Dare to Be Random House

NATIONAL BESTSELLER • The award-winning author of *We Should All Be Feminists* and *Americanah* gives us this powerful statement about feminism today—written as a letter to a friend. A few years ago, Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. Dear Ijeawele is Adichie's letter of response: fifteen invaluable suggestions—direct, wryly funny, and perceptive—for how to empower a daughter to become a strong, independent woman. Filled with compassionate guidance and advice, it gets right to the heart of sexual politics in the twenty-first century, and starts a new and urgently needed conversation about what it really means to be a woman today. Say Yes! to All of God's Promptings I dare you. When was the last time you heard God whisper these words into your soul? In seasons when you feel trapped by the safety of routine, you'll often find God nudging you to chase His desires for your life by acting out in courage. Friends Charlotte Gambill and Natalie Grant experienced this firsthand when God pushed them out of their comfort zones and into each other's lives. As they share their stories, they'll inspire you to start boldly writing your own. *Dare to Be* will motivate you to... embrace the outside-of-the-lines woman you were made to be welcome adventures that ask you to be

vulnerable and brave break free from the obstacles that keep you from accepting the goodness God has in store Let Charlotte and Natalie cheer you on, strengthen your soul, and encourage you to venture beyond life as you know it. You'll learn to give your infinite God your complete obedience as you Dare to Be.

Alfred has expanded the Classic Album Editions series with the new matching folio to Bruce Springsteen's legendary record *Born to Run*. The *Born to Run* matching folio provides authentic guitar TAB for all the songs on the album. After releasing two albums with Columbia Records, which received tremendous critical acclaim but did not achieve widespread commercial success, *Born to Run*, originally released in 1975, was Bruce Springsteen's first smash hit record. This book provides authentic guitar TAB for all the songs on the record. Titles are: Thunder Road * Tenth Avenue Freeze Out * Night * Backstreets * Born to Run * She's the One * Meeting Across the River * Jungleland.

They Don't Need to Understand Faber & Faber

Fringe Space... It is where mighty pirate clans, powerful cartels and viciously territorial empires have set up shop. Humanity's fledgling star state, the Terran Minarchy, colonized a number of "leftover" planets in this expanse. The Humans, their allies, and client races have ventured forth, braved deadly space anomalies and settled there. They terraformed barren wastelands, brought water to the deserts, and transformed even the dead asteroids into tiny copies of Earth. However, their boldness and hard work were rewarded with relentless, unprovoked attacks. Terran settlers were denied the peace and prosperity they sought, and were instead rewarded with slavery and death. Forced to replace their tractors for battle tanks, these farmers now aim to harvest another type of crop - the invaders themselves!

Phil Collins pulls no punches—about himself, his life, or the ecstasy and heartbreak that's inspired his music. In his much-awaited memoir, *Not Dead Yet*, he tells the story of his epic career, with an auspicious debut at age 11 in a crowd shot from the Beatles' legendary film *A Hard Day's Night*. A drummer since almost before he could walk, Collins received on the job training in the seedy, thrilling bars and clubs of 1960s swinging London before finally landing the drum seat in Genesis. Soon, he would step into the spotlight on vocals after the departure of Peter Gabriel and begin to stockpile the songs that would rocket him to international fame with the release of *Face Value* and "In the Air Tonight." Whether he's recalling jamming with Eric Clapton and Robert Plant, pulling together a big band fronted by Tony Bennett, or writing the music for Disney's smash-hit animated *Tarzan*, Collins's storytelling chops never waver. And of course he answers the pressing question on everyone's mind: just what does "Sussudio" mean? *Not Dead Yet* is Phil Collins's candid, witty, unvarnished story of the songs and shows, the hits and pans, his marriages and divorces, the ascents to the top of the charts and into the tabloid headlines. As one of only three musicians to sell 100 million records both in a group and as a solo artist, Collins breathes rare air, but has never lost his touch at crafting songs from the heart that touch listeners around the globe. That same touch is on magnificent display here, especially as he unfolds his harrowing descent into darkness after his "official" retirement in 2007, and the profound, enduring love that helped save him. This is Phil Collins as you've always known him, but also as you've never heard him before.

