### **Asi se dice! Level 2, Student Edition**

Penguin  
UK

McGraw-Hill World Languages is pleased to include Repaso (which was originally published by the National Textbook Company) among our titles for the Intermediate Spanish course. This single volume textbook, now in its second edition, provides a comprehensive grammar review. Ideal as a stand-alone text for intermediate grammar review courses or used in conjunction with a separate literary or cultural reader, Repaso reviews and refines students' knowledge of Spanish grammar; it is also suitable as a grammar reference for students at all levels.

### **Easy Spanish Step-By-Step**

Houghton Mifflin  
Harcourt  
A proven grammar-based approach that gets you

communicating in Spanish with confidence, right away Easy Spanish Step by Step proves that a solid grounding in grammar basics is the key to mastering a second language. Grammatical rules and concepts are clearly explained in order of importance, and more than 300 verbs and key terms are introduced on the basis of frequency. Numerous exercises and engaging readings help learners quickly build their Spanish speaking and comprehension prowess.

*Cambridge Grammar for CAE and Proficiency with Answers and Audio CDs (2)* McGraw Hill Professional  
EXPLORACIONES transforms students into culturally competent Spanish speakers by providing learning strategies, systematic self-assessments, integration of the National Standards, and a focus on the practical purposes of language study. Created through a "student-tested, faculty-approved" review process with

thousands of students and hundreds of faculty, this text is an engaging and accessible solution.

*Hawai'i* McGraw-Hill Education Student edition *Repaso* McGraw-Hill Education

This updated edition of the combination textbook and workbook is designed as an introduction to Spanish for classroom use. The emphasis is on oral proficiency-- conversational speaking and listening comprehension--but the authors also present detailed instruction in the fundamentals of Spanish grammar, vocabulary, reading comprehension, and writing in Spanish. The book is filled with exercises and answers, true-to-life dialogues, illustrations of Hispanic art, and photos that capture the flavor of Spanish culture in Spain and Latin America. In this new edition, the vocabulary sections and readings have been updated to include the latest technology, while the cultural sections now include information about the Hispanic individuals currently making a splash on the world scene.

It can be done! You can successfully learn a new language if three conditions are met: 1. You

live where the new language is spoken. 2. You are motivated to learn the new language. 3. You know how to proceed with language learning, step-by-step and day-by-day. This manual assumes that the first and second conditions are met. It is a simple guide planned to help you, the learner, proceed without boredom or frustration, through manageable steps, so that you can become proficient in your new language. The objective of this manual is to help guide you in your daily activities of language learning. - Preface.

Teaching Resources A Spanish Grammar Workbook contains 500 grammar exercises that vary in difficulty from simple tests and puzzles to multiple choice tests and realistic dialogues as well as communication exercises which function as prompts to the oral practice of the grammar in representative contexts. Includes 500 grammar exercises varying from simple tests and puzzles to multiple choice tests and realistic dialogues which contextualize Spanish grammar in everyday speech. Indicates

difficulty level of each exercise and includes an extensive answer key. Complements and is cross-referenced with Blackwell's A Comprehensive Spanish Grammar by Jacques de Bruyne (with additional material by Christopher J. Pountain). Helps language learners understand grammatical functions naturally by putting theory into practice. *Scholastic Success with Writing* McGraw-Hill Education

Changes in society and the workplace require a careful analysis of the algebra curriculum that we teach. The curriculum, teaching, and learning of yesterday do not meet the needs of today's students.

**The Giver** John Wiley & Sons (abridged and revised)

This reference grammar offers intermediate and advanced students a reasonably comprehensive guide to the morphology and syntax of educated speech and plain prose in Spain and Latin America at the end of the twentieth century. Spanish is the main, usually the sole official language of twenty-one countries, and it is set fair to overtake English by the year 2000 in numbers 2 of native speakers. This vast geographical and political diversity ensures that Spanish is a good deal less unified than French, German or even English, the latter more or less internationally standardized according to either American or British norms. Until the 1960s, the criteria of internationally correct Spanish were dictated by the Real Academia Espanola, but the prestige of this institution has now sunk so low that its most solemn decrees are hardly taken seriously - witness the fate of the spelling

reforms listed in the Nuevas normas de prosodia y ortografía, which were supposed to come into force in all Spanish-speaking countries in 1959 and, nearly forty years later, are still selectively ignored by publishers and literate persons everywhere. The fact is that in Spanish 'correctness' is nowadays decided, as it is in all living languages, by the consensus of native speakers; but consensus about linguistic usage is obviously difficult to achieve between more than twenty independent, widely scattered and sometimes mutually hostile countries. Peninsular Spanish is itself in flux.

Grammar in Practice  
Cambridge University Press

This highly popular workbook is sweeping America's classrooms! It uses the same vocabulary students have learned in their basal texts to review and thoroughly practice essential grammar taught in intermediate through advanced courses.

**¡Qué chévere!**  
**Grammar and Vocabulary** McGraw-Hill Education

Cambridge Grammar for CAE and Proficiency provides complete coverage of the grammar needed for both CAE and Proficiency with plenty of exam practice at the same time. Grammar is presented in a listening context giving students the chance to hear it being used in realistic situations and making it easier to remember. It includes the full range of exam tasks from the Reading, Writing and Listening papers and shows how grammar knowledge is tested in each of these. Informed by the Cambridge Learner Corpus, grammar is presented in genuine contexts and the book covers the errors students really make.

### **Transculturation**

Debolsillo  
The Giver, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand

the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.
