MATHEWS DEVYN

Hateship, Friendship, Courtship, Loveship, Marriage John Wiley & Sons
This accessible and unusually wide-ranging book is essential reading for anyone interested in postcolonial and African American women's writing. It provides a valuable gender and culture inflected critical introduction to well established women writers: Toni Morrison, Alice Walker, Margaret Atwood, Suniti Namjoshi, Bessie Head, and others from the U.S.A., India, Africa, Britain, Australia, New Zealand and introduces emergent writers from South East Asia, Cyprus and Oceania. Engaging with and clarifying contested critical areas of feminism and the postcolonial; exploring historical background and cultural context, economic, political, and psychoanalytic influences on gendered experience, it provides a cohesive discussion of key issues such as cultural and gendered identity, motherhood, mothertongue, language, relationships, women's economic constraints and sexual politics.

The Lottery Rose Vintage

Riki Anne Wilchins has written the book that may take the discussion of gender over the top. Read My Lips: Sexual Subversion and the End of Gender, a frontal assault on both the status quo in academic studies and the full spectrum of single-issue identity politics, will change the way you think about bodies, sex, and gender. Yours and everyone else's. Combining the theoretical breakthroughs of Judith Butler's Gender Trouble and the performance revelations of Kate Bornstein's Gender Outlaw, Wilchins -- cofounder of the Transsexual Menace -- moves the dialogue to a new level. In a voice that is by turns outraged, outrageous, sad, and hilarious,

the author weaves theory and personal experience into a compelling story of self-discovery. She redefines what it means to be "gendered", both by the way she lives and the accessible theoretical narrative she constructs. Read My Lips, with its unique mix of theory and application, anecdote and affront, will appeal to feminists, queer academics, activists, transpeople, "the-queer-on-the-street", and the increasing audience of mainstream readers hungry for writing that pushes the absolute edge of the gender envelope. OUT Magazine says that the author "has surfaced as the Superhero of this burgeoning (transgender) movement". Wilchins, herself, signs off on her email as follows: "Just your average straight white guy with a cunt who really digs lezzie chicks like me". Rarely have smarts andchutzpah produced such good effect. I Know Why the Caged Bird Sings Getty Publications

The Ramsays spend their summers on the Isle of Skye, where they happily entertain friends and family and make idle plans to visit the nearby lighthouse. Over the course of the book, the lighthouse becomes a silent witness to the ebbs and flows, the births and deaths, that punctuate the individual lives of the Ramsays.

Luxury Arts of the Renaissance

University of Chicago Press

The Pulitzer Prize- and National Book Award-winning novel is now a new, boldly reimagined film from producers Oprah Winfrey and Steven Spielberg, starring Taraji P. Henson, Danielle Brooks, and Fantasia Barrino. A PBS Great American Read Top 100 Pick Celie has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar

fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning 20 years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sofia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. The *Color Purple* has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-winning Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (*The Nation*), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the 25th anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. The *Color Purple* is the 1st book in the *Color Purple* Collection, which also includes *The Temple of My Familiar* and *Possessing the Secret of Joy*.

Hard Times Require Furious Dancing

Indiana Historical Society

#1 NEW YORK TIMES BESTSELLER • "The *Uninhabitable Earth* hits you like a

comet, with an overflow of insanely lyrical prose about our pending Armageddon."—Andrew Solomon, author of *The Noonday Demon* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The New Yorker* • *The New York Times Book Review* • *Time* • *NPR* • *The Economist* • *The Paris Review* • *Toronto Star* • *GQ* • *The Times Literary Supplement* • *The New York Public Library* • *Kirkus Reviews* It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An "epoch-defining book" (*The Guardian*) and "this generation's *Silent Spring*" (*The Washington Post*), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. *The Uninhabitable Earth* is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today's. **LONGLISTED FOR THE PEN/E.O. WILSON LITERARY SCIENCE WRITING AWARD** "The *Uninhabitable Earth* is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet."—Farhad Manjoo, *The New York Times* "Riveting. . . . Some readers will

find Mr. Wallace-Wells's outline of possible futures alarmist. He is indeed alarmed. You should be, too."—The Economist "Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the 'eerily banal language of climatology' in favor of lush, rolling prose."—Jennifer Szalai, The New York Times "The book has potential to be this generation's Silent Spring."—The Washington Post "The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book."—Alan Weisman, The New York Review of Books

Mules and Men Union Square Press
 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author "Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime."—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's

Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

Steps to an Ecology of Mind Little, Brown Books for Young Readers
 Black Elk Speaks, the story of the Oglala Lakota visionary and healer Nicholas Black Elk (1863–1950) and his people during momentous twilight years of the nineteenth century, offers readers much more than a precious glimpse of a vanished time. Black Elk's searing visions of the unity of humanity and Earth, conveyed by John G. Neihardt, have made this book a classic that crosses multiple genres. Whether appreciated as the poignant tale of a Lakota life, as a history of a Native nation, or as an enduring spiritual testament, *Black Elk Speaks* is unforgettable. Black Elk met the distinguished poet, writer, and critic John G. Neihardt in 1930 on the Pine Ridge Reservation in South Dakota and asked Neihardt to share his story with the world. Neihardt understood and conveyed Black Elk's experiences in this powerful and inspirational message for

all humankind. This complete edition features a new introduction by historian Philip J. Deloria and annotations of Black Elk's story by renowned Lakota scholar Raymond J. DeMallie. Three essays by John G. Neihardt provide background on this landmark work along with pieces by Vine Deloria Jr., Raymond J. DeMallie, Alexis Petri, and Lori Utecht. Maps, original illustrations by Standing Bear, and a set of appendixes rounds out the edition.

