Plunkett's Airline, Hotel & Travel Industry Almanac Rough Guides UK

If you want a holiday that's hassle-free, virtually pre-paid, and that lets you see lots of places while only needing to pack and unpack once, then you should try a cruise. This best-selling book is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise holiday and how to find it; the lively text and colour photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience and how to save money. The second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment and facilities, using an internationally recognised ratings system.

Stern's Guide to the Cruise Vacation: 2015 Edition John Wiley & Sons

The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known martial arts figure in the world.

The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as family car and the diversification of the pickup truck into multiple forms and sizes. This comprehensive reference book follows the form of the author's popular volumes on American cars. For each year, it provides an industry overview and, for each manufacturer, an update on new models and other news, followed by a wealth of data: available powertrains, popular options, paint colors and more. Finally, each truck is detailed fully with specifications and measurements, prices, production figures, standard equipment and more.

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine!

With Robert Jordan's untimely passing in 2007, Brandon Sanderson, the New York Times bestselling author of the Mistborn novels and the Stormlight Archive, was chosen by Jordan's editor—his wife, Harriet McDougal—to complete the final volume in The Wheel of Time®, later expanded to three books. In A Memory of Light, the fourteenth and concluding novel in Jordan's #1 New York Times bestselling epic fantasy series, the armies of Light gather to fight in Tarmon Gai'don, the Last Battle, to save the Westland nations from the shadow forces of the Dark One. Rand al'Thor, the Dragon Reborn, is ready to fulfill his destiny. To defeat the enemy that threatens them all, he must convince his reluctant allies that his plan—as foolhardy and dangerous as it appears—is their only chance to stop the Dark One's ascension and secure a lasting peace. But if Rand's course of action fails, the world will be engulfed in shadow. Across the land, Mat, Perrin, and Egwene engage in battle with Shadowspawn, Trollocs, Darkfriends, and other creatures of the Blight. Sacrifices are made, lives are lost, but victory is unassured. For when Rand confronts the Dark One in Shayol Ghul, he is bombarded with conflicting visions of the future that reveal there is more at stake for humanity than winning the war. Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and The Eye of the World was named one of America's best-loved novels by PBS's The Great American Read.
