Katherine Tegen Books  
Includes a statistical issue  
(title varies slightly) 1947-  
*A Mystery*  
New York Times  
bestselling author  
Maureen Johnson weaves  
a delicate tale of murder  
and mystery in the first  
book of a striking new  
series, perfect for fans of  
Agatha Christie and E.  
Lockhart. Ellingham  
Academy is a famous  
private school in Vermont

for the brightest thinkers,  
inventors, and artists. It  
was founded by Albert  
Ellingham, an early  
twentieth century tycoon,  
who wanted to make a  
wonderful place full of  
riddles, twisting  
pathways, and gardens.  
“A place,” he said, “where  
learning is a game.”  
Shortly after the school  
opened, his wife and  
daughter were kidnapped.  
The only real clue was a  
mocking riddle listing  
methods of murder,  
signed with the  
frightening pseudonym  
“Truly, Devious.” It  
became one of the great  
unsolved crimes of  
American history. True-  
crime aficionado Stevie  
Bell is set to begin her  
first year at Ellingham  
Academy, and she has an  
ambitious plan: She will

solve this cold case. That  
is, she will solve the case  
when she gets a grip on  
her demanding new  
school life and her  
housemates: the inventor,  
the novelist, the actor, the  
artist, and the jokester.  
But something strange is  
happening. Truly Devious  
makes a surprise return,  
and death revisits  
Ellingham Academy. The  
past has crawled out of its  
grave. Someone has  
gotten away with murder.  
The two interwoven  
mysteries of this first  
book in the Truly Devious  
series dovetail brilliantly,  
and Stevie Bell will  
continue her relentless  
quest for the murderers in  
books two and three.
