 A beautiful commemorative edition of Dr. Martin Luther King's

essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergyman admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

"This is History Book. It explored the grand scheme of world history as a product of real-life human beings pursuing their individual and collective interests. It also offered a global perspective on the past by focusing on both the distinctive characteristics of individual societies and the connections that have linked the fortunes of different societies. It has combined a clear chronological framework with the twin themes of traditions and encounters, which help to make the unwieldy story of world history both more manageable and more engaging. From the beginning, Traditions & Encounters offered an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times"--
