A sudden curtain of silence fell over the burning city. All that could be heard was the steady crackling of flames... Hitler's penal regiments advance on Poland. Himmler has given the order: Warsaw must be razed to the ground. But the Polish Home Army are not willing to give in to the German troops so easily. As the city erupts into an inferno of flames and gunfire, Sven and his comrades find themselves caught between the sadism of the SS and the guerrilla warfare of the Polish Resistance... REIGN OF HELL is a gripping insight into the Warsaw Uprising of 1944, and the bloodshed that ensued as

the Polish tried desperately to liberate themselves from the German occupation.

Some of the most controversial and consequential debates about the legacy of the ancients are raging not in universities but online, where alt-right men's groups deploy ancient sources to justify misogyny and a return of antifeminist masculinity. Donna Zuckerberg dives deep to take a look at this unexpected reanimation of the Classical tradition.

Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. As a sensitive and intelligent young woman, she is becoming known as the best PUA in the business...

The disintegration of Spiritual Force led to the momentous collapse of the great Cultivation World, a mighty era that had endured through millions of years of history. In the wake of the large-scale invasion of the Wilderness, the Avalon of Five Elements had become the practitioners' last stand. After a thousand years, a lowly youth, who hailed from the Old Territory, toiled as a laborer for three years in the depths of the Wilderness. He then became an exception and obtained the opportunity to enter the Avalon Of Five Elements for further studies. Bearing beast-like fighting capabilities and driven by the desire to take control of his life, the youth strived for greater strength and power. [Not All Dead White Men](#) Robert White Are you a man who has had enough of bars, clubs, and late nights? Are you fed up with online dating? This is a memoir of a lonely singleton who turned his love-life around (and upside down) after he stumbled on DAYGAME, the art of meeting and attracting women during the daytime. "Too Late, Mate?" tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered, struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life. In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind, whilst simultaneously failing to sleep with any one of them. When all else had failed - relationship counseling, psychotherapy, the self-help book industry, secret cults, salsa dancing, tree-hugging - he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime. So began an 18-month journey in which he met literally hundreds of girls in the street, went on dozens of dates and even managed to persuade one or two of them back into his bedroom...Reviews of the 1st Edition: By ZV Oct 10, 2019I purchased 'Too Late, Mate' about a year and a half ago. I enjoyed it very much as there are similarities to how I grew up and my experiences in with girls and school as in the book...Great Read! By Leigh Sep 27, 2019An entertaining & honest account of a middle-aged man who after a lifetime of being inept at meeting and dating women, stumbles across Daygame. Think Crazy Stupid Love meets Dostoevsky i.e. a fascinating, funny and sometimes painful story where the processes of learning how to overcome deep-rooted beliefs about women, masculinity, and relationships

through practical field training is described together with an introspective analysis. I enjoyed this book as I think it reflects the experience of a lot of men, particularly older men, trying to address this area of their life. I can say that the account of his journey is authentic as I'm of a similar age and got into Daygame about the same time. The book is professionally written which is a rarity in this genre and is equally valid as an entertaining story or a valuable reference piece. By W A Feb 28, 2018I loved this book!! One of the few books on pickup I've ever read cover-to-cover. Regardless of whether you're into pickup or not ("PUA"), this is an engaging, come-from-behind hero tale-- told autobiographically. Mr. Forrest's humanity comes through in a very self-effacing way, as he struggles with the ups-and-downs of learning "game" later in his life. His maturity and self-doubt on the subject stand in sharp relief to the swagger of many PUAs whose youth and brashness consume most of the oxygen on this subject. It's a bit interesting that Mr. Forrest espoused filmmaking interests in this book because it actually has all of the essential storytelling elements of the classic "Hero's Journey" outlined by Joseph Campbell/Christopher Vogler (would make an interesting movie, imo). One of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists, not men of action, as notions delude us into thinking that knowledge somehow supplants or equates to experience. The reason that I strongly gravitate to the work of authors/YT'ers like Alex Forrest (and his impish, gamesome compadre Tom Torero) is that they have a way of inspiring me to confront my fears and approach women in my daily life. And for those gents in their 40's or maybe more, with natural fears about aging and the what-if's of it all, this book addresses this older niche that has heretofore been all but ignored. Bravo, Mr. Forrest, bravo!By Dean Craddock Nov 7, 2017This is a great, high quality read, detailing Alex's journey into the world of pick-up through daygame.