The intimate - and surprising - autobiography of Britain's most adored band Prepare to meet the real McFly ... In 2003, Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter came together and formed what would become one of the most popular and successful bands in the UK. Just teenagers at the time, they were catapulted into the limelight and had to adapt quickly to their new-found fame - and everything that came with it. Now, at last, they have decided to tell their story, in full and revealing detail. Speaking with candour and their trademark humour, Tom, Danny, Harry and Dougie share both the stories of their own lives and that of McFly. They give their personal insights into their contrasting childhoods, the individual paths that led them to the band, the struggles they have each overcome, their love lives and, of course, their music. Packed with previously untold stories, a lot of laughter and the occasional tear, *Unsaid Things* offers a privileged look into the lives of four guys who started out as bandmates and became best friends. Their unique camaraderie radiates from every page and by the end of the book, you'll know them almost as well as they know each other ... Tom Fletcher, Danny Jones, Harry Judd and Dougie Poynter have been together as McFly since 2003. They hold the record for being the youngest band to have a debut No 1 album in the UK. Their hits include: 'Five Colours in Her Hair', 'All About You', 'Please, Please' and 'Shine a Light'. They are one of the biggest bands in the UK.

Commemorating Bruce Springsteen's twenty-five years as a recording artist, here is a panoramic view of his career in a form never seen before. This is the complete collection of Bruce Springsteen's recorded lyrics, illustrated with hundreds of never-before-published images from some of rock & roll journalism's greatest photographers, including Annie Leibovitz, David Gahr, Lynn Goldsmith, Bruce Weber, and many others. From Jim Marchese's informal backstage shots during the European leg of the 1980 *The River* tour to Neal Preston's amazing documentation of the Born in the U.S.A. days to Pam Springsteen's portraits showing a side of the musician rarely seen by the public, this is

the most intimate look at Bruce Springsteen ever published. The photos and lyrics are accompanied by original commentary by Springsteen, in which he reflects on the songs, the performances, and the quarter-century career that for many defines the American dream. In words and in pictures, here is the one book no Bruce Springsteen fan can afford to be without.

A timely and gutsy YA novel based on the Tony and Grammy Award winning musical from Alanis Morissette, Diablo Cody, and Glen Ballard! Swallow it down—what a jagged little pill . . . Jagged Little Pill: The Novel follows the intertwining lives of five teens whose world is changed forever after the events at a party.

Adopted Frankie struggles to see eye-to-eye with her mother—who would rather ignore a problem and preserve their “perfect” life than stand up for what’s right. Jo just wants her mom to accept her queer identity—and is totally crushed when Frankie, the only person who really gets her, finds herself infatuated with someone new. Phoenix tries to find his place at the new school and balance wanting to spend time with Frankie but knowing he also has to help out with his sick sister at home. Bella wants to enjoy the end of high school and just head off to college without a hitch. Everyone expects Frankie's brother Nick to be the golden boy, but even though he just got into his dream school, he’s not even sure he's a good person. Each of their stories intersects when Bella is sexually assaulted at a party, and it looks like the perpetrator might get away with it. Moving, heartfelt, and raw, *Jagged Little Pill: The Novel* draws on the musical’s story and gives readers deeper glimpses of the characters. It’s a story about the power of voicing your pain, standing up for what’s right, and finding healing and connection.

Emily Bronte was an English novelist & poet, who is best known for her only novel, "Wuthering Heights: She has written poems also such as - 'Poems by Currer, Ellis and Action Bell', 'A Death Scene', 'To a Wreath of Snow, and lots Many. 'Wuthering Heights' is a highly imaginative work of passion and hate. Author was interested in mysticism and used to enjoy her solitude outdoors. This novel consists of those elements. It is now considered a classic of English literature. It was published under the pseudonym - "Ellis Bell" The story is full of high creativity and very imaginative. It narrates revenge also. It revolves around the

main character, Heathcliff. Wuthering Heights is his farmhouse. Heathcliff is a young orphan, who was brought by Earnshaw at Wuthering Heights, 30 years ago. Earnshaw loves him (Heathcliff) so much, even neglects his own children. After death of Earnshaw, his elder son Hindley becomes the new master of Wuthering Heights and he allows Heathcliff to stay there only as a servant. Catherine is in love with Heathcliff, but doesn't show due to her social statue. The story thus seems very interesting and it ends with sights of the ghosts of Catherine and Heathcliff. It consists of many ups and downs Readers will Surely going to enjoy the novel. It's Heartthrobing and it's very difficult to getup without reading the novel - fully.
