Love Beyond Life Zondervan

As the sun rises on her snow-covered world, Little Cub wonders aloud... "What is heaven like?" With tender words, her Papa describes a wonderful place, free of sadness and tears, where

God warmly welcomes his loved ones after their life on earth is over. Little Cub and Papa spend the day wandering their beautiful, invigorating arctic world while she asks all about God's home: How do we get to heaven? Will we eat there? Will I get to see you in heaven? Papa patiently answers each question, assuring her that... "Heaven will be full of everything good." This gentle story provides satisfying answers for a young child's most difficult questions about what happens after this life, inviting "little cubs" to find comfort in knowing that God Gave Us Heaven. "Irresistible" - Literary Review Fig trees have affected humanity in profound but little-known ways: they are wish-fulfillers, rainforest

royalty, more precious than gold. *Ladders to Heaven* tells their incredible story. They fed our pre-human ancestors, influenced diverse cultures and played a key role in the birth of civilisation. More recently, they helped restore life after Krakatoa's catastrophic eruption and proved instrumental in Kenya's struggle for independence. Figs now sustain more species of bird and mammal than any other fruit - in a time of falling trees and rising temperatures, they offer hope. Theirs is a story about humanity's relationship with nature, as relevant to our past as it is to our future.

A True Account of Death, the Afterlife, and 31 Supernatural Discoveries Bantam

"What is heaven really like? A recently departed soul speaks from heaven about his experiences on the other side. The unseen author of this book tells us of life's true purpose and urges us to make the most of our sojourn on earth. He warns us that we are fast approaching a turning point, which could lead to an age of

enlightenment and peace or to a future none of us wants to see. If we act now, we can still turn things around...but we need help from heaven. "I have witnessed so many beautiful and amazing events on this side. However, I believe that my greatest opportunity is to urge you to see what you have, where the planet is headed without intervention and how you can make a difference.... I feel an urgency to help people recognize the signs of the times." This story of a soul's life after death will change the way you look at life—and death."

What was it like to be face to face with Jesus? What does Heaven look like? And what did Randy Kay learn from his afterlife encounter? As a human development researcher, medical advisor, and director of clinical support, Randy Kay was not given to fantastical ideas about the spirit realm or embellished divine encounters. But after clinically dying in the hospital, Randy Kay had a life-changing afterlife experience with Jesus in Heaven. In his first book, *Dying to Meet Jesus*, Randy shared this experience, but not the supernatural insights and profound discoveries he

received. Now, Randy senses a timely assignment from the Holy Spirit to answer the question so many readers have asked: what did you learn while you were in Heaven? In *Revelations from Heaven*, Randy leads you into a heavenly encounter of your own, revealing 31 revelations that God is unveiling to you. These insights include *Emboldened Prayer: A biblical perspective on encounters in Heaven and how they embolden our prayer lives*. *Conversations with Jesus: Insights that were exchanged while Randy communicated with Jesus in Heaven*. *Angelic and Demonic Activity: How there is a very real, invisible realm battling over the souls of humanity*. *Race and Ethnicity in Heaven: In eternity, how do people see one another and how does God see them?* *The Sights, Sounds, and Senses of Heaven: In Heaven, the five senses are enhanced and there are new senses that earthly language cannot explain*. *Heavens Perspective on Sadness and Grief: How tears are kept and collected in bottles*. *The Difference Between Paradise and Heaven: When a believer dies, where do they really go? Take hold of the amazing truths that Heaven has released through Randys incredible experience, and see for yourself the powerful life-change that can accompany Revelations from Heaven*.

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers.

One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

Imagine Heaven Simon and Schuster

If you had asked George Dalzell, a professional psychiatric social worker, a few years ago if he thought he'd be talking with the dead, he would have said, 'no way.' Yet, when his close friend Michael, an airline purser from Germany, was killed, things started happening that permanently shifted Dalzell's "perspective on reality." As a therapist, Dalzell had counseled people who claimed to hear voices. Now, Dalzell was hearing a voice himself, and it was that of Michael. The voice revealed information about Michael's private life and possessions. Other phenomena followed, including apparitions of Michael, house lights that blinked on and off, alarm clocks that got moved, and rose petals left in the pattern of an angel. "Michael appeared to have brought evidence that there was a dimension beyond our five senses, and that he could keep the channels open," writes the author. In all, Michael opened the channels to seven friends, family members, and colleagues. He provided incontrovertible signs that proved it was he who was communicating with them. Further confirmation of Michael's continued existence and the legitimacy of his after-death communications was provided by independent contact with professional psychics and mediums. In *Messages*, Dalzell adds empirical confirmation to a field that is gaining increasing popular and scientific respect. His encouraging conclusions may comfort grieving families and calm the natural inclination to fear death, with its perceived separation and loss.

Hello from Heaven Simon and Schuster

From the author of the acclaimed *Dinner with Persephone* comes a radically original novel about four women who invite us to imagine the divine anew: what if "a woman's point of view" were also God's? Patricia Storace's *Eve* begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job's daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

Evidence for Life after Death Baker Books

Containing testimonies from people from all walks of life,

including such celebrities as Paul McCartney and Robbie Williams, this is both a glimpse into a wider spiritual reality and a practical guide to communicating with the deceased. Describing the direct contact between the living and the deceased, this collection was undertaken without the intervention of an intermediary such as a psychic or medium. A product of years of painstaking work researching the phenomenon of after-death communication (ADC), this extraordinary work collects hundreds of deeply poignant, firsthand accounts from those who have been directly contacted by deceased loved ones. The reader is left to decide whether these are mere hallucinations or manifestations of something more significant. Response to Heathcote-James' new research has been genuinely startling, revealing that an amazing proportion of the population believe that they have had after-death experiences. The weight of evidence may well change the way readers consider the supernatural.
