The Little, Brown Compact Handbook Pearson Higher Ed
 In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, *Goodnight Moon* is a must for every bookshelf and a time-honored gift for baby showers and other special events.

 A New York Times bestseller—over one million copies sold! A National Book Award winner A Boston Globe-Horn Book Award winner Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian

Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and black-and-white interior art throughout, this edition is perfect for fans and collectors alike.

 In this rare peek into the personal life of the author of numerous bestselling novels, gain an understanding of David Foster Wallace and how he became the man that he was. Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in *This is Water*. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out

of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in *The Wall Street Journal* and the *London Times*, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

Wander to "where the song of the ocean / Meets the salty piece of land" with Tully Mars, washed up from Margaritaville and in the mood for monkeyshines, in a shimmering Caribbean epic by the late king of tropical rock, Jimmy Buffett. It's not on any chart, but the tropical island of Cayo Loco is the perfect place to run away from all your problems. Waking from a ganja buzz on the beach in Tulum, Tully can't believe his eyes when a 142-foot schooner emerges out of the ocean mist. At its helm is Cleopatra Highbourne, the eccentric 101-year-old sea captain who will take him to a lighthouse on a salty piece of land that will change his life forever. From a lovely sunset sail in Punta Margarita to a wild spring-break foam party in San Pedro, Tully encounters an assortment of treasure hunters, rock stars, sailors, seaplane pilots, pirates, and even a ghost or two.

Visionary. Iconoclast. Political Survivor. "A powerful and entertaining look" (Governor Gavin Newsom) at the extraordinary life and political career of Governor Jerry Brown. Jerry Brown is no ordinary politician. Like his state, he is eclectic, brilliant, unpredictable and sometimes weird. And, as with so much that California invents and exports, Brown's life story reveals a great deal about this country. With the exclusive cooperation of Governor Brown himself, Jim Newton has written the definitive account of Jerry Brown's life. The son of Pat Brown, who served as governor of California through the 1960s, Jerry would extend and also radically alter the legacy of his father through his own service in the governor's mansion. As governor, first in the 1970s and then again, 28 years later in his remarkable return to power, Jerry Brown would propound an alternative menu of American values: the restoration of the California economy while balancing the state budget, leadership in the international campaign to combat climate change and the aggressive defense of California's immigrants, no matter by which route they arrived. It was a blend of compassion, far-sightedness and pragmatism that the nation would be wise to consider. The story of Jerry Brown's life is in many ways the story of California and how it became the largest economy in the United States. *Man of Tomorrow* traces the blueprint of Jerry Brown's off beat risk-taking: equal parts fiscal conservatism and social progressivism. Jim Newton also reveals another side of Jerry Brown, the once-promising presidential candidate whose defeat on the national stage did nothing to diminish the scale of his political, intellectual and spiritual ambitions. To the same degree that California represents the future of America, Jim Newton's account of Jerry Brown's life offers a new way of understanding how politics works today and how it could work in the future.

Brown Bag Lessons, *The Magic of Bullet Writing* centers on effective bullet writing and guarantees immediate improvement. Skillful writing doesn't have to be difficult. No other book approaches writing the way this book does, and no other book teaches these techniques. After reading this book, you will fully understand how to write strong bullets and "why" every word matters. In 2003 the author created a seminar to teach a fair and consistent process to evaluate recognition packages. This

seminar transformed an entire organization within six months. Since then, the techniques have decisively transformed the writing, recognition, and promotions of every organization applying them. The practices in this book continue to positively impact the Air Force and sister services through professional military education. In addition, the concepts have helped transitioning service members and college students better communicate acquired capabilities and competencies on their résumés. Read on to discover the "magic" and open your eyes to a brand new way to look at writing. The US Air Force promotion system emphasizes the importance of documenting your very best accomplishments. Under this system, promotion comes from the most recent performance reports, so Airmen must communicate the best accomplishments and not just words that fill the white space. This *Magic of Bullet Writing* will ensure you know how to articulate not just what you are doing but also convey your strongest competencies and capabilities so the promotion board can fully assess your readiness for promotion. Training materials that correspond to the lessons in this book are available for free download at <http://www.brownbaglessons.com>. Are you ready for the magic?

