God governs the kingdom  
of heaven by His  
principles. He always

intended earth to be  
managed and governed  
by these same kingdom  
principles. So what is the  
kingdom of God? Why is it  
important to know about  
it? How does knowing  
about it affect ones  
quality of life? Author  
Willie A. Cranes Life

Changers: Seventeen  
Kingdom Principles Every  
Believer Should Know  
answers those questions  
and many more. Whether  
you are a new Christian,  
just beginning your  
journey in the faith, or a  
mature believer who  
shares an intimate

relationship with the Father, the Son, and the Holy Spirit, there's something for you in this book. Crane carefully explains the importance of and how to operate in the kingdom principles, including faith, agreement, and love. The information Crane shares will strengthen your walk and increase your productivity. *Life Changers: Seventeen Kingdom Principles Every Believer Should Know* will help you make the most of your potential as a Christian and a human

being. You will either live your life by the principles of the Word or by the practices of the world. *Life Changers* will help you make the right decision and become a more effective living testament to God's work on earth. *Kingdom Principles* Scribbr The kingdom war is rooted in complex hostilities and diverse maneuvers, and the Dragon is enacting a consistent offensive that is designed to wear out the children of God. But this book points out the fact that those who obey

the command of God and walk in the universal power of Christ will stand victorious whenever they battle against the enemy of our salvation. Therefore, mastering the winning principles of the kingdom war is a prerequisite for victory! **Kingdom Principles of Success, Wealth and Prosperity** Destiny Image Publishers # Do you know what it takes to be successful in business as well as in life itself? ##In this Biblical self-help success book, the author contends that

God has several principles, which if followed can lead to success either in business or in life itself. He further contends that although many of these same principles may be found among the motivational speakers and thinkers of today and yesterday, that they were originally derived from Holy Scripture, whether or not these spokespersons are aware of it. He points to Jesus' parables to show that not everyone who preaches or practices Kingdom principles will be

found to be in the Kingdom at the end. The 17 chapters of this book contain 17 articles relating to 17 of these principles. Knowing your purpose forgetting the past conquering fear believing focusing sowing and reaping resting and 10 others. (For a complete list of the principles included in this work, check the "Table of Contents.") Each chapter has a Quotable Quotes section with quotes from famous people past and present, including the Bible writers There are

also examples, positive and negative, of these principles in the lives of characters from the author's novel, *Of Such Is The Kingdom, A Novel of Biblical Times*. So this book and the novel make perfect companion volumes for each other. [The Keys to the Kingdom of Heaven](#)

The normal Christian life should be anything but "normal"—it should be supernatural, one in which the living God expresses His very life in us and through us. With So Much

More! Pastor Todd Hudson challenges all believers to embrace the supernatural power of God as a lifestyle. Todd is no stranger to his message. His own life has been supernaturally “wrecked,” he says, by the Holy Spirit. When God called him to resign from the 4,000-member evangelical megachurch he led for nine years and plant a Spirit-filled church, he began a new ministry of calling believers to live in resurrection power today, not someday in the future. If you know deep

inside that there must be so much more to the Christian life, then Todd will help you discover how to experience and release the kingdom in your life today—and tomorrow!

One Simple Principle: I will give you the keys to the kingdom of Heaven...The Journey: Returning to your foundation in GodThis book gives God's people the insight needed for them to get their power back through the principles of St. Matthew 16:19. God desires for those who have faith in Him to prosper and be victorious in every area of their life. Iris L. Jones was given the clarion call to "Write the vision and make it plain." Hence,

God's words "Whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven" has been analyzed in this spiritual piece, which will bless those who "Seek ye first the kingdom of God." This book will speak to those who practice the Law of Faith and will bless those who are spiritual, not only religious.

