Discover English provides a solid grammar
 and lexical syllabus with the perfect mix of
 variety and challenge to motivate young
 learners Your students' learning journey
 begins here. Join Holly and her friends as
 they travel back in time to Ancient Egypt.
 Learn about foreign countries and different
 cultures. Discover what the rich and
 famous did before they were, well, rich
 and famous. All this and more as their
 English improves Discover
 English...Discover the world
The Inconsiderate Waiter Harry N. Abrams
 When Yugoslavia disintegrated in the early

1990s, competence in English was not
 widespread. This book explores how
 English came to be equated with economic
 survival for many during and after the
 ensuing war through a range of diverse
 social and professional contexts, from the
 classroom to the military to the
 International Criminal Court. While English
 provided social mobility for many, its
 abrupt arrival also contributed to the
 marginalization of those without the
 adequate language skills. The high level of
 international intervention in Bosnia and
 Herzegovina over the last two decades has
 contributed to a sense of normalization of
 the presence of English. Viewed as a far
 more complex issue than simple linguistic
 imposition, this book explores the
 widespread adoption of English and its
 effects on a nation recovering from war.
Dictionary English-Serbocroatian,

*Serbocroatian-English with a short
 grammar of English language* Austin
 Macauley

Full text. How would you feel if your social
 position demands you to behave one way
 and your conscience asks you to behave in
 another way? When you are so
 conditioned by the social norms that you
 fail to recognize the faults in your actions
 eventhough your conscience pulls you
 back most of the time. This is a story of a
 person who faces that dilemma. Quote: It
 is not correct taste to know the name of a
 club waiter, so I must apologise for
 knowing William's, and still more for not
 forgetting it. If, again, to speak of a waiter
 is bad form, to speak bitterly is the comic
 degree of it. But William has disappointed
 me sorely. There were years when I would
 defer dining several minutes that he might
 wait on me.

Narodne novine Oxford University Press, USA

A two-year course to follow Happy House, or as a first English course for children who are ready to read and write. The characters found in Happy House have grown up a little and are exploring the streets!

Vreme Longman

"Ben, it is time for your bed, you have had your tea." "I can't go to bed, there is a monster out on the hill you see." Follow the story of the monster that stops Ben from going to bed. Ben is convinced that the monster is real and wants to eat him for his tea. "I am invisible to mums," said the monster, "and we don't lie." Ben screamed! "It has a big round back and scales all along." Is there really a monster on the Hill? Ben's mum doesn't think so. Will Ben really become the monster's tea? Now it's time for you to read the story and see?

Rečnik englesko srpskohrvatski, srpskohrvatsko-engleski sa kratkom gramatikom engleskog jezika LIT Verlag Münster

Follows the fictional Scotsman, James Mac Killian, as he travels around the world in 1923-1925 in the Zephyr, a motorized hot-air balloon he invented, seeking to learn the traditions and cultures of the people of different nations.

Pedagoška Stvarnost Lulu.com

Project brings English to life through motivating topics within a structured learning environment. It provides a clearly-structured, supportive framework of grammar with the flexibility to allow students to make their own discoveries. Language is presented in stimulating, realistic contexts. A high profile is given to skills development from the start of the course. Cross-curricular project work encourages students to communicate in

English about their own lives and experiences. The strong cultural element helps students to establish a connection between language and life. Students are encouraged to learn about life in Britain and other English-speaking countries, as well as to explore differences and draw comparisons with their own cultures. Strong emphasis is placed on learner independence: students are encouraged to think about their own learning and reflect on their progress. The course is enriched by numerous songs, games, and puzzles which make language learning fun. The fifth level, Project Plus, is a revision level with the emphasis on skills extension, in particular reading and speaking.
