The Death of an Heir is Philip Jett's chilling true account of the Coors family's gilded American dream that turned into a nightmare when a meticulously plotted kidnapping went horribly wrong. In the 1950s and 60s, the Coors dynasty reigned over Golden, Colorado, seemingly invincible. When rumblings about labor unions threatened to destabilize the family's brewery, Adolph Coors, Jr., the septuagenarian president of the company, drew a hard line, refusing to budge. They had worked hard for what they had, and no one had a right to take it from them. What they'd soon realize was that they had more to lose than they could have imagined. On the morning of Tuesday, February 9, 1960, Adolph "Ad" Coors III, the 44-year-old CEO of the multimillion dollar Colorado beer empire, stepped into his car and headed for the brewery twelve miles away. At a bridge he stopped to help a man in a yellow Mercury sedan. On the back seat lay handcuffs and leg irons. The glove box held a ransom note ready to be mailed. His coat pocket shielded a loaded pistol. What happened next set off the largest U.S. manhunt since the Lindbergh kidnapping. State and local authorities, along with the FBI personally spearheaded by its director J. Edgar Hoover, burst into action attempting to locate Ad and his kidnapper. The dragnet spanned a

continent. All the while, Ad's grief-stricken wife and children waited, tormented by the unrelenting silence. The Death of an Heir reveals the true story behind the tragic murder of Colorado's favorite son.

"A mighty portrait of poverty amid cruelty and optimism."—Kirkus (starred review) Free Lunch is the story of Rex Ogle's first semester in sixth grade. Rex and his baby brother often went hungry, wore secondhand clothes, and were short of school supplies, and Rex was on his school's free lunch program. Grounded in the immediacy of physical hunger and the humiliation of having to announce it every day in the school lunch line, Rex's is a compelling story of a more profound hunger—that of a child for his parents' love and care.

Compulsively readable, beautifully crafted, and authentically told with the voice and point of view of a 6th-grade kid, Free Lunch is a remarkable debut by a gifted storyteller.

The New York Times bestselling coauthor of the “creepy-crawly tale” (The New York Times Book Review) *An Anonymous Girl* and *The Wife Between Us* questions just how well we really know our neighbors in this “deliciously fun beach read” (People) about an idyllic neighborhood whose sublime façade hides shocking secrets. Newport Cove, where spontaneous block parties occur on summer nights and all of the streets are named for flowers, is proud of being one of the safest neighborhoods in America. It’s also one of the most secret-filled. After a decade as a stay-at-home mom, Kellie Scott is back to work in an office. She’s adjusting to high heels, scrambling to cook dinner for her family, and—following years of feeling invisible—soaking in the dangerous attention of a handsome colleague. Kellie’s neighbor Susan Barrett begins every day with fresh resolutions: She won’t eat any carbs, she’ll go to bed at a reasonable hour, and she’ll stop stalking her ex-husband and his new girlfriend. Gigi Kennedy’s husband is running for political office, which means her old skeletons, ones she wants to keep hidden at any cost, are in danger of being dragged into the light. Then a new family moves into this peaceful cul-de-sac. Tessa Campbell seems pleasant enough, if a bit quiet. But soon it becomes clear that Tessa is hiding the

most explosive secret of all—one with deadly consequences. Written in Sarah Pekkanen’s signature “gripping” (People) style, *The Perfect Neighbors* “transforms clichéd suburban troubles—from adolescent drama to infidelity—into a compelling, suspenseful tale” (Kirkus Reviews).

Despite this, a small part of him wonders if there's more to life than parties and meaningless hookups—and if football even means as much to him as it does to his fellow teammates. And when he meets the new girl at school, his world totally changes... Aurora McClay is new to Lawton. She's grateful that her twin brother, Hunter, is the star of the football team and can help her adjust to her new school, but she's not grateful at how overprotective he is over every person she meets. Just because she's deaf does not mean people have to treat her differently. When she meets Ryker Lee, the two of them spark an instant and intense chemistry, one that proves to be controversial not only because of Ryker's reputation as a player, but also because of Aurora and Hunter's father's bigoted views about who Aurora can and can't date. Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her?

A juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime *Sports Illustrated* writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and discipline, leading Tiger Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer

on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddie, Jim "Bones" Mackay; to the secretive backstory of the Saudi golf league that Mickelson championed to wield as leverage against the PGA Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

When She Flew Hodder & Stoughton
The companion to Rex Ogle's award-winning *Free Lunch* is a searing account of adolescence in a household torn by domestic violence. *Punching Bag* is the compelling true story of a high school career defined by poverty and punctuated by outbreaks of domestic abuse. Rex Ogle, who brilliantly mapped his experience of hunger in *Free Lunch*, here describes his struggle to survive; reflects on his complex, often paradoxical relationship with his passionate, fierce mother; and charts the trajectory of his stepdad's anger. Hovering over Rex's story is the talismanic presence of his unborn baby sister. Through it all, Rex threads moments of grace and humor that act as beacons of light in the darkness. Compulsively readable, beautifully crafted, and authentically told, *Punching Bag* is a remarkable memoir about one teenager's cycle of violence, blame, and

attempts to forgive his parents—and himself.

But when she arrives to gorgeous Santorini, things are a little...awkward. There are so many questions, so many emotions that flood to the surface after seeing her father for the first time in years. And that means diving into all that Santorini has to offer—the beautiful sunsets, the turquoise water, the hidden caves, and the delicious cuisine. But not everything on the Greek island is as perfect as it seems.
