THE TOP TEN

BESTSELLER 'Unusually practical, non-patronising and authentic. Think Marie Kondo for the mind' Sunday Times
Wellness pioneers Nadia Narain and Katia Narain Phillips have spent decades helping

others to feel their best. But it took them a bit longer to learn to care for themselves. Here they share the small, achievable steps they picked up on a lifetime's journey towards self-care, and how you can apply them to your life, wherever you are. Right now, you may be deep in the waves of life, being tossed around. Learning self-care is like building your own life boat, plank by plank. Once you've got your boat, you'll still be rocked by the same waves, but you'll have a feeling of safety, and a stability that means you can pick other people up on your way.

A Case-based Approach CUP Archive

"Solveig Hisdal is not only aware of the knowledge housed in Norway's museums, she has also learned how to use it. She has visited museums throughout the country, searching eagerly for the treasures that her ancestors left behind. She has found textiles, chests, cabinets and old folk costumes that have later become her greatest source of inspiration. This book is a result of her quest, and it shows how the creativity of the past has inspired her to make beautiful knitted designs. It contains wonderful knitting ideas for almost all occasions, from a

child's christening outfit to an exquisite, knitted bridal cardigan with beads and silk. Whether you wish to be inspired by the beautiful pictures, or knit some of the outfits -- enjoy the book!"--P. [4] of cover.

[A Practical Design Guide to Fireplaces and Stoves Indoors and Out](#) John Wiley & Sons

Organisation Theory, 4e applies organisational theory in an Australian context. The material has been selected and interpreted to assist students in understanding organisations and their management. It is suitable for undergraduate and early stage postgraduate students.

"Major Jim Gant, a man seen by many of us as the 'perfect insurgent,'--an inspiring, gifted, courageous leader... -- GENERAL DAVID H. PETRAEUS (U.S. Army, Ret.)

THE PAPER THAT ROCKED OSAMA BIN LADEN

Team members during the May 2, 2011 U.S. military raid that killed Osama Bin Laden seized piles of Al Qaeda

intelligence. One piece of evidence found in Bin Laden's personal sleeping quarters was an English language copy of Jim Gant's *One Tribe at a Time*. It contained notes in the margins consistent with others identified as written by Osama Bin Laden. A directive from Osama Bin Laden to his intelligence chief was also discovered. It identified Jim Gant by name as an impediment to Al Qaeda's operational objectives for eastern Afghanistan. Bin Laden ordered that Gant be assassinated. "[One Tribe at a Time] was hugely important...at a time when I was looking for ideas on Afghanistan...[Gant] was the first to write it down, in a very coherent fashion, very readable, very encouraging frankly...and there is enormous power in that." -- General David H. Petraeus (U.S. Army, Ret.) quoted in *American Spartan: The Promise, The Mission, and The Betrayal of Special Forces Major Jim Gant* by Ann Scott Tyson

Washington Post reporter Ann Scott Tyson read "One Tribe at a Time," and - informed by her combat experience in Afghanistan and Iraq and her eight years as a reporter in China - she realized that Jim's paper made sense. She decided to

write a story about Jim entitled, "Jim Gant, the Green Beret who could win the war in Afghanistan." After the article appeared in January 2010, as Jim was in Washington, D.C., attending Pashto language training, he met Ann and the two fell in love. She followed his mission in Afghanistan and wrote *AMERICAN SPARTAN: The Promise, the Mission, and the Betrayal of Special Forces Major Jim Gant*.

What Is at Stake Now Holiday House
Growing from tiny tadpoles to massive master jumpers, frogs and their life cycles are fascinating. How far can frogs jump? Why do their eggs look slimy? Answer these questions and many more in this illustrated introduction to amphibians. With her signature bright, well-labeled diagrams and simple text, Gail Gibbons introduces the habitat and life cycles of frogs and gives an overview of common frog behaviors. Important biology vocabulary is introduced, defined, and reinforced with kid-friendly language and clear illustrations--plus a page of intriguing frog trivia and clear diagrams that show how frogs are different from toads. Bonus material is included about the unique role frogs play in the environment.

Twister Simon and Schuster

Twister's beloved father has gone missing and as she's searching for him she stumbles across a witch living in the woods. She is given a magical necklace that holds the souls of living things and can turn the wearer into a wolf, or a rushing river, or a rainstorm. But there's a dark foe on the hunt for this necklace, a baddie who wears a coat crawling with creatures and who might have something to do with her father's sudden disappearance...

Fundamentals of Human Resource Management with CD & Powerweb
Pantheon

Brings together more than 280 full-color photographs and the latest information on heating technologies in a comprehensive guide to designing a wide range of indoor and outdoor fireplaces for the home, covering a variety of styles and applications, and explains how to reface a woodburning fireplace, install a gas insert, decorate a mantel, and more. Original.

A Novel Taunton

Project Management introduces students in a unique and accessible way to projectbased working as a means to tackle

projects successfully. Not only in business circles, but also in the field of education, increasingly more activities are performed using a projectbased approach. Consider for example comprehensive study assignments, internal projects and projects during work placement and the final stages of a degree. The line of approach of this book is practiceoriented. Based on assignments, groups of two to three students work on a project plan and an executive summary. Students can also opt for a 'real' assignment for a company or for one of the cases of the accompanying website. Added to this fifth edition are examples and illustrations, new sections about various subjects and a chapter about the flexible project approach Scrum.

Two Lectures Scholastic UK

Thirty years after the end of the Cold War, world peace is at risk again. The President of the United States has withdrawn from the disarmament treaty with Russia, Europe is disintegrating, China is surging forward and a wave of nationalism and populism is destabilizing established political institutions and endangering hard-won liberties. In view of this dangerous

and unpredictable state of affairs, Mikhail Gorbachev, the last great statesman of the 1989 revolution, has written this short book to warn us of the grave risks we now face and to urge us all, political leaders and citizens alike, to take action to address them. He focusses on the big challenges of our time, such as the renewal of the arms race and the growing risks of nuclear war, the new tension between Russia and the West, the global environmental crisis, the rise of populism and the decline of democracy. He argues that self-serving policies and narrow-minded politics aimed at the pursuit of national interests are taking the place of political principles and overshadowing the vision of a free and just world for all peoples. He offers his view of where Russia is heading and he urges political leaders in the West to recognize that re-establishing trust between Russia and the West requires the courage of true leadership and a commitment to genuine dialogue and understanding on both sides. This succinct account of the immense challenges we now face by one of the world's greatest statesmen will be of interest to everyone concerned about the

current state of the world and its future.

Text and Cases Routledge

Revolution Girl is a collection of poems that will speak to any girl, woman or third culture child. The poems are bold and honest, what it means to be woman. This book explores serious issues very personal to the author, but it preaches hope and recovery. Because with every hardship comes ease.

Marketing: Real People, Real Choices

Random House
