ERICK PARKER

Lord and Life-giver Trafford Publishing
 ABOUT THE BOOK: The Tommie Scott Story is a true story--a true love story--but not of the usual variety. This is a story of a gangbanger and drug dealer nicknamed "Hit man" who worked his way through the juvenile reform system and into a California state prison by age twenty. It's the story of an angry young criminal with no remorse and no hope. And it's here--in the depths of hopeless darkness--that this story begins again. It begins again with two humble, gray-haired men who were not ashamed to be servants and to share the power of God that brings salvation to everyone who believes. It begins again with a new birth--a spiritual rebirth into God's family through Jesus Christ. And it continues today with a repentant and joyful servant--a dedicated soldier for Christ--whose true story affirms God's Word that says, "...neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our

Lord" (Romans 8:38, NIV). "For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do" (Ephesians 2:10, NIV). **** ABOUT THE AUTHOR: Tommie Scott is a former gang member and now born-again believer in Jesus Christ. He is an author, advocate for at-risk youth, and is working towards his chaplaincy for the Las Vegas Community Gang Task Force. He is a dedicated witness and soldier for Christ. Tommie is a native of Southern California. He grew up in poverty and was introduced to drugs, alcohol, and gangs as a pre-teen. The juvenile justice system, and later the California Department of Corrections, became his home. By God's grace, Tommie was introduced to Jesus Christ through a faithful Christian prison ministry. Just like Paul's dramatic conversion on the road to Damascus, God changed Tommie's heart and life forever during a prison Bible study. Tommie is now living and doing good works in Christ in Las Vegas, Nevada, with his wife, Rache't, and their five children. Author Tommie Scott is available for interviews and book signings. If interested, please contact Innovo Publishing LLC.

 Crossway
 Anand and his sister Asha agree to exchange their collections of

marbles and candy, but Anand tries to keep some of his marbles and must then ask for forgiveness from both his sister and Jesus.

The Foundation Thomas Nelson

New and challenging readings of biblical characters This volume of collected essays introduces the concept of interfigurality, the interrelations and interdependence between characters in the Gospel of John and in the Synoptic Gospels and the Hebrew Bible. The essays are informed by a narrative-critical reader-response, (post)feminist hermeneutics and an autobiographical approach to biblical texts. This volume encourages transformative encounters between present-day readers and the ancient biblical texts. Features: Previously unpublished conference papers and published essays A new perspective on the relation between New Testament and Hebrew Bible Foreword by Fernando F. Segovia Ingrid Rosa Kitzberger is an independent scholar and the author of *Transformative Encounters: Jesus and Women Re-viewed* (1999) and the editor of *The Personal Voice in Biblical Interpretation* (1998) and *Autobiographical Biblical Criticism: Between Text and Self* (2002).

A Homicide Detective Investigates the Claims of the Gospels InterVarsity Press

With a strong emphasis on the scriptural basis for each doctrine—what the whole Bible teaches us today about a particular topic; clear writing, with technical terms kept to a minimum; and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Bible* is required reading for understanding the relevant passages of Scripture. Topics include Canon of Scripture: the list of all books that belong in the Bible; Authority of Scripture: all words in Scripture are God's words because that is what the Bible claims for itself; Clarity of Scripture: the Bible is written so that its teachings are able to be understood by all who read it; Necessity of Scripture: the Bible is necessary for knowledge of the gospel; and Sufficiency of Scripture: Scripture contains all the words of God he intended his people to have. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of the Bible* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Sense and Sensuality Langham Global Library

Man has a problem and God has an answer in Christ. How do we respond? Dr. Graham gives the answer in simple, direct, and dynamic language. But he does not stop with the moment of the new birth, for newborns have a lot of growing to do. Here also is essential guidance to take them further, for they can scarcely realize so soon the potential of the new power God can release from deep within them. *How to Be Born Again* is at once universal and personal, for the new Christian and for the Christian along the way – an irresistible primer for finding salvation, a guidebook for continuing growth.