With her signature warmth, hilarity, and tendency to overshare, Leslie Gray Streeter gives us real talk about love, loss, grief, and healing in your own way that "will make you laugh and cry, sometimes on the same page" (James Patterson). Leslie Gray Streeter is not cut out for widowhood. She's not ready for hushed rooms and pitying looks. She is not ready to stand graveside, dabbing her eyes in a classy black hat. If she had her way she'd wear her favorite curve-hugging leopard print dress to Scott's funeral; he loved her in that dress! But, here she is, having lost her soulmate to a sudden heart attack, totally unsure of how to navigate her new widow lifestyle. ("New widow lifestyle." Sounds like something you'd find products for on daytime TV, like comfy track suits and compression socks. Wait, is a widow even allowed to make jokes?) Looking at widowhood through the prism of race, mixed marriage, and aging, Black Widow redefines the stages of grief, from coffin shopping to day-drinking, to being a grown-ass woman crying for your mommy, to breaking up and making up with God, to facing the fact that life goes on even after the death of the person you were supposed to live it with. While she stumbles toward an uncertain future as a single mother raising a baby with her own widowed mother (plot twist!), Leslie looks back on her love story with Scott, recounting their journey through racism, religious differences, and persistent confusion about what kugel is. Will she find the strength to finish the most important thing that she and Scott started? Tender, true, and endearingly hilarious, Black Widow is a story about the power of love, and how the only guide book for recovery is the one you write yourself.

Journalism From a New York Times investigative reporter, this "authoritative and devastating account of the impacts of social media" (New York Times Book Review) tracks the high-stakes inside story of how Big Tech's breakneck race to drive engagement—and profits—at all costs fractured the world. The Chaos Machine is "an essential book for our times" (Ezra Klein). We all have a vague sense that social media is bad for our minds, for our children, and for our democracies. But the truth is that its reach and impact run far deeper than we have understood. Building on years of international reporting, Max Fisher tells the gripping and galling inside story of how Facebook, Twitter, YouTube, and other social network preyed on psychological frailties to create the algorithms that drive everyday users to extreme opinions and, increasingly, extreme actions. As Fisher demonstrates, the companies' founding tenets, combined with a blinkered focus on maximizing engagement, have led to a destabilized world for everyone. Traversing the planet, Fisher tracks the ubiquity of hate speech and its spillover into violence, ills that first festered in far-off locales, to their dark culmination in America during the pandemic, the 2020 election, and the Capitol Insurrection. Through it all, the social-media giants refused to intervene in any meaningful way, claiming to champion free speech when in fact what they most prized were limitless profits. The result, as Fisher shows, is a cultural shift toward a world in which people are polarized not by beliefs based on facts, but by misinformation, outrage, and fear. His narrative is about more than the villains, however. Fisher also weaves together the stories of the heroic outsiders and Silicon Valley defectors who raised the alarm and revealed what was happening behind the closed doors of Big Tech. Both panoramic and intimate, The Chaos Machine is the definitive account of the meteoric rise and troubled legacy of the tech titans, as well as a rousing and hopeful call to arrest the havoc wreaked on our minds and our world before it's too late.

A story of survival set in 600 AD Ireland; a parable of patriarchy, destruction and religion at sea, by Emma Donoghue, the bestselling author of *Room*. 'Everything a novel should be: compassionate, unpredictable, and questioning. Haven is Donoghue at her strange, unsettling best.' - Maggie O'Farrell, author of *Hamnet* In seventh-century Ireland, a priest has a dream telling him to leave the sinful world behind. Taking two monks with him, he travels down the Shannon in search of an isolated spot on which to found a new place of worship. Drifting out into the Atlantic, the three men find an impossibly steep, bare island inhabited by tens of thousands of birds, and claim it for God. But in such a place, far from all other humanity, what will survival mean? 'Haven is a beautiful, bold blaze of a book' - Rachel Joyce, author of *The Unlikely Pilgrimage of Harold Fry* 'Beautiful and timely' - Sarah Moss, author of *Summerwater* 'Sinister, heart-wrenching and beautifully written' - The Times 'Combines pressure-cooker intensity and radical isolation, to stunning effect' - Margaret Atwood via Twitter 'Book of the Year' pick in The Irish Times, The Guardian, The Irish Post, RTÉ and The Times.
