**Books**

This is a review for Creativity: Unleashing the Forces Within, a great little book dictated by Osho, one of my very favorite spiritual teachers. I've watched many of his videos but this was my first of his books I've read. I will be reading many more over the next several years because each time I read something of his or listen to him, my life becomes richer. Creativity

Unleashing The Forces Within

From one of the greatest spiritual leaders of the twentieth century, Creativity: Unleashing the Forces Within will inspire you to nurture your inner ideas and innovations—and apply them in every aspect of your life. As Osho points out in this book's foreword, historically, the creative person has been all but forced to rebel against the society.

 And creativity is from the creator, creativity is not of you or from you. You disappear, then creativity is--when the creator takes possession of Good quotes: "The creative person is one who brings something from the unknown into the world of the known, who brings something from God into the world, who helps God to utter something-- who becomes a hollow bamboo and

allows God to flow through him.

**Creativity: Unleashing the Forces Within Osho Insights for ...**

In the book Creativity: Unleashing the Forces Within, Osho defines creativity and its role in modern world. He also shares obstacles to creativity and ways to be creative in day-to-day life apart from the discussion of few important questions related to creativity. He also delves into finding

the meaning of our life, which is the ultimate creativity. Creativity: Unleashing the Forces

Within by Osho. Making a switch from imitative and rule-bound behavior to creative innovation and flexibility

requires a profound change in our attitudes about ourselves and our capabilities.