Who Made God? SBL Press

Stephen J. Hamilton attempts to create a “portrait” of “born-again” Christianity by providing a general introduction to the doctrine of regeneration, including its development in modernity, as well as short exegeses of relevant scriptural texts, followed by a close reading of four theologians – Philipp Jakob Spener, Jonathan Edwards, Friedrich D.E. Schleiermacher, and Charles G. Finney – who all associate the doctrine of regeneration with an experience of presence in the individual believer. In light of these analyses, he then traces a general theological structure of the “born-again” understanding of regeneration, including a catalogue of theological issues over which there is significant disagreement, in order to create a topography of “born-again” theologies. In the final section, he applies these results to contemporary conversion narratives of non-theologians. It is in

such conversion narratives, the author argues, that theologians can discover an implicit, “lived” theology that reveals how doctrines are perceived and put into practice among Christians. Accordingly, this is to be understood as the result of the creative reciprocity between (often tacit) theological convictions and the experiences of the Christian life. The final chapter, as a coda to the entire work, offers some concluding reflections on the present cultural and political situation in the USA pertaining to “born-again” Christianity and argues against any oversimplifications of the relationship between “born-again” theologies, culture, and politics.

Birth to Rebirth Thomas Nelson

Why would a loving and powerful God allow so much pain and suffering? In *WHY SUFFERING?* Ravi Zacharias and Vince Vitale carefully walk you through a variety of responses that considered together provide a clear, comprehensive, and convincing answer. Responses like: Where there is the possibility of love, there has to be the reality of freedom, and therefore the possibility of pain. Wishing God had made a different world is to wish yourself out of existence. The cross is the key to a compelling and rational explanation for trusting in God in the face of suffering. In comparison with other world religions, the Christian response is highly distinctive. The reality of evil only makes sense in light of the reality of divine goodness. Relational knowledge about God takes the argument beyond reason to the presence of God amidst suffering. God's decision to allow temporal suffering is understandable when viewed from an eternal perspective. Divine goodness shows how to conquer not in spite of, but even through suffering. Here is a book written with great respect for the complexity of the issue, recognizing that some who read it will be in the trenches of deep suffering themselves and others questioning the very existence of a loving God. *WHY SUFFERING?* provides an answer to the problem of pain and suffering with emotional sensitivity and intellectual integrity.

How To Be Born Again Multnomah

Derived from a Buddhist funerary text, this famous volume's timeless wisdom includes instructions for attaining enlightenment, preparing for the process of dying, and moving through the various stages of rebirth.

Grand Central Question Harper Collins

Break free from the weariness and cynicism of life to enjoy God's amazing promise of childlike joy! It's time to reclaim that awesome sense of wonder--to experience God's amazing promise of childlike joy.

Understanding the Church: God's Alternative Society University of Virginia Press

This analysis of atheism, drawn from a wide range of philosophy and history, exposes its flaws while defending the purpose and meaning that Christ brings to one's life.

New Birth or Rebirth? Multnomah

This book was not written; it was built. I was not the architect, but a laborer under the direction of the Holy Spirit whose purpose is to honor the Lord Jesus Christ. It is not intended for casual reading, but to inspire further study of the Word. It is my hope and prayer that readers will be inspired to build upon the concept of the church as "God's alternative society." It is my hope that many sermons will grow out of what the Holy Spirit has given me to put in this book. It is my hope that it will lead to study of the Word, which reveals Jesus Christ who said, "I will build my church."

The Church of Christ Multnomah

All religions and worldviews seek to answer the fundamental questions of human existence. But the main worldviews each tend to stress a different issue. Abdu Murray, a lawyer and former Muslim, digs deeply into secular humanism, pantheism and

theism (specifically in the form of Islam), comparing each to the central message of Jesus.

Christianity's Struggle for New Beginnings Multnomah Books

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

And Answers to Over 100 Other Tough Questions of Faith
FaithWords

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

The Broken Promise Zondervan

Popular scholar Ravi Zacharias sets a captivating scene between Jesus Christ and Gautama Buddha in the first book of the *Conversations with Jesus* series. Have you ever wondered what Jesus would say to Mohammed? Or Buddha? Or Oscar Wilde? Maybe you have a friend who practices another religion or admires a more contemporary figure. Drop in on a conversation between Jesus and some well-known individuals whose search for the meaning of life took them in many directions--and influenced millions. Through dialogue between Christ and Gautama Buddha, Zacharias reveals Jesus' warm, impassioned concern for all people and explores God's true nature.