New Age Principles of the Kingdom of God is the title of this Book. This Book explores spiritual principles as opposed to the principles of this present age. In everyday life we are well familiar with the principles that operate here on the earth. We know that when a door is shut we must open it in order to pass through. We know that touching a hot stove will cause pain and a burn. Science is aware of the rules and boundaries of the laws of physics and chemists know the results

of mixing elements together to cause a certain result. Although there are many of the scientific laws of nature currently unknown to mankind, he continues to strive to find answers and to reconcile the scientific world of which we are aware using our five senses. What science does not understand, or is unwilling to admit, there is a realm beyond the certainties of this physical realm that is incapable of scientific proof. That realm is called "The Spiritual Realm." Most

deny its existence or if they mentally assent to the possibility that such a realm exists they know little about it and certainly don't apply it to their everyday lives or scientific pursuits. Some look on such things as foolishness as the Apostle Paul said: "But a natural [unspiritual] man does not accept the things of the Spirit of God, for they are foolishness to him; and he cannot understand them, because they are spiritually appraised" (1 Corinthians 2:14). However, as this book will

attempt to point out, the spirit realm is very much a real place, actually more real than our physical world. The spirit world has its own set of rules and principles that govern it. However its ways are past finding out by the natural mind of man and thus invisible to those without spiritual sight. The Apostle Paul said in the Bible: "because the human mind is hostile toward God; for it does not subject itself to the law of God, for it is not even able to do so" (Romans 8:7). Thus our

intellect is useless in knowing anything beyond what we can see or touch. Just taking the most basic of the spiritual laws, the 10 commandments for instance, who can argue that we all would be a little better off if everyone was able to follow these basic rules? There would be no crime, therefore no expensive jails to confine criminals. The family unit, which has been broken down in this generation, would stay intact as children would respect their parents; there would be no adultery to break

up the family and coveting would all together cease. There would be no serious disparity between the rich and the poor and the poor would be taken care of without great expenditure of funds to do so. There would be no greed, war, competition etc. just to name a few. This is the secret Jesus

Christ used as a human being and has instructed, empowered and mandated us to do the same to live a powerful and fulfilled life on earth. The love and mercy of God is hidden in God's instruction and it is our responsibility to obey God's instruction in love and faith. The secret exposed in this book is for the salvation, deliverance, restoration and emancipation of humanity and the world. Irrespective of your calling or assignment, location or denomination; you need

to use this secret to establish the power or kingdom of God on earth. The world is waiting for us to deploy this secret of the spirit.

Discover Secrets about the Kingdom of God! Over twenty years ago, I asked the Lord to show me the

“big picture.” I wanted to know what the kingdom of God was really all about. The denomination that I was raised in told me that there was nothing else to get once you were saved. But if there was more, I wanted to know what it was. Could I access it? The Lord began to reveal to me the kingdom of God and the principles that govern it. Over the years, little by little, He has led me into the discovery of these principles. Much of what is in this book is certainly taught in our churches today, but not

nearly to the depth that the Lord opened to me. God unfolded seven principles that govern the kingdom of God that every born-again follower of Jesus Christ needs to understand. I studied and meditated on these principles until they became "Rhema" revelation to me, and I began to walk in a higher discipline in the kingdom realm than ever before. Now my spirit is more receptive to the things of the kingdom. I may not know everything about the kingdom of God, but I

believe that even those who have been in ministry for many years will find revelation in this book that they didn't know before. Let's journey together to the Realms beyond the Gate!  
*Spiritual Laws and Principles of the Kingdom*  
 CreateSpace  
 About the Book The Kingdom of God is more than just a way of life, it's a culture that has the power to transform everything it touches. It's a culture of love, peace, mercy, and justice that's firmly rooted in the

teachings of Jesus Christ and the Sermon on the Mount. This culture is the antithesis of the self-centered world we live in, and it has the power to change individuals, families, communities, and even entire nations. When people embrace the principles of the Kingdom, they become catalysts for healing, hope, and love in a world that's often broken and hurting. Love is the cornerstone of this culture, and it's emphasized by Jesus when He commands us to love God and our

