Intelligent writing, intense characters, a dark sense of humor, innovative editing, and complex plots--Homicide: Life on the Street has raised the caliber of television police drama Homicide: Life on the Street is addictive television. Each week we watch to see who Detective Pembleton will spar with in "the Box," or what conspiracy theories Detective Munch will be espousing as the truth, but more than anything we tune in to see the gritty reality that makes this show the best police drama to ever grace the small screen. There aren't any car chases, rarely any shootouts, and sometimes the cases don't get solved. Instead, these detectives keep their clothes on, have a relentlessly morbid sense of humor, and catch the criminals because they have brains, not necessarily brawn. In other words, they're real. Homicide: Life on the Street, The Unofficial Companion by David P. Kalat--the first and only full-length guide to this Emmy Award-winning and three-time Peabody Award-winning television series--brilliantly captures the essence of this groundbreaking show. You'll Learn About: famed filmmaker Barry Levinson's decision to bring Homicide to television instead of making a film of David Simon's novel Homicide: A Year on the Killing Streets the behind-the-scenes anecdotes about cast regulars, including the onscreen clutches that led to offscreen romances the producers' many battles with the network suits over poor placement in the schedule, and the series' repeated trips to the land known as hiatus cast casualties--why they left or were let go the esteemed cast--including Andre Braugher, Ned Beatty, Daniel Baldwin, and Yaphet Kotto, among others--the characters they've created, and their beyond-Homicide careers season-by-season critiques of each episode Revealing, resourceful, and thoughtful, Homicide: Life on the Street, the Unofficial Companion is a must-have for any fan!

Powerful YA novel by an award-winning writer about a teenager coming to terms with the suicide of her sister. 17 year old Tara McClusky's life is hard. She shares the care of her paralysed father with her domineering, difficult mother, forced to cut down on her hours at school to help support the family with a part-time rest home job. She's very much alone, still grieving the loss of her older sister Van, who died five years before. Her only source of consolation is her obsession with art — and painting in particular. Most especially she is enamoured with Vincent Van Gogh: she has read all his letters and finds many parallels between the tragic story of his life and her own. Luckily she meets the intelligent, kindly Professor Max Stockhamer (a Jewish refugee and philosopher) and his grandson Johannes, and their support is crucial to her ability to survive this turbulent time. NZ Post Award-winning author Mandy Hager tackles the difficult topic of suicide fearlessly, with a novel that's not afraid to go to the dark places but which resolves its story beautifully. It's uplifting and positive. Dear Vincent is also a novel about the power of love, and how the acquisition of inner peace requires forgiveness of ourselves and others.

Werewolves in Their Youth Penguin

After beginning his career as a photojournalist for a daily newspaper in southern California, Dan Winters moved to New York to begin a celebrated career that has since led to more than one hundred awards, including the Alfred Eisenstaedt Award for Magazine Photography. An immensely respected portrait photographer, Dan is well known for an impeccable use of light, colour, and depth in his evocative images. In Road to Seeing, Dan shares his journey to becoming a photographer, as well as key moments in his career that have influenced and informed the decisions he has made and the path he has taken. Though this book appeals to the broader photography audience, it speaks primarily to the student of photography--whether enrolled in school or not--and addresses such topics as creating a visual language; the history of photography; the portfolio; street photography; personal projects; his portraiture work; and the need for key characteristics such as perseverance, awareness, curiosity, and reverence. By relaying both personal experiences

and a kind of philosophy on photography, *Road to Seeing* tells the reader how one photographer carved a path for himself, and in so doing, helps equip the reader to forge his own.

Taking its title from the series of woodblock prints by nineteenth-century Japanese artist Hokusai (which, contrary to its label, consists of forty-six images of Mount Fuji), the play has several threads, but at its heart are an art dealer and an art historian who discover what they think is an ancient manuscript - a priceless Japanese pillow book - and try to learn whether it's authentic. Their search becomes an erotic game of greed, love, and mental hide-and-seek as the play explores the relationships between feelings and words, objects and photographs of objects, antiques and perfect copies, and a woman's heritage and her physical features.

It all starts with the release of fidgety, suspicious Percy Talbott from state prison after serving a five-year sentence. We don't know why, only that she's released and on her way to Gilead and its "colors of paradise." But when she arrives it is February and bitter cold, and the only one around to meet her is restless Sheriff Joe Turner, who takes her to the Spitfire Grill to help the aging Hannah Ferguson run the diner. All is gray, dismal and listless around them, and the characters are in the "winter of their lives" emotionally and spiritually.

Homicide New York Review of Books

The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story filled with intimate bombshells—told by the bombshell herself. On Good Friday in 1953, at only 18 months old, 25 miles from the nearest

hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira is an unforgettably wild memoir. Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon. #1 INTERNATIONAL BESTSELLER • A mesmerising story of love and war spanning three generations and the unimaginable gulf between the First World War and the 1990s In this "overpowering and beautiful novel" (*The New Yorker*), the young Englishman Stephen Wrayford passes through a tempestuous love affair with Isabelle Azaire in France and enters the dark, surreal world beneath the trenches of No Man's Land. Sebastian Faulks creates a world of fiction that is as tragic as *A Farewell to Arms* and as sensuous as *The English Patient*, crafted from the ruins of war and the indestructibility of love.

"Charming. . . . A moving testament to the diversity and depths of love." —Publishers Weekly You'll laugh, you'll cry, you'll be swept away—in less time than it takes to read this paragraph. Here are 175 true stories—honest, funny, tender and wise—each as moving as a lyric poem, all told in no more than one hundred words. An electrician lights up a woman's life, a sister longs for her homeless brother, strangers dream of what might have been. Love lost, found and reclaimed. Love that's romantic, familial, platonic and unexpected. Most of all, these stories celebrate love as it exists in real life: a silly remark that leads to a lifetime together, a father who struggles to remember his son, ordinary moments that burn bright.

The great challenge in writing a feature-length screenplay is sustaining audience involvement from page one through 120. *Screenwriting: The Sequence Approach* expounds on an often-overlooked tool that can be key in solving this problem. A screenplay can be understood as being built of sequences of about fifteen pages each, and by focusing on solving the dramatic aspects of each of these sequences in detail, a writer can more easily conquer the challenges posed by the script as a whole. The sequence approach has its foundation in early Hollywood cinema (until the 1950s, most screenplays were formatted with sequences explicitly identified), and has been rediscovered and used effectively at such film schools as the University of Southern California, Columbia University and Chapman University. This book exposes a wide audience to the approach for the first time, introducing the concept then providing a sequence analysis of eleven significant feature films made between 1940 and 2000: *The Shop Around The Corner / Double Indemnity / Nights of Cabiria / North By Northwest / Lawrence of Arabia / The Graduate / One Flew Over the Cuckoo's Nest / Toy Story / Air Force One / Being John Malkovich / The Fellowship of the Ring*
