Native Americans and Historical Consciousness in the Nineteenth Century e-artnow

We had to do it. We had to reprint this book. Rarely has a book had such an impact on so many of us here at Ignatius Press. It is one of the most powerful and moving books we have come across. If you can only buy one book this season, this must be the one. Here is the astonishing true story of the harrowing experiences of a young German seminarian drafted into Hitler's dreaded SS at the onset of World War II. Without betraying his Christian ideals, against all odds, and in the face of Evil, Gereon Goldmann was able to complete his priestly training, be ordained, and secretly minister to German Catholic soldiers and innocent civilian victims caught up in the horrors of war. How it all came to pass will astound you. Father Goldmann tells of his own incredible experiences of the trials of war, his many escapes from almost certain death, and the diabolical persecution that he and his fellow Catholic soldiers encountered on account of their faith. What emerges is an extraordinary witness to the workings of Divine Providence and the undying power of love, prayer, faith, and sacrifice. Illustrated

Book V of the Locket Saga: In The Shadow of the Mill Pond Yale University Press

In the midst of the Second World War, the Allies acknowledged Germany's ongoing programme of extermination. In the Shadow of the Holocaust examines the struggle to attain post-war justice and prosecution. Focusing on Poland's engagement with the United Nations War Crimes Commission, it analyses the different ways that the Polish Government in Exile (based in London from 1940) agitated for an Allied response to German atrocities. Michael Fleming shows that jurists associated with the Government in Exile made significant contributions to legal debates on war crimes and, along with others, paid attention to German crimes against Jews. By exploring the relationship between the UNWCC and the Polish War Crimes Office under the authority of the Polish Government in Exile and later, from the summer of 1945, the Polish Government in Warsaw, Fleming provides a new lens through which to examine the early stages of the Cold War.

The Fight for Sex Workers' Rights Univ of North Carolina Press

It was the most brutal murder in the history of Coffey County, Kansas. On May 30, 1925, Florence Knoblock, a farmer's wife and the mother of a young boy, was found slaughtered on her kitchen floor. Several innocent men were taken into custody before the victim's husband, John, was accused of the crime. He would endure two sensational trials before being acquitted. Eighty years later, local historian Diana Staresinic-Deane studied the investigation, which was doomed by destroyed evidence, inexperienced lawmen, disappearing witnesses, and a community more desperate for an arrest than justice. She would also discover a witness who may have seen the murderer that fateful morning.

Shadows and Lace Amber House Books

"I will follow you to hell. You will never control any treasure and your army is dead where they stand.

I promise you I will reach down from the heavens and take each of their lives". Imagine for a moment you are skiing downhill racing ahead of an avalanche, your chest is pounding, pulse racing. That is what you will experience reading this story as the momentum builds, and your heart beats faster and faster. You will be absorbed into the lives of the characters, becoming a part of the action even after the ending. There are struggles between honor and greed, right and wrong, battlefields are soaked crimson over them. It makes you think and question 'What if?' due to the possibilities and theories contained within. It is purely fictional though based on a trilogy of poems I wrote. While hiking in Europe, Christian finds a unique rock formation resembling a rose hidden in shadows. While camping in the shadows, Christian hears the voice of a ghost telling a magnificent tale of times long past. The voice of Sir Rowan Baldin of the Knights Templar, born out of the aftermath of the Templar purge in France 600 years prior. Rowan's lineage managed to escape the purge to what is now known as Switzerland. There they helped shape a country while protecting their Templar roots in absolute secrecy. Rowan uses dreams and leads Christian on a fast paced adventure throughout Europe. Christian stumbles onto a number of remarkable discoveries, and is knighted by the modern day Templars he uncovers on his quest. Christian finds who he was meant to be. The Templars, these once 'warrior monks' are brought out of the shadows, and their reputation redeemed as their real story is told. This book is not suitable for children due to graphic nature of violence and adult situations. This is my first novel.

