A novel that
follows a
middle-aged
man as he
contends with
a past he
never much
thought
about—until
his closest
childhood
friends return
with a
vengeance:
one of them
from the
grave, another
maddeningly

present. A
novel so
compelling
that it begs to
be read in a
single setting,
The Sense of
an Ending has
the
psychological
and emotional
depth and
sophistication
of Henry
James at his
best, and is a
stunning
achievement
in Julian
Barnes's
oeuvre. Tony
Webster
thought he
left his past
behind as he
built a life for
himself, and
his career has
provided him

with a secure
retirement
and an
amicable
relationship
with his ex-
wife and
daughter, who
now has a
family of her
own. But when
he is
presented
with a
mysterious
legacy, he is
forced to
revise his
estimation of
his own nature
and place in
the world.

**The Tale of
Genji** Penguin
UK
Originally
published in
German in
1935, this

monograph anticipated solutions to problems of scientific progress, the truth of scientific fact and the role of error in science now associated with the work of Thomas Kuhn and others. Arguing that every scientific concept and theory—including his own—is culturally conditioned, Fleck was appreciably ahead of his time. And as Kuhn observes in his foreword,

"Though much has occurred since its publication, it remains a brilliant and largely unexploited resource." "To many scientists just as to many historians and philosophers of science facts are things that simply are the case: they are discovered through properly passive observation of natural reality. To such views Fleck replies that facts are invented, not discovered. Moreover, the appearance of

scientific facts as discovered things is itself a social construction, a made thing. A work of transparent brilliance, one of the most significant contributions toward a thoroughly sociological account of scientific knowledge."—Steven Shapin, *Science The Varieties of Religious Experience: A Study in Human Nature* Metropolitan Museum of Art Once upon a time, there lived a girl named Fallon,

who was taken far away from home shortly after she was born. A home that held more than strange traditions and bizarre superstitions. Twenty-four years later, she returned to Weeping Hollow, a haunting town she'd only heard about in stories during restless nights under a marble moon, to meet her last living relative. They called her a freakshow--a ghost. They said I couldn't go near her. Still, there

was this aching pull to Fallon Grimaldi that I couldn't escape. A nostalgic pull as if we'd been here before. Once upon a time, there lived a mysterious man named Julian with a curse as old as centuries wrapped around his soul. He was one of the four Hollow Heathens, the very dark creatures who caused the town's people to live in fear. And the Blackwell name was stained with

darkness and death. They called him a monster. Cold and hollow. They said I shouldn't go near him. Still, there was this aching pull to Julian Blackwell that I couldn't escape. A nostalgic pull as if we'd been here before.

Hollow Heathens

Read Books Ltd
Comprehensive, reliable and eye-opening, this A to Z examines the sexual practices, expressions and attitudes of the Greeks

and Romans, from Catullus and Caligula, to orgies and obscenity to pederasty and prostitution.

LSD, My

Problem Child

University of Chicago Press

"As the psalms are a microcosm of the Old Testament, so the

Expositions of the Psalms

can be seen as a

microcosm of Augustinian

thought. In the Book of

Psalms are to be found the

history of the people of

Israel, the

theology and spirituality of

the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too

does the work of expounding

the psalms recapitulate

and focus the experiences of

Augustine's personal life, his theological

reflections and his

pastoral concerns as

Bishop of Hippo."--

Publisher's website.

The Sketch

Delphi Classics

From the nineteenth

through the mid-twentieth

centuries, millions of American men and women participated in fraternal associations--

self-selecting brotherhoods

and sisterhoods

that provided aid to

members, enacted group

rituals, and engaged in

community service. Even

more than whites did,

African Americans

embraced this type of

association; indeed,

fraternal lodges rivaled

churches as centers of

black

community life in cities, towns, and rural areas alike. Using an unprecedented variety of secondary and primary sources--including old documents, pictures, and ribbon-badges found in eBay auctions--this book tells the story of the most visible African American fraternal associations. The authors demonstrate how African American fraternal groups played key roles in the struggle for civil rights

and racial integration. Between the 1890s and the 1930s, white legislatures passed laws to outlaw the use of important fraternal names and symbols by blacks. But blacks successfully fought back. Employing lawyers who in some cases went on to work for the NAACP, black fraternalists took their cases all the way to the Supreme Court, which eventually ruled in their favor. At the height of the

modern Civil Rights movement in the 1950s and 1960s, they marched on Washington and supported the lawsuits through lobbying and demonstrations that finally led to legal equality. This unique book reveals a little-known chapter in the story of civic democracy and racial equality in America.