Authorized King James Version Baker Books

Ultimate truth. The destiny of souls. The individual heart. Can Krishna and Jesus agree on anything? This is what Subramaniam, a real-life Hindu of the twentieth century, wonders as he enters a fictitious conversation between two religious figures who have changed the lives of millions. As Jesus and Krishna respond to each other's view of life and the afterlife, they speak words straight from the texts of Christianity and Hinduism and straight into the soul. Subramaniam asks Jesus and Krishna hard questions about faith. Meanwhile, a fictional character, Richard, eavesdrops, asking himself the most important question of all: Does it really matter what I believe?

Reinventing Jesus Multnomah

The single most important event in a person's life is the new birth. Yet, this is also one of the most neglected doctrines in the church. Many Christians would be hard-pressed to describe exactly what the new birth is, let alone what it means to the rest of their walk with God. What happens when we are born again? Does everything in our lives change immediately? Is it just a kind of spiritual do-over, a chance to get it right this time? What

happens when we fail? Does it mean we weren't really born again to begin with? With a pastor's heart and a professor's insight, Steven Lawson carefully examines the encounter between Jesus and Nicodemus found in John 3 to uncover the nature of this spiritual rebirth. He shows you the necessity of the new birth, how God changes our hearts through it, and what follows after, from baptism and involvement in a local church to handling doubts and setbacks. This book is perfect for believers who want to understand what happened when they believed and for non-Christians who are curious about what a new life in Christ is all about.

Finding Meaning and Comfort When Life Doesn't Make Sense Courier Dover Publications

The New Church's Teaching Series has been one of the most recognizable and useful book series in The Episcopal Church. With the launch of the Church's Teachings for a Changing World series, visionary Episcopal thinkers and leaders have teamed up to revitalize the classic resource with fresh new voices and style, concise and clear enough for newcomers, yet grounded and thoughtful enough for seminarians and leaders. In this second volume, seminary dean and popular blogger Thomas Ferguson traces the history of Christianity, with a special focus on the rise of the Anglican Communion and the birth and continual rebirth of The Episcopal Church. Explore how we got here and where we might be going. • The next generation of the classic New Church's Teaching Series • Accessible and engaging for newcomers and adult learners; appropriate content for church leaders and seminarians • Interactive study questions and exercises and accompanied by online materials

Interfigural Readings of the Gospel of John Multnomah

Recent cultural interest in evangelicalism has led to considerable confusion about what the term actually means. Many young Christians are tempted to discard the label altogether. But evangelicalism is not merely a political movement in decline or a sociological phenomenon on the rise, as it has sometimes been portrayed. It is, in fact, a helpful theological profile that manifests itself in beliefs, ethics, and church life. DeYoung and other key twenty- and thirty-something evangelical Christian leaders present *Don't Call It a Comeback: The Same Evangelical Faith for a New Day* to assert the stability, relevance, and necessity of Christian orthodoxy today. This book introduces young, new, and under-disciplined Christians to the most essential and basic issues of faith in general and of evangelicalism in particular. Kevin DeYoung and contributors like Russell Moore, Darrin Patrick, Justin Taylor, Thabiti Anyabwile, and Tim Challies examine what evangelical Christianity is and does within the broad categories of history, theology, and practice. They demonstrate that evangelicalism is still biblically and historically rooted and remains the same framework for faith that we need today.

Making Sense of the Bible New Birth Or Rebirth? Jesus Talks With Krishna

When Jesus said to the Jewish leader Nicodemus, "You must be born again," Nicodemus asked in astonishment, "How can these things be?" Some two thousand years later, people are still confused about the term "born again," though more people than ever claim to have had the experience. In this booklet, Dr. R.C. Sproul cuts through the confusion and carefully explains what it means to be born again. Dr. Sproul affirms that the new birth is essential for salvation and goes on to show that this regeneration is a sovereign work of God in our hearts. The *Crucial Questions* booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.