The Shadow on the Blind and Other Stories Wordsworth Editions

How the law harms sex workers—and what they want instead Do you have to endorse prostitution in order to support sex worker rights? Should clients be criminalized, and can the police deliver justice? In *Revolt of Prostitutes*, sex workers Juno Mac and Molly Smith bring a fresh perspective to questions that have long been contentious. Speaking from a growing global sex worker rights movement, and situating their argument firmly within wider questions of migration, work, feminism, and resistance to white supremacy, they make it clear that anyone committed to working towards justice and freedom should be in support of the sex worker rights movement.

In the Shadow of Aldersgate Houghton Mifflin Harcourt

Joe Henderson offers a critique of the assumption that poetic form in the book of Jeremiah indicates authenticity. This assumption undergirds Bernhard Duhm's reconstructions (1901) of the prophet's biography and the book's composition, the basic components of the dominant paradigm for twentieth-century Jeremiah scholarship. Henderson argues that Duhm's model is best understood as an attempt to bring the book into conformity with nineteenth-century systems of aesthetics, historiography, and theology—and with the Grafian reconstruction of the history of Israel's religion. The accord between these systems and Duhm's assumption about poetic form has less to do with their common grasp of the historical reality of Hebrew prophecy than with their common roots in the Romantic theory of prophetic and poetic inspiration—a theory forged by Robert Lowth in his exposition (1752) of the poetry he found in the prophetic books. Henderson contends that continued adherence to Duhm's foundational assumption has held back recent attempts to “move beyond Duhm” and overcome the fragmentation of the book entailed by his model. Rhetorical critics, who

maintain that Jeremiah 2-10 is unified by the structural devices of the historical prophet, and redaction critics, who maintain that Jeremiah 11-20 is unified by the theological agenda of Deuteronomistic editors, both rely on the assumed authenticity of the poetry. Henderson observes that although these scholars have uncovered evidence of dramatic presentation in Jeremiah 2-20, they have failed to see that the dramatic nature of these chapters undermines their use for Duhm's historical-critical projects and reveals what actually unifies them—narrative progression.

A Critique of the Use of Poetic Form as a Criterion of Authenticity JHU Press

Val Bosanquet, a former New Orleans detective, is offered a job as Chief of a campus PD. A Haitian child killer he helped convict for the murder of her mother has just been enrolled at the university. Val stumbles across new evidence linking the ten-year old murder to a disgraced cop and one of America's most popular sportswear companies. Corporate corruption and Voodoo make for a volatile mix in the Deep South.

Using Arabic-language sources that have never before been studied or analyzed, Max Weiss paints a nuanced picture of sectarianism in Lebanon under the French Mandate. He demonstrates that sectarianism evolved long before the phenomenon known as “political Shi’ism.” This groundbreaking and deeply researched book is not merely narrative history; it also incorporates some of the latest critical theory about religious modernity and colonialism. Weiss illustrates the power of sectarianism as both a conceptual category and as a set of practices which can be a force for good and positive change as well as for division and destruction. By foregrounding historical forces that shape and direct sectarianism, he also shows how dimensions of sectarianism that no longer serve a society can be overcome with time.

Law, Shi’ism, and the Making of Modern Lebanon ABC-CLIO

Fifteen-year-old Lacey Mayford has been infatuated with Matthew since she was a little girl. Matthew, a half-breed Indian, doesn't see her as anything more than a little girl cousin. How can she convince him that she is growing into a beautiful young woman he should consider? In the frontier town near the turn of the century, Matthew Thorton is blamed for Luther Hannibal's murder after an altercation with Luther over stolen furs. Lacey defends Matthew with the help of a teacher, Felix Grackle. They look into other suspects who could have killed Luther Hannibal. Matthew's father Luke and his best friend Jacque Pierre are looking for the person responsible for stealing the furs. They believe the thief might have something to do with Luther Hannibal's murder. Will Lacey be able to clear Matthew's name? Will Luke and Jacque Pierre find the man who stole the furs? Will the vigilantes stop the Whiskey Rebellion without bloodshed? The truth is far more sinister than anyone could imagine.

