In Cold Blood Simon and Schuster

After three years, Maren Summers is elated to finally have her dream wedding to her dream man, Kevin Bryant. In her sights is the promotion to weddings she's worked so hard for at the newspaper. Happily ever after is within her grasp... Until Kevin jilts her at the altar, elopes with another woman, and becomes her boss. Devastated by the twisted turn of events Maren moves in with her best friend and notices the not-so-homeless guy on

the corner, Zane Whitfield. As his heart-wrenching tale unfolds-his vow to wait a year on the corner for his lost love-Maren sees his compassionate human-interest story as her ticket away from Kevin, weddings, and her heartache. But as the New Year approaches, is Maren headed for heartache again when Zane's lost love returns or has time changed more than one heart? A Novella - Victorian Gothic Erotic Horror This is the story of Mercy Dove. This is a story of secrets. They hide in the wainscoting where the paint flakes, they slip behind the silk wallpaper. They whisper to the Mistress under cover of nightfall. She knows little else; they are her comfort and her curse. This is a story of corruption. Of the mind, and the flesh. It sits thick in the air, gathering in corners, loitering at keyholes. Adhering to all who visit, it leaves with them, trailing from their coattails. This is a story of scandal. Infamy, seduction, and lust. It hovers like a murder of crows, circling the grounds waiting for the invited; the unwitting. Take a seat; the curtain is about to rise... Let us begin at the end.

Award-winning author Brad Parks delivers a tense novel of thrills, twists, and deceit that grabs you and won't let go until the final, satisfying page. Tommy Jump is an out-of-work stage actor approached by the FBI with the role of a lifetime: Go undercover at a federal prison, impersonate a convicted felon, and befriend a fellow inmate, a disgraced banker named Mitchell Dupree, who knows the location of documents that can be used to bring down a ruthless drug cartel . . . if only he'd tell the FBI where they are. The women in Tommy's life, his fiancée and mother, tell him he's crazy to even consider taking the part. The cartel has quickly risen to become the largest supplier of crystal meth in America. And it hasn't done it by playing nice. Still, Tommy's acting career has stalled, and the FBI is offering a minimum of \$150,000 for a six-month gig—whether he gets the documents or not. Using a false name and backstory, Tommy enters the low-security prison and begins the process of befriending Dupree. But Tommy soon realizes he's underestimated the enormity of his task and the terrifying reach of the cartel. The FBI aren't the only ones looking for the documents, and if Tommy doesn't play his role to

perfection, it just may be his last act.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

The Last Act of Love Thomas Nelson

Arms and the Man was George Bernard Shaw's first commercially successful play. It is a comedy about idealized love versus true love. A young Serbian woman idealizes her war-hero fiance and thinks the Swiss soldier who begs her to hide him a terrible coward. After the war she reverses her opinions, though the tangle of relationships must be resolved before her ex-soldier can conclude the last of everyone's problems with Swiss exactitude. The play premiered to an enthusiastic reception. Only one man booed Shaw at the end, to which Shaw replied: "My dear fellow, I quite agree with you, but what are we two against so many?"

The Last Prophet Modern Library

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Pepper, a Hospice Nurse cares for his patients as they are dying and shortly after their death. He is responsible for guiding them through that last journey as well as providing emotional support and comfort for the patient's loved ones. Pepper takes the reader on his journey from his own home to that of the patients. He describes in detail what he is thinking and feeling along the way. Once in the home, Pepper weaves a story, using sights, sounds, and smells, to describe the surroundings as he treats each patient's symptoms and allow them a peaceful death. Once the patient has passed, he bathes them in "warm water" as a gentle gesture of dignity and respect before they are taken away for final arrangements. Each of these tales had a spiritual connectedness between Pepper and the loved ones of each patient. Together, they experience a catharsis as the loved ones begin their journey of grief. Pepper encourages the loved ones to relive their life's experiences they shared with the now recently departed. It is through this discussion that Pepper realizes how much all of us have in common when dealing with the loss of someone we love.
