’—*Telegraph* ‘Immensely readable...will surely find a place in the Indian cineaste’s library’—*Biblio*

 Roma Downey--best known as the beloved angel on the TV show *Touched by an Angel*--has created a beautiful book filled with encouragement and hope, assuring us of God's comforting presence in our lives. Ever since she was a little girl, Roma has seen butterflies

as a reminder of God's presence. They have appeared to her in moments when she needed encouragement and reminded her she is not alone. Each grace-filled chapter of this beautiful full-color book covers topics such as courage, strength, gratitude, love, and kindness.