Originals; And Illustrated In Their Different Significations, By Examples From The Best Writers: Together With A History of the Language, and an English Grammar
 Princeton University Press
 The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective

through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: "GOD is love," says St. John. When I first tried to write this book I thought that his maxim would provide

me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God." *Truth* Harper San Francisco
 With its vivid descriptions of courtly society, gardens, and architecture in early eleventh-century Japan, *The Tale of Genji*—recognized as the world's first

novel—has captivated audiences around the globe and inspired artistic traditions for one thousand years. Its female author, Murasaki Shikibu, was a diarist, a renowned poet, and, as a tutor to the young empress, the ultimate palace insider; her monumental work of fiction offers entry into an elaborate, mysterious world of court romance, political intrigue, elite

customs, and religious life. This handsomely designed and illustrated book explores the outstanding art associated with Genji through in-depth essays and discussions of more than one hundred works. The Tale of Genji has influenced all forms of Japanese artistic expression, from intimately scaled albums to boldly designed hanging scrolls and screen

paintings, lacquer boxes, incense burners, games, palanquins for transporting young brides to their new homes, and even contemporary manga. The authors, both art historians and Genji scholars, discuss the tale's transmission and reception over the centuries; illuminate its place within the history of Japanese literature and calligraphy; highlight its key episodes and

characters;
and explore
its wide-
ranging
influence on
Japanese
culture,
design, and
aesthetics into
the modern
era. p.p1

Dispatch At
the heart of
this classic,
seminal book
is Julian
Jaynes's still-
controversial
thesis that
human
consciousness
did not begin
far back in
animal
evolution but
instead is a
learned
process that
came about
only three
thousand
years ago and
is still
developing.
The
implications of
this
revolutionary
scientific
paradigm
extend into
virtually every
aspect of our

psychology,
our history
and culture,
our
religion—and
indeed our
future. “Don’t
be put off by
the academic
title of Julian
Jaynes’s *The
Origin of
Consciousness*
in the
Breakdown of
the Bicameral
Mind. Its prose
is always lucid
and often
lyrical...he
unfolds his
case with the
utmost
intellectual
rigor.”—The
New York
Times “When
Julian Jaynes .
. . . speculates
that until late
in the
twentieth

millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—*American Journal of Psychiatry Poisoners and*

LSD, and the divine, in Victorian
listen in as he the microcosm Erotic Novel"
corresponds of the atom, in erotic novel of

anonymous authorship. It follows the exploits of Charlie, a virile and well-endowed young man with an apparently boundless appetite for sex. He chronicles his various sexual encounters involving his sisters Eliza and Mary, his governesses, and other various male and female friends. The narrative is saturated with taboo subjects, and it almost seems that none are omitted:

orgies, masturbation, lesbianism, flagellation, fellatio, cunnilingus, gay sex, anal sex, and double penetration all appear at some point. An unparalleled and a wholly satisfying reading experience, "The Romance of Lust" is a classic Victorian erotic novel not to be missed by fans and collectors of the genre. Many vintage books such as this are becoming

increasingly scarce and expensive. We are republishing this volume now in a modern, high-quality edition complete with a specially commissioned new introduction on the history of erotic literature. Genesis and Development of a Scientific Fact Houghton Mifflin Harcourt A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color

illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622

affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

Evergreen Review

Simon and Schuster
The 120 Days of Sodom by Marquis de Sade relates the story of four wealthy men who enslave 24 mostly

teenaged victims and sexually torture them while listening to stories told by old prostitutes. The book was written while Sade was imprisoned in the Bastille and the manuscript was lost during the storming of the Bastille. Sade wrote that he "wept tears of blood" over the manuscript's loss. Many consider this to be Sade crowing achievement.

Ignatius Press Kapoor gives us piercing glimpses of slums, roadside restaurants, Sufi shrines, heroin dens hidden in the backpacker district, desert outskirts where luxury apartments are being erected, and the noisy, thronging bazaar in the old city . . . She writes with a keening,

furious sorrow that rang in my ears well after I finished the book' Wall Street Journal // She is twenty, restless in Delhi. He is a few years older, and has travelled the world. They meet in a café and they fall in love. In a dark, cool flat they have sex and do drugs. And then they travel the city. From the drug dens of Paharganj to the building sites of Noida; through the wastelands of Mehrauli and the dargah in Nizamuddin

charged with plaintive song, the two play out their love story to its black end. // 'Charged with the energy of a racy page-turner, and visceral in its treatment of female desire and sexuality' Mint 'Intoxicating' New York Times **A Bad Character** Vintage The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by

Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular

message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and

abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, The Joy of the

Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage* *A Dictionary of the English Language* Nicole Fiorina Books, Incorporated The famous third century Father of the Church, Clement of
