BYRON RANDALL

All Music Guide Centerstream Publications

Doug Sahm was a singer, songwriter, and guitarist of legendary range and reputation. The first American musician to capitalize on the 1960s British invasion, Sahm vaulted to international fame leading a faux-British band called the Sir Douglas Quintet, whose hits included "She's About a Mover," "The Rains Came," and "Mendocino." He made the cover of Rolling Stone magazine in 1968 and 1971 and performed with the Grateful Dead, Dr. John, Willie Nelson, Boz Scaggs, and Bob Dylan. Texas Tornado is the first biography of this national music legend. Jan Reid traces the

whole arc of Sahm's incredibly versatile musical career, as well as the manic energy that drove his sometimes turbulent personal life and loves. Reid follows Sahm from his youth in San Antonio as a prodigy steel guitar player through his breakout success with the Sir Douglas Quintet and his move to California, where, with an inventive take on blues, rock, country, and jazz, he became a star in San Francisco and invented the "cosmic cowboy" vogue. Reid also chronicles Sahm's later return to Texas and to chart success with the Grammy Award-winning Texas Tornados, a rowdy "conjunto rock and roll band" that he modeled on the Beatles and which included Sir Douglas alum Augie Meyers and Tejano icons Freddy Fender and Flaco Jimenez. With his exceptional talent and a career that bridged five decades, Doug Sahm was a rock and roll innovator whose influence can only be

matched among his fellow Texas musicians by Buddy Holly, Roy Orbison, Janis Joplin, and Stevie Ray Vaughan. Texas Tornado vividly captures the energy and intensity of this musician whose life burned out too soon, but whose music continues to rock.

Ultimate Heavy Metal Guitars Viking Adult

The first full-length authoritative Encyclopedia on the Blues as a musical form. A to Z in format, this work covers not only the performers, but also musical styles, regions, record labels and cultural aspects of the blues.

Blues Mel Bay Publications

The inspiration for the *Play It Loud* exhibition at the Metropolitan Museum of Art "Every guitar player will want to read this book twice. And even the casual music fan will find a thrilling narrative that weaves together cultural history, musical history, race, politics, business case studies, advertising, and technological discovery." —Daniel Levitin, *Wall Street Journal* For generations the electric guitar has been an international symbol of freedom, danger, rebellion, and hedonism. In *Play It Loud*, veteran music journalists Brad Tolinski and Alan di Perna bring the history of this iconic instrument to roaring life. It's a story of inventors and iconoclasts, of scam artists, prodigies, and mythologizers as varied and original as the instruments they spawned. *Play It Loud* uses twelve landmark guitars—each of them artistic milestones in their own right—to illustrate the conflict and passion the

instruments have inspired. It introduces Leo Fender, a man who couldn't play a note but whose innovations helped transform the guitar into the explosive sound machine it is today. Some of the most significant social movements of the twentieth century are indebted to the guitar: It was an essential element in the fight for racial equality in the entertainment industry; a mirror to the rise of the teenager as social force; a linchpin of punk's sound and ethos. And today the guitar has come full circle, with contemporary titans such as Jack White of *The White Stripes*, Annie Clark (aka *St. Vincent*), and Dan Auerbach of *The Black Keys* bringing some of the earliest electric guitar forms back to the limelight. Featuring interviews with Les Paul, Keith Richards, Carlos Santana, Eddie Van Halen, Steve Vai, and dozens more players and creators, *Play It Loud* is the story of how a band of innovators transformed an idea into a revolution.

Billboard HarperCollins

This book explores the relationships between rock and roll, social protest, and authenticity to consider how rock and roll could function as social protest music. The author begins by discussing the nature and origins of rock and roll and the nature of social protest and social protest music within the wider context of the evolution of the commercial music industry and the social and technological infrastructure developed for the mass dissemination of popular music. This discussion is followed by an examination of the causes of the public disapproval originally expressed toward rock and roll, and how they illuminate its social protest and subversive quality. By further investigating the nature of authenticity and its relationship to social protest and to commercialization, the author considers how social protest and

commercialization are antithetical. This conclusion, if correct, has broad implications for human culture in advanced industrial society.

The Penguin Guide to Blues Recordings Stefan Grossman's Guitar Works

A history of the Blues genre and its celebrated musicians discusses how African-Americans expressed poverty, injustice, faith, and love in their music as they journeyed from southern plantations to northern cities.

Goin' Back to Memphis Oak Publications

Ultralearning Anchor

From its roots in the American South to today's world stage, the journey of the blues has encompassed countless artists and recordings. But how can you find the best of them? The Penguin Guide to Blues Recordings is a uniquely informative, insightful and easy-to-use guide through the jungles of the record shop and the online music store. It surveys the recorded work of more than a thousand blues artists, from towering figures of the past like Charley Patton, Bessie Smith and Robert Johnson to stars of the modern era such as B.B. King, Buddy Guy and Stevie Ray

Vaughan, providing crisp, expert and witty reviews of almost six thousand CDs. Whether you're a blues aficionado or just starting a collection, this is required reading.

Bill Wyman's [blues Odyssey] Hal Leonard Corporation

The Language of the Blues explores the origins and meanings of the language of the blues - ranging in alphabetical order from words that have infiltrated the American mind, like *mojo* and *boogie*, to more obscure terms like *woofin* (verbal boasting) and *mootie* (marijuana), which have resurfaced in today's hip hop hits. Accompanying blues terms and their definitions are lively and informative profiles of many of the blues' most legendary artists, including Robert Johnson, Bessie Smith, Sonny Boy Williamson, Willie Dixon, and Bonnie Raitt. Occasionally raunchy and often surprising, this book is sure to be both informative and wildly entertaining to jazz and blues aficionados worldwide.

Rock and Roll, Social Protest, and Authenticity Routledge

A comprehensive instruction guide to blues slide guitar styles. Contains over 25 accurate transcriptions of authentic bottleneck blues tunes by such masters as Son House, Robert Johnson, Charlie Patton and many more.

Living Blues Hal Leonard Corporation

Rob MacKillop presents 20 wonderful fingerstyle blues arrangements and compositions in DADGAD tuning. The styles covered in this book include country blues, boogie woogie left-hand piano blues, early jazz blues, gut-bucket blues and modal blues. Great traditional songs are included such as St. James Infirmary Blues, St. Louis Blues, C. C. Rider and more, alongside 15 full-length studies. The book begins with easy arrangements, progressing to intermediate and more advanced ones - in short,

these blues studies will improve your technique through playable 12-bar tunes. A wide array of chord and scale fingerings are also provided, including pentatonic minor and major scales, blues scales, diminished arpeggios and scales, 7th chords, whole-tone

scales and the super Locrian mode and much more! All the tunes presented have accompanying audio recorded by Rob MacKillop and are available to download