neighbors. Peace in the Kingdom of God is unlike anything the world can offer, as it's rooted in God's love and grace and goes beyond the absence of conflict. Mercy is another essential element of the Kingdom culture, and it's modeled after our Heavenly Father's mercy. It involves forgiveness and compassion towards those who have wronged us, something that can be difficult in a world that often values revenge over forgiveness. Justice is also central to this culture, and it encompasses fair

treatment for all, regardless of their race, religion, gender, or social status. The beauty and power of the Kingdom culture are undeniable. It has the potential to transform the world, but it all begins with personal transformation. We must live out the principles of the Kingdom in our own lives and share its message of hope and transformation with others. The journey towards global change can be a long and challenging one, but with the Kingdom of God as

our guide, we can be sure that every step we take is one in the right direction. About the Author Meet Dr. David K. Ewen, a man on a mission to make a positive difference in the world. As an ordained Minister, he has dedicated his life to empowering men, nurturing marriages, and engaging in outreach initiatives. With an extensive educational background and diverse experience, he has made a profound impact in these areas. Dr. Ewen's journey began with a transformative

educational experience, culminating in his certification from Harvard University after completing seminary studies. This rigorous training provided him with a strong theological foundation, equipping him with the knowledge and understanding to serve as a Minister. Driven by his passion for teaching and education, Dr. Ewen earned his Master of Education (M.Ed.) degree in 1988, and began sharing his expertise and insights with others. Recognizing the need for

comprehensive education, he pursued further studies in business administration, deepening his understanding of organizational management and leadership. This knowledge became instrumental in his entrepreneurial pursuits, leading to the establishment of Enterprise College, a prominent global educational institution that provides invaluable guidance and education to individuals across the globe. To further enrich

his knowledge and better serve his diverse community, Dr. Ewen embarked on a journey of scholarly pursuit, earning his Doctor of Education (Ed.D.) degree in global communications. This advanced degree not only expanded his academic horizons but also equipped him with a deeper understanding of effective communication strategies in a rapidly changing world. Throughout his career, Dr. David K. Ewen has harnessed his diverse educational background

and extensive experience to address critical aspects of human life. By focusing on men, marriages, and outreach, he has worked tirelessly to strengthen relationships, provide guidance, and offer transformative insights. His ministry extends beyond traditional boundaries, as he actively engages in outreach initiatives that seek to make a positive difference in the lives of individuals and communities.

The Lord is presently drawing a people from the world into His Church. We are living in a time when there will be revival beyond anything the Church has experienced.

Multitudes will be saved. Also, at the same time, the Lord is drawing a people from within the Church to Himself. Those who are being stirred by the Lord are discovering that resident within them is an increasing spiritual hunger along with dealings from the Lord that are beyond anything they had previously known in their spiritual experience. These are hearing a special "Word" from the Lord concerning the establishing of His Kingdom as a present reality. Many are

searching to find information that relates to this Kingdom Word that they are hearing but have been unable to find. This book is presented to these as a present guide in their Kingdom quest. This Kingdom is first to be established within each one who has become "poor in spirit" and has submitted himself to the Lordship of Jesus Christ. Then it is to work out through his life and affect others. The Sermon on the Mount presents the Law of this Kingdom. Much of the past teaching

on the "Sermon" comes short of the divinely inspired purpose of setting forth and establishing the principles that govern His Kingdom. Joseph Nieves, through many years of teaching this passage of scripture with Kingdom emphasis, has developed a rich presentation of the "Word of the Kingdom" that is contained within the Sermon on the Mount. He has come to experience a depth in understanding which is marvelously set forth within the pages of this book. The Kingdom of

God is herein presented as being available as a present attainment. Each searching, hungering spirit who has submitted himself under God's governmental hand will be enriched through the message contained within the pages of this book. *The Kingdom of Christ* Iris L Jones