A Feminist Manifesto from a Fierce Survivor Wipf and Stock Publishers

The True Story of a Swedish Detective Inspector Fighting Prostitution Detective inspector Simon Häggström is head of the Stockholm Police Prostitution Unit. Everyday, he meets those who inhabit the shadowy underbelly of Stockholm; the prostituted women, and men, who try to keep their business hidden and the punters who at all cost want to avoid being caught. Even though Sweden has a strict anti-prostitution law, business is thriving. *Shadow's Law* tells the true stories of the people Simon Häggström and his co-workers encounter every day; young girls facing dangers they

did not foresee, seven foreign women working and living together in a one bedroom apartment, Lovisa, born into a life of drugs and prostitution, and of course, the men who buy sex. These are their stories as they have never been told before.

Family Experiences of Terminal Care and Irreplaceable Loss Simon and Schuster

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE, USA TODAY, AND CHICAGO TRIBUNE • A masterly work of literary

journalism about a senseless murder, a relentless detective, and the great plague of homicide in America NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • The Boston Globe • The Economist • The Globe and Mail • BookPage • Kirkus Reviews On a warm spring evening in South Los Angeles, a young man is shot and killed on a sidewalk minutes away from his home, one of the thousands of black Americans murdered that year. His assailant runs down the street, jumps into an SUV, and vanishes, hoping to join the scores of killers in American cities who are never arrested for their crimes. But as soon as the case is assigned to Detective John Skaggs, the odds shift. Here is the kaleidoscopic story of the quintessential, but mostly ignored, American murder—a “ghettoside” killing, one young black man slaying another—and a brilliant and driven cadre of detectives whose creed is to pursue justice for forgotten victims at all costs. *Ghettoside* is a fast-paced narrative of a devastating crime, an intimate portrait of detectives and a community bonded in tragedy, and a surprising new lens into the great subject of why murder happens in our cities—and how the epidemic of killings might yet be stopped. Praise for *Ghettoside* “A serious and kaleidoscopic achievement . . . [Jill Leovy is] a crisp writer with a crisp mind and the ability to boil entire skies of information into hard journalistic rain.”—Dwight Garner, The New York Times “Masterful . . . gritty reporting that matches the police work behind it.”—Los Angeles Times “Moving and engrossing.”—San Francisco Chronicle “Penetrating and heartbreaking . . . *Ghettoside* points out how relatively little America has cared even as recently as the last decade about the value of young black men’s lives.”—USA Today “Functions both as a snappy police procedural and—more significantly—as a searing indictment of legal neglect . . . Leovy’s powerful testimony demands respectful attention.”—The Boston Globe

CIA agent Apo Yessayan and The Team take on an unholy alliance between Mexican drug cartels and ISIS. When deep cover CIA agent Apo Yessayan hears Spanish being spoken in northern Syria, he knows something evil is afoot. A new unholy alliance, between ISIS and a powerful Mexican drug cartel will bring grave danger to the porous American border. Apo and The Team are called in for a covert special operation in Mexico against the cartels. As Apo works his way into the underworld of the Mexican drug cartels for a face to face meeting with El Gato, The Team is inserted by submarine to assault El Gato’s estate-fortress. Although the United States and Mexico have planned the capture of El Gato together, not everyone has the same agenda—and knowing who to trust means the difference between life and death.

Paints a detailed landscape of the new reality confronting American businesses and citizens in an insightful analysis of how entrepreneurship is being undermined today by the growing power of

China's economy, as well as because of contemporary U.S. business practices and government regulation.

Shadows in the Water Bloomsbury Publishing

A renowned psychologist examines fairy tales through a Jungian lens, revealing what they can teach us about the darkest sides of human behavior. Fairy tales seem to be innocent stories, yet they contain profound lessons for those who would dive deep into their waters of meaning. In this book, Marie-Louise von Franz uncovers some of the important lessons concealed in tales from around the world, drawing on the wealth of her knowledge of folklore, her experience as a psychoanalyst and a collaborator with Jung, and her great personal wisdom. Among the many topics discussed in relation to the dark side of life and human psychology, both individual and collective, are: • How different aspects of the "shadow"—all the affects and attitudes that are unconscious to the ego personality—are personified in the giants and monsters, ghosts, and demons, evil kings, and wicked witches of fairy tales • How problems of the shadow manifest differently in men and women • What fairy tales say about the kinds of behavior and attitudes that invite evil • How Jung's technique of Active imagination can be used to overcome overwhelming negative emotions • How ghost stories and superstitions reflect the psychology of grieving • What fairy tales advise us about whether to struggle against evil or turn the other cheek Dr. von Franz concludes that every rule of behavior that we can learn from the unconscious through fairy tales and dreams is usually a paradox: sometimes there must be a physical struggle against evil and sometimes a contest of wits, sometimes a display of strength or magic and sometimes a retreat. Above all, she shows the importance of relying on the central, authentic core of our being—the innermost Self, which is beyond the struggle between the opposites of good and evil.

