The discovery of a nugget in California in 1848 set off the first gold rush in history. In 1849 alone, the population increased 500 percent as 80,000 men rushed to claim its riches; three years later, nearly

250,000 people lived there. By 1865, miners had dug and panned \$750 million in gold from the hills and streambeds of California. In other countries, mines that produced precious metals were the property of kings and princes. But in California, the gold, like everything else on the frontier, belonged to those who took it. In *The Gold Rush*, historian Ralph K. Andrist details

the culture and characters that created a pivotal moment in American history. [Gold Rush](#) McFarland Since Hopalong Cassidy and the Lone Ranger blazed their first trails on television in 1949, Westerns have been the genre of choice for 180 series. Some (Gunsmoke, Bonanza, and Maverick, for example) were classics; others, such as *26 Men and Shotgun Slade*, were

quickly forgotten. From *Adventures of Briscoe County*, through *Zorro and Son*, this comprehensive reference work covers all 180 Western series. Each entry opens with a listing of the broadcast history of the series, including original network, day and time. This is followed by a listing of the regular cast members and a brief premise of the series. The individual

episodes are then covered, with the title, original air date, leading guest stars and a brief synopsis given. An exhaustive index completes the work.

Gold Rush!(CD1)(Smart Readers Wise&Wide 4-8) University of Oklahoma Press

Describes the frenzied rush to California following the discovery of gold at Sutter's Fort in 1848.

Gold Rush in the Jungle
Children's

Press(CT)

In this authoritative guide, readers will examine the many aspects of the California Gold Rush and the event's larger role in westward expansion.

Studying the forty-niners, the Native Americans of California, gold extraction techniques, and transportation west, readers will gain insight into how the gold rush changed the region and the many developments it led to.

Accessible language clarifies advanced concepts, and engrossing sidebars feature additional information.

Stunning photographs add dimension to the text, and primary sources are integrated, offering an up-close examination.

This book's comprehensive material is a terrific resource to supplement curricular studies.

Gold Rush Adventures
McFarland
A riveting

portrait of the Gold Rush, by the award-winning author of Down the Great Unknown and The Forger's Spell. In the spring of 1848, rumors began to spread that gold had been discovered in a remote spot in the Sacramento Valley. A year later, newspaper headlines declared "Gold Fever!" as hundreds of thousands of men and women borrowed money, quit their jobs, and

allowed themselves-for the first time ever-to imagine a future of ease and splendor. In *The Rush*, Edward Dolnick brilliantly recounts their treacherous westward journeys by wagon and on foot, and takes us to the frenzied gold fields and the rowdy cities that sprang from nothing to jam-packed chaos. With an enthralling cast of characters and scenes of unimaginable wealth and

desperate ruin, *The Rush* is a fascinating-and rollicking-account of the greatest treasure hunt the world has ever seen.

The Gold Rush The Rosen Publishing Group, Inc Did you know that part of San Francisco was built on top of ships from all over the world that were abandoned during the Gold Rush? Even the most reluctant readers will love discovering history

through these strange, awesome, and unbelievable tidbits about the hundreds of thousands of people who left their lives behind and trekked out to California to strike it rich. Incredible early photographs and vivid illustrations bring each factoid into sharp focus, while captions add extra information to each page. *Gold Rush Adventures* Little Brown

20 Fun Facts About the Gold Rush
 Gareth Stevens Publishing
 LLLP
 The rush to discover gold was a significant and exciting chapter in American history. Thousands of Americans headed west to the promise of instant wealth. They met all kinds of adventures and hardships. Equipped with their courage and sense of adventure, these pioneers risked all to

find their fortune!
The Gold Rush New Word City
 "After two years of equipment breakdowns, infighting and battling Mother Nature, one of the mining teams finally hits paydirt. Parker Schnabel has a new crew, new land and a newly rebuilt wash plant on his side. After months and months of digging, Dakota Fred finally hit bedrock and started to see the best gold yet just as

winter set in last year? and has high hopes that this will finally be the season he walks away a millionaire. And in his quest to find 1,000 ounces of gold this season, Todd Hoffman doubles down with two claims and twice the crew and equipment. But is that enough to get him to his goal of finding ten times more than he did last year?"-- Container.

The Gold Rush Xulon Press
Speedy Reads

is a brand new concise series published for all of us who want information fast! The books are aimed at the 8+ audience, although any of us could use them to give us the essential facts about important events. The first four titles- Moon Landing, Marie Celeste, Gold Rush and Titanic-give us all the outrageous facts behind fascinating episodes in history. The style is chatty and humorous,

with text broken up into easily digestible question and answer style paragraphs. The added extra of a flicker picture in the corner of each book makes them even more entertaining and great value for money. A perfect present or an easily affordable purchase for young readers. These books could also be sold to older readers who want information put across in

an accessible way. *The Gold Rush* The Rosen Publishing Group, Inc The paranormal adventures don't stop! Take a peek inside this book and watch the James Bond of the Paranormal take on UFOs, ghosts, poltergeists and demons! Watch Deanna Jaxine Stinson using her psychic abilities, detect a presence! Paul and Deanna are the new age Ed and Lorraine Warren! Bob Fulton - *Cryptozoologists* t *Hard Gold* John Wiley & Sons In the 2000s, reality programs showcasing white, working-class men performing hazardous occupations in wilderness settings proliferated on U.S. cable networks. Shannon O'Sullivan argues that this genre represents a reactionary veneration of white, rural, working-class men as "real Americans" amid the Great Recession and current events. [Questions and Answers About the Gold Rush](#) Little, Brown 2017 Nancy Pearl Book Award After the tragic death of her husband and son on a remote island in Washington's San Juan Islands, Eliza Waite joins the throng of miners, fortune hunters, business owners, con men, and prostitutes

traveling north to the Klondike in the spring of 1898. When Eliza arrives in Skagway, Alaska, she has less than fifty dollars to her name and not a friend in the world—but with some savvy, and with the help of some unsavory characters, Eliza opens a successful bakery on Skagway’s main street and befriends a madam at a neighboring bordello. Occupying this space—a place somewhere

between traditional and nontraditional feminine roles—Eliza awakens emotionally and sexually. But when an unprincipled man from her past turns up in Skagway, Eliza is fearful that she will be unable to conceal her identity and move forward with her new life. Using Gold Rush history, diary entries, and authentic pioneer recipes, Eliza Waite transports readers to the sights sounds, smells, and

tastes of a raucous and fleeting era of American history. *Gold Rush!* Lorenz Educational Press Few events have shaped the history, economy, and even geography of the state of Colorado quite like the Gold Rush. This book examines the events that led up to the discovery of gold, how the Gold Rush changed the cities and towns of Colorado, and the long-term effects on the

state's environment and natural resources. The informative text, supported by full color images and primary source documents, provides not only a chronology of events, but also historical perspective on how the past inevitably impacts the present.
