 Come and join Anna on her whimsical adventure into discovering what the true meaning of Christmas really is. This story allows your children to use their imagination without diminishing the true meaning of why we celebrate one of the greatest days in human history—when Jesus was born. This story will take your child to the scenes of the Bible and show them why Jesus came to this earth and also how they themselves can invite Jesus to live in them.

 Amy Carmichael questions whether we allow our doubts and disappointments to hinder our faith, or do we really know Calvary's love? In a series of statements and common situations, a Christ-love of forgiveness and strength is meant to mend our hearts and encourage others, because of what He has already done.

 A beautiful introduction to the Stations of the Cross, this book that will help children understand what really happened on Calvary and just how much Jesus loves them. Gorgeous illustrations are accompanied by a simple but moving

narration of the events of Jesus' passion and death. Each station ends with a heartfelt prayer. Walking with Jesus to Calvary is a thoughtful gift for Lent, Easter, or any time of the year. Redemption for all of humanity has been made available to all through one Man—Jesus Christ. Salvation is a free and unmerited gift to man from the throne of grace. Nonetheless, the price of the cross was, indeed, costly. A true relationship with God—through—Jesus Christ involves more than following a “free-style” doctrine. Jesus said, “Most assuredly, I say to you, unless one is born again, he cannot see the Kingdom of God” (Jn. 3:3). The immediate goal of being born-again is to see the Kingdom of God. Yet, there is an issue of blindness among believers that must be resolved. It is not enough to be saved, join a church, or even to become a missionary, although these are noble things. Undeniably, there is a distinct journey for each individual in Christ, but one thing that applies to all Christians is the need for obedient adherence to the principles in the Scriptures. While some may practice a permissive theology, the true sons and daughters of God ought not to “cherry-pick” through the Scriptures to find what they are willing to apply in their own lives. Reject one part of the Word of God and you must reject it all—or else—embrace it all and live it! The institutional church, with its numerous denominations, has no soul to be transformed, but each believer does. Jesus died to save individual believers not denominational entities. God adopts common individuals and they become His unique sons and daughters. The Mystery and Miracle of New Birth is for believers who desire to know and practice sound biblical doctrine—because doctrine matters.

It is my hope and trust that, through this book, you will gain new insight into your position in Christ as it relates to conception, health, pregnancy, and giving birth, as well as in other areas of being free from the curse brought about when Adam fell. God has made you to be an overcomer in every area, including childbirth. You can be victorious in childbearing.

Healing is not something of the past;

healing is available for you today. Jesus suffered, bled, died, and rose from the dead so that you could walk in divine health and minister His healing virtue to those who are sick and afflicted. It is just as real and readily available today as the day Isaiah declared it, and then Peter echoed it: By His stripes you are healed. Healing is Gods childrens bread.

*Raising Praise for All Our Days: New Lyrics for Familiar and Beloved American Tunes* draws from the deep reservoir of classic and beloved tunes known to generations of Americans and pairs them with lyrics that proclaim the love of God and the joy that comes from living with that love. Carol Carlson, the lyricist, has tapped into the insights she has gained from homeschooling her children. Working with them has shown her how powerfully singing aids memory. That realization sparked her desire to help others learn about and live with the love of God. The presentation of each song in *Raising Praise for All Our Days* suggests the tune to which the new lyrics fit. So, for instance, *O, Give Me a Heart* pairs with the classic tune for *Home on the Range*. The verse lifts up a life that brings God glory: *O, give me a heart, yes, a big happy heart / That cares for Your children each day. / Make me happy to be Your hands and Your feet / So glory to You can be raised.* *Raising Praise for All Our Days: New Lyrics for Familiar and Beloved American Tunes* promises to breathe new life into old tunes while bringing those time-tested and beloved melodies to the joyous task of giving voice to praises that celebrate Gods love for His children.

This is such a time as this assignment laid upon my heart from God inspired by the Holy Spirit. It is written in Psalms 127:3, “Lo, children are a heritage of the Lord: the fruit of the womb is his reward.” Jesus said, “Let the little children come to me and do not forbid them; for such is the kingdom of heaven,” as it is written in Matthew 19:14. When the Holy Spirit gave me the commission to teach the children to preach the word of God, this scripture screamed to my soul. Let the children hear the truth and bear witness of the of the truth concerning the issues of life through of the living word of God. My son Jordan would bring other people’s children to me to pray for them and witness to them, to fix their issues through the word. The Holy Spirit spoke again to teach the children to preach the word of God. We are not always around our children when they are

at school, out playing with friends, or on the Internet, etc. As our children are led astray into drugs, perverseness, bullying, etc., it’s time for our children to lead each other into righteousness through the word of God. This is where my book, being the inspired by the Holy Spirit, comes in: *Jesus, It’s Me, Jordan. I Have a Problem; Jordan, I Have an Answer. Love to love. The Jesus People were an unlikely combination of evangelical Christianity and the hippie counterculture. God’s *Forever Family* is the first major examination of this phenomenon in over thirty years.

‘The Story Of Jesus’ is Ellen Gould White’s adaptation of her own work ‘Christ Our Saviour’ for a children’s audience. This beautiful narrative of Jesus’ life on earth was prepared by the author’s son while he was working with mostly illiterate slaves in the South of the United States. It is wonderful to read and tell, even for persons with a limited vocabulary.

Adapted from Journey of Decision, a Way of the Cross for adults, this children's Way engages children by having them actively participate. Fourteen readers represent characters from the passion of Jesus. Suggestions are given at the outset for props or symbolic costumes that achieve a two-fold purpose: they draw children into the story, thus helping them follow along. As in the original Journey on which this children's adaptation is based, the text combines the traditional with the innovative. It asks children to journey with Jesus not just during this Way of the Cross but during every day of their lives.
