### The Essential Law of Attraction Collection

Hay House, Inc

For decades, Louise Hay has helped people throughout the world discover and implement the full potential of their own creative powers for personal growth and self-healing. In this single volume, you will find three of her most beloved books: • *You Can Heal Your Life* is a true classic, with millions of copies in print worldwide. Louise's key message here is that "if we are willing to do the mental work, almost anything can be healed." She explains how limiting beliefs and ideas are often the cause of illness, and how you can change your thinking . . . and improve the quality of your life. • *In Heal Your Body*, Louise describes the methods she used to cure herself of cancer, which will help you discover patterns in your own health conditions that reveal a lot about yourself. It offers positive new thought patterns to replace negative emotions, an alphabetical chart of physical ailments with their probable causes,

and healing affirmations so you can eliminate old patterns. • *The Power Is Within You* expands on Louise's philosophy of "loving the self" and shows you how to overcome emotional barriers through learning to listen to your inner voice, loving the child within, and letting your true feelings surface. In these pages, Louise encourages you to think of yourself positively and be more accepting of—and grateful for—who you are. *The Essential Louise Hay Collection* is the perfect read for anyone seeking insights into the mind-body connection, as well as for those who want the pleasure of finally having their favorite Louise Hay books together in one convenient volume! *The Invisible Force* Hay House, Inc An extraordinary 9-step program that will give you the keys to perfect balance in every aspect of your life. In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale

with one end weighted down to the ground, and the other end – featuring the objects of your desires – sticking up precariously in the air. This scale is a measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the idea that we're a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out-of-balance thoughts. **Happiness Is the Way** Hay House, Inc I AM, the newest children's book by Dr. Wayne W. Dyer, is taken from his latest book for adults, *Wishes Fulfilled*. I AM teaches kids a simple but profound message: God is not far off in the distance, or even merely beside us. In other words,

we are not separate from God-we are God! Knowing that God's love and strength is a part of everyone can help kids grow to meet their greatest potential in life. The book uses a rhyme and illustrations to teach this lesson and help children realize that they are greater than they ever imagined! There is also a special section at the end that teaches the important meaning and way to use the words I am to create love, happiness, and greatness in their own lives and the world

**Don't Die with Your Music Still in You**  
ReadHowYouWant.com  
The doctor who taught millions how to take charge of their own lives. . now reveals how to help kids take charge of their own happiness! Dyer uses the same dynamic techniques that fired his previous multimillion-copy bestsellers to show us how to make those special dreams for our kids come true. Here is straightforward, common sense advice about raising children of all ages

**Change Your Thoughts-Change Your Life (Easyread Large Edition)** Hay House, Inc  
From best-selling author and spiritual teacher Wayne W. Dyer comes My Greatest Teacher, which follows a man's journey to find understanding and reconciliation with his past. Despite having a loving family and a fulfilling career as a university professor, Ryan Kilgore has always held deep resentment and anger toward the father who abandoned him when he was born. When these emotions take their toll on his marriage-and his

relationship with his own son-Ryan realizes he must confront these unhealed wounds in order to move forward in his life. While at an academic conference, he embarks on a search to track down his father, Big Bob. Along the way, Ryan encounters friends and acquaintances of Big Bob, while reawakening memories of his childhood. My Greatest Teacher is an inspiring tale of how we can transform suffering and pain into forgiveness and love, and the lessons we can learn through the most difficult challenges we face.

**Manifest Your Destiny: The Nine Spiritual Principles for Getting Everything You Want**

Hay House, Inc  
In his fourth book for children, Dr. Wayne W. Dyer focuses on the topic of excuses and how they can do more harm than we realize. The book demonstrates how excuses go far beyond "my dog ate my homework," and can actually become words that prevent your child from reaching his or her potential. The book follows a boy with a seemingly impossible dream who almost lets excuses ("I'm not smart enough" . . . "It's too hard," and so on)

get in his way. He discovers, as will your child, that by following a few simple ideas and eliminating excuses . . . anything is possible!

SELF-HELP & PERSONAL DEVELOPMENT.

Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's our Divine birthright. In *Living an Inspired Life* (previously published under the title *Inspiration*), Dr Wayne W Dyer explains how to connect to the knowledge and understanding that we had in the spirit realm

before we chose to incarnate in physical form. From this all knowing place of spirit, we choose our physical body, our parents and the nature of the life we would lead on the earth. We made these choices co-creatively with the Source and now here on earth if we can reconnect to that Source energy it can transform our lives. Living our lives inspired by Source energy is a powerful antidote to the feelings of emptiness that disconnection from our soul creates. As you read each chapter in this book, you'll find specific suggestions for living 'in-Spirit'.

It's a force that we all have within us, and we have the power to draw it into our lives by being the energy we want to attract. U...

The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume: • The Power of

Intention details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. • Inspiration dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life . . . all evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. • Excuses Begone! reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once

and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending—ever. The Essential Wayne Dyer Collection is a must-read for those wanting to explore the power and potential of the human mind, as well as anyone who is finally ready to live the best life possible! Developing the sacred self, Wayne Dyer explains, brings an understanding of our place in the world and a sense of satisfaction in

ourselves and others. In *Your Sacred Self*, Dyer offers a program that helps listeners establish a spiritually-oriented, rather than an ego-oriented, approach to life. Step by step, Dyer shows us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance; from a sense of one's self as sinful and inferior to a sense of one's self as divine; from a need to achieve and acquire to an awareness that detachment and letting go bring freedom. *Your Sacred Self* is an inspiring, hopeful, illuminating guide that can help everyone live a happier, richer, more meaningful life.

*Incredible You!* Harper Collins

This text offers an opportunity to internalize and directly experience the great wisdom of the *Tao Te Ching*, a collection of verses authored by the Chinese prophet Lao-tzu. Although just 81 short verses, the *Tao* encourages readers to change their lives by literally changing the way they think.

The #1 New York Times best-selling author of *Excuses Begone! The Shift*—the book inspired by the movie of the same name—illustrates how and why to make the move from ambition to meaning. Download *The Shift* and allow these lessons to guide you down a more authentic and rewarding path today. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. *The Shift* doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that

are the trademark of the ego's agenda.