The Long Shadow of the Civil War SCB Distributors

In 1915 Governor James Ferguson began his term in Texas bolstered by a wave of voter enthusiasm and legislative cooperation so great that few Texans anticipated anything short of a successful administration. The inexperienced politician had overcome an underprivileged childhood through the sheer force of his intellect and hard work and had proven himself a capable leader . . . or so it seemed. He had beaten the odds imposed by his inexperience when he successfully launched a campaign based on two key elements: his appeal to the rural constituency and a temporary hiatus from the effects of the continuous Prohibition debate. In reality, Jim Ferguson had shrewdly sold a well-crafted image of himself to Texas voters, an image of pseudo-neutrality, astuteness, and prosperity that was almost entirely false. The new governor was "in over his head" from the moment he took office, carrying to that post a bevy of closely guarded secrets about his personal finances, his business acumen, his relationship with Texas brewers, and his volatile personality. Those secrets, once unraveled, gave clearance to an investigation of his affairs and ultimately led to charges brought against Governor Ferguson via impeachment. Refusing to acknowledge the judgment against him, Ferguson launched a crusade for regained power and vindication that encompassed more than two decades. In 1925 he reclaimed a level of political influence and doubled the Ferguson presence in Austin when he assisted his wife, Miriam, in a successful bid for the governorship. That bid had been based largely on a plea for exoneration, but it was soon obvious that the couple's attempts to clear the family name did not include running a scandal-free administration. Merging a love of local history with the advantages of being a Bell County native and a seasoned auditor, Carol O'Keefe Wilson has gathered and dissected financial statements, documents in evidence, trial testimony, newspaper accounts, and other source material to expose a life story based largely on deceit. In the Governor's Shadow unravels this complex tale, exposing the shocking depth of the Fergusons' misconduct. Often using the Fergusons' own words, Wilson weaves together the incontestable evidence that most of the claims that Jim Ferguson made during his life regarding his conduct, intentions, achievements, and abilities, were patently false. The existence and scope of that dishonesty was, without question, the very root of the controversy that will forever cloud the Ferguson legacy.

An Introduction to the Heritage and Faith of the Wesleyan Tradition Shambhala Publications

If a knight captures a lady, can she steal his heart? With one careless roll of the dice, Baron Lindsey Fordyce gambles away his beautiful daughter Rowena. Spirited away to an imposing castle, Rowena finds herself pressed into the service of a dark and forbidding knight accused of murder...and much more. Handsome, brooding Sir Gareth of Caerleon has spent years waiting for his chance for revenge. But when he seeks to use the fair Rowena to slay the ghosts of his past, he finds himself ensnared in a tender trap of his own making...a trap he can only escape by surrendering his heart. John Wesley (1703-91) was a unique character in history who left a disproportionately large imprint on the world. That imprint was a contagious passion for what he called real Christianity Ð the Good News of saving grace and scriptural holiness. This book examines Wesley's life and faith in order to better understand what it means to be a present-day participant in that legacy. The book begins with the story of Wesley's search for an authentic Christian experience. His steps are traced from his early days of struggle, through his conversion at Aldersgate, to his long years of remarkable ministry. The second part of the book outlines the basic Wesleyan understandings of sin, grace,

redemption, new birth, sanctification, and perfection. A concluding exploration of some practical implications of the Wesleyan doctrine of holiness is found in the third part. This book celebrates the Wesleyan tradition, especially that branch known as the Holiness Movement. It is, however, not entirely uncritical. It seeks to provide an honest and sympathetic consideration of the heritage and faith of Wesley's lasting imprint.