The Help Columbia University Press
 "A classic novel of both feminism and the Civil Rights movement" in 1960s Atlanta by the Pulitzer Prize-winning author of *The Color Purple* (Ms.). As she approaches the end of her teen years, Meridian Hill has already married, divorced, and given birth to a son. She's looking for a second chance, and at a small college outside Atlanta, Georgia, in the early 1960s, Meridian discovers the civil rights movement. So fully does the cause guide her life that she's willing to sacrifice virtually anything to help transform the conditions of a people whose subjugation she shares. Meridian draws from Walker's own experiences working alongside some of the heroes of the civil rights movement, and the novel stands as a shrewd and affecting document of the dissolution of the Jim Crow South. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

Everything I Never Told You Rutgers University Press

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples

from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

In Search of Our Mothers' Gardens

Yearling

Short fiction about the female experience from the New York Times–bestselling author of *The Color Purple*, "one of the best American writers of today" (*The Washington Post*). Here are stories of women traveling with the weight of broken dreams, with kids in tow, with doubt and regret, with memories of lost loves, with lovers who have their own hard pasts and hard edges. Some from the South, some from the North, some rich and some poor, the characters that inhabit *InLove & Trouble* all seek a measure of self-fulfillment, even as they struggle with difficult circumstances and limiting social conventions. The stories that make up Alice Walker's debut short fiction collection reflect her tenacious commitment to face brutal and sometimes melancholy truths while also illuminating the ways in which the courageous pursuit of love brings hope to even the most harrowing lives. This

ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

The Land of Stories: The Wishing Spell
Simon and Schuster

The Pulitzer Prize-winning author of *The Color Purple* weaves a "glorious and iridescent" tapestry of interrelated lives in this New York Times bestseller (Library Journal). Includes a new letter written by the author. In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Temple of My Familiar* is the 2nd book in the *Color Purple* Collection, which also includes *The Color Purple* and *Possessing the Secret of Joy*.

This is a guide to the main developments in the history of British and Irish literature, charting some of the main features of literary language development and highlighting key language topics.

Prominent Families of New York
Psychology Press

Comprehensive student-friendly

resources designed for teaching Cambridge International AS and A Level English Language (syllabus 9093). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language. They will build the skills needed for assessment through frequent activities. Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these conventions in their own work.

The Uninhabitable Earth Penguin

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as

people read. “I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

Dark Ecology Cambridge University Press
A young victim of child abuse gradually overcomes his fears and suspicions when placed in a home with other boys.

The Routledge History of Literature in English New World Library
Zora Neale Hurston brings us Black America’s folklore as only she can, putting the oral history on the written page with grace and understanding. This new edition of *Mules and Men* features a new cover and a P.S. section which includes insights, interviews, and more. For the student of cultural history, *Mules and Men* is a treasury of Black America’s folklore as collected by Zora Neale Hurston, the storyteller and anthropologist who grew up hearing the songs and sermons, sayings and tall tales that have formed and oral history of the South since the time of slavery. Set intimately within the social context of Black life, the stories, “big old lies,” songs, voodoo customs, and superstitions recorded in these pages capture the imagination and bring back to life the humor and wisdom that is the unique heritage of Black Americans.

To Hell with Dying Hachette UK
THE PERCEPTION, UNDERSTANDING, AND USES OF COLOR—EXPANDED AND REFRESHED
Understanding Color is an essential resource for those needing to become proficient in color for business applications. From theory and practical implementation to the business and marketing aspects, Understanding Color helps you gain a deep and discriminating awareness of color.

The World Has Changed Bloomsbury Publishing

A New York Times Book Review Notable Book of the Year • A New York Times Book Review Editors' Choice • Winner of the Alex Award and the Massachusetts Book Award • Named a Best Book of the Year by NPR, San Francisco Chronicle, Entertainment Weekly, The Huffington Post, BuzzFeed, Grantland Booklist, St. Louis Post-Dispatch, Shelf Awareness, Book Riot, School Library Journal, Bustle, and Time Our New York The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-

town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

The Annotated Alice Random House
 "I was born to grow, / alongside my garden of plants, / poems / like / this one" So writes Alice Walker in this new book of poems, poems composed over the course of one year in response to joy and sorrow both personal and global: the death of loved ones, war, the deliciousness of love, environmental devastation, the sorrow of rejection, greed, poverty, and the sweetness of home. The poems embrace our connections while celebrating the joy of individuality, the power we each share to express our truest, deepest selves. Beloved for her ability to speak her own truth in ways that speak for and about countless others, she demonstrates that we are stronger than our circumstances. As she confronts personal and collective challenges, her words dance, sing, and heal.

How It Feels to be Colored Me Harper

Collins

Today we associate the Renaissance with painting, sculpture, and architecture—the “major” arts. Yet contemporaries often held the “minor” arts—gem-studded goldwork, richly embellished armor, splendid tapestries and embroideries, music, and ephemeral multi-media spectacles—in much higher esteem. Isabella d’Este, Marchesa of Mantua, was typical of the Italian nobility: she bequeathed to her children precious stone vases mounted in gold, engraved gems, ivories, and antique bronzes and marbles; her favorite ladies-in-waiting, by contrast, received mere paintings. Renaissance patrons and observers extolled finely wrought luxury artifacts for their exquisite craftsmanship and the symbolic capital of their components; paintings and sculptures in modest materials, although discussed by some literati, were of lesser consequence. This book endeavors to return to the mainstream material long marginalized as a result of historical and ideological biases of the intervening centuries. The author analyzes how luxury arts went from being lofty markers of ascendancy and discernment in the Renaissance to being dismissed as “decorative” or “minor” arts—extravagant trinkets of the rich unworthy of the status of Art. Then, by re-examining the objects themselves and their uses in their day, she shows how sumptuous creations constructed the world and taste of Renaissance women and men.
