★ 55% OFF for Bookstores! NOW at \$ 23.97 instead of \$ 34.97! LAST DAYS! ★ Do you feel the need for more positive energy through Wicca? The Wiccan belief system is actually quite complex in the fact that Wiccans have a certain way of thinking and living their lives. Similar to other religions, Wiccans like balance and peace of all things. They are very in tune with nature and the Earth making all things whole and a sense of oneness with all living things. They go by a guilt-free morality. What this means is that there is no jealous or vindictive God in Wicca. The mother goddess is mainly loving, nurturing, generous, and wise. Whereas the gods are protective, playful, assertive, and strong without punishment or violence. Wiccans live vicariously through their gods and goddesses and implement all that is pure in the Wiccan form. Witchcraft is technically considered a type of magic whose emphasis is on earthly magic, such as natural magic and herbal magic. The witch in all her forms lives in these practices, living on the fringe of society and acting as healer and destroyer. Often associated with women, witchcraft can be practiced by men as well. But never fear; this book will help you dismantle myths misconceptions and build a solid foundation of understanding. In this book, we'll go over the history and origins of the Wiccan religion, the basics of the Wiccan pantheon of deities and their worship rituals, the dynamics of magic in the natural world, the nuances of spell casting, and more. Spend some time exploring your goals and dreams and begin to make a list of spells you would like to try.
