him
everything,

except his encyclopedic knowledge of fire. Now working as an insurance claims investigator, Jack is called in to examine a suspicious claim: within hours of a disastrous blaze tearing through a wing of real estate mogul Nicky Vale's house—causing the horrific death of his young wife—he filed a 3 million-dollar insurance claim. The tracks of the fire tell Jack that something's

wrong, and as he follows the evidence the case grows to involve the Russian mob, Vietnamese gangs, real estate scams, counterfeiting and corporate corruption. Things get so hot and deadly that Jack might not make it out alive . . . that is until he decides to fight fire with fire.

At long last, it has arrived with *The World of Ice & Fire*. This lavishly illustrated volume is a comprehensive history of the Seven Kingdoms, providing vividly constructed accounts of the epic battles, bitter rivalries, and

DANCE WITH

every
direction. In
the east,
Daenerys

House
Targaryen,
rules with her
three dragons
as queen of a
city built on
dust and
death. But
Daenerys has
thousands of
enemies, and
many have set
out to find

her. As they gather, one young man embarks upon his own quest for the queen, with an entirely different goal in mind. Fleeing from Westeros with a price on his head, Tyrion Lannister, too, is making his way to Daenerys. But his newest allies in this quest are not the rag-tag band they seem, and at their heart lies one who could undo Daenerys's claim to Westeros forever. Meanwhile, to

the north lies the mammoth Wall of ice and stone—a structure only as strong as those guarding it. There, Jon Snow, 998th Lord Commander of the Night's Watch, will face his greatest challenge. For he has powerful foes not only within the Watch but also beyond, in the land of the creatures of ice. From all corners, bitter conflicts reignite, intimate betrayals are perpetrated, and a grand

cast of outlaws and priests, soldiers and skinchangers, nobles and slaves, will face seemingly insurmountable obstacles. Some will fail, others will grow in the strength of darkness. But in a time of rising restlessness, the tides of destiny and politics will lead inevitably to the greatest dance of all. Praise for *A Dance with Dragons* "Filled with vividly rendered set

pieces, unexpected turnings, assorted cliffhangers and moments of appalling cruelty, A Dance with Dragons is epic fantasy as it should be written: passionate, compelling, convincingly detailed and thoroughly imagined.”—The Washington Post “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—The New York Times *Heartstone* Century of the Soldier From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that’s one order she’s more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da’Neer is known by many names

and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its

own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is

prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolveren are growing more unpredictable. And as her abilities to feel

pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.
