*The Ugly Truth* Simon & Schuster Children's

Soon to be an Apple TV+ animated series starring Golden Globe nominee Beanie Feldstein and Emmy Award winner Jane Lynch, it's no secret that Harriet the Spy is a timeless classic that kids will love! Harriet M. Welsch is a spy. In her notebook, she writes down everything she knows about everyone, even her classmates and her best friends. Then Harriet loses track of her notebook, and it ends up in the wrong hands. Before she can stop them, her friends have read the always truthful, sometimes awful things she's written about each of them. Will Harriet find a way to put her life and her friendships back together? "What the novel showed me as a child is that words have the power to hurt, but they can also heal, and that it's much better in the long run to use this power for good than for evil."—New York Times bestselling author Meg Cabot

**Diary of a Kid Who Likes Hunting!** Harper Collins

Cora Davis's life is garbage. Literally. Her professor parents study what happens to trash after it gets thrown away, and Cora knows exactly how it feels--to be thrown away. Between her mom and dad separating and a fallout with her best friend, fifth grade for Cora has been a year of feeling like being tossed into the dumpster. But Cora has learned a couple of things from her parents' trash-tracking studies: Things don't always go where they're supposed to, and sometimes the things you thought you got rid of come back. And occasionally, one person's trash is another's treasure, which Cora and Sybella learn when they come across a diary detailing best-friendship problems. Told in two intertwining points of view, comes a warm, wry story of friendship, growing up, and being true to yourself. Written by Rebecca Donnelly, author of *How to Stage a Catastrophe* (an Indies Introduce and Indie Next List honoree), *The Friendship Lie* will speak to any reader who has struggled with what to hold on to and what to throw away.

She can't even bear to get started on it! What is she going to do? In the same humorous spirit of Diary of a Wimpy Kid comes Harriet's Monster Diary: Awful Anxiety (But I Squish It, Big Time). Using the "furmometer" and ST4 techniques developed by Dr. Raun Melmed of the Melmed Center in Arizona, Harriet's Monster Diary teaches kids how to monitor how they feel and respond to stressful situations. Harriet's hilarious doodles and diary entries chronicle her delightful adventures, misadventures, and eventual triumph in a funny, relatable way. It's the one book that stressed kids will want to calm down to read! Harriet's Monster Diary also includes a resource section to help parents and teachers implement Dr. Melmed's methods, plus ST4 reminders that kids can remove, color, and place around the house.
