Goodreads Nell Zink has worked in the construction,

pharmaceutical, and software industries, and is now a translator

living in Germany. As a writer, Zink founded an indie rock fanzine

in the '90s, and published short pieces in a variety of outlets. She

is the author of the novels The Wallcreeper and Mislaid. The

Wallcreeper on Apple Books Nell Zink's prose is dead-pan, full of

humorous and striking metaphor, and packed with enough

references to keep the most erudite reader's head spinning. She

writes in the style of "good writing" almost as a joke in itself. I
