This course translates the
theory of task-based
learning into a practical
and user-friendly
coursebook, recognizing
that the performance of
regular spoken and
written tasks is crucial to
successful language
acquisition. It combines

elements of the task-
based approach with a
strong emphasis on
vocabulary, alongside a
comprehensive grammar
and skills syllabus.

Upper Intermediate National Geographic Face2face is the flexible, easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. face2face is informed by Cambridge English Corpus and its vocabulary syllabus has been mapped to the English Vocabulary Profile, meaning students learn the language they really need at each CEFR level. The course improves students' listening skills by drawing their attention to the elements of spoken

English that are difficult to understand. The free DVD-ROM in the Student's Book includes consolidation activities and electronic portfolio for learners to track their progress with customisable tests and grammar and vocabulary reference sections.
