How to Buy and Operate a Barge on the Rivers and Canals of Continental Europe Maggie for Hire

This richly orchestrated novel, which won a national literary prize in the author's native land, Venezuela, also earned international recognition when the William Faulkner Foundation gave it an award as the most notable novel published in Ibero America between 1945 and 1962. Cumboto's disturbing story unfolds during the early decades of the twentieth century on a Venezuelan coconut plantation, in a turbulent Faulknerian double world of black and white. It records the lives of Don Federico, the effete survivor of a once vigorous family of landowners, and his Negro servant Natividad, who since the days of their mutual childhood has been his only friend. Young Federico, psychologically impotent and lost to human contact, lives on as a lonely recluse in the century-old main house of "Cumboto," surrounded by descendants of African slaves who still manage, despite his apathy, to keep the plantation on its feet. Natividad's heroic and selfless struggle to redeem his friend by awakening him to the stirrings of the earth and life about him sets in motion a series of events that are to shatter Federico's childlike world: a headlong love affair with a voluptuous black girl, her terrified flight in the face of the bitter condemnation of her own people, and the unexpected appearance, twenty years later, of their extraordinary son. Throughout the novel runs a recurring theme: neither race can survive without the other. Black and white, Díaz Sánchezz suggests, embody contrasting aspects of human nature, which are not inimical but complementary: the languid intellectualism of European culture must be tempered with the indestructible vitality and intuition of the African soul if humanity is ever fully to comprehend the living essence of the world.

Mind Maps at Work OUP India

Find a Penny pick it up and all day long you'll have good luck...except, of course, if that Penny is charming and pretty and funny, and the person picking her up just happens to be your boyfriend. Alice McKinley's freshman year is not as "lucky" as she was hoping it would be. But she's is trying to look on the bright side. There are worse things than being single for a semester... for a school year...for the whole summer.... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. Single is starting to feel a whole lot like solo.

An unforgettable tour of the human condition that explores our universal need for belief to help us make sense of life, death, and everything in between.

The Edge of Never John Wiley & Sons

NEW COVER MATURE CONTENT. NOT FOR READERS UNDER 17. The Demon... I've been fighting my own demons for most of my life. The alcohol seems to numb the pain, but it never makes the nightmares go away. All I want in life is a little peace. When I met my angel it felt like I found it, but there is so much standing between us. Why does she have to be so young...? The Demon's Angel... Meeting Drake was the best thing to ever happen to me. I found my friend, my soul mate. But he lets my age stand between us. There is something that haunts him, and I selfishly want to be the one that helps him conquer his ghosts. If he would just let me in, let me closer, I think I could help him...Show more Show less

"Don't miss this." -TEEN PEOPLE Mara Valentine is in control. She's a straight-A senior, a vegan, and her parents' pride and joy. She's neck-and-neck with her womanizing ex-boyfriend for number-one class ranking and plans to kick his salutatorian butt on her way out the door to Yale. Mara has her remaining months in Brockport all planned out, but the plan does not include having V, her slutty, pot-smoking, sixteen-year-old niece - yes, niece - come to live with her family. Nor does it involve lusting after her boss or dreaming about grilled cheese sandwiches every night. What does a control freak like Mara do when things start spinning wildly out of control? With insight, authenticity, and a healthy dose of humor, Carolyn Mackler creates an evolving Type A heroine that every reader will recognize - and root for.

The School for Good Mothers A&C Black

Through different theoretical references and concrete studies, Goertz illustrates the fruitfulness of the contextual approach to international politics.

A detailed understanding of anatomy and physiology is needed to code ICD-10 appropriately. This illustrated resource reviews all body systems while providing information on how ICD-10 is used to identify the appropriate diagnostic or procedural code. Chapters contain quizzes to test your understanding.

Second Chance at Love Capstone Press

When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. WARNING: This book contains cussing, brawling, and unladylike behavior. Proceed with caution.

The Ammonia Refrigeration Piping Handbook has been hailed as one of the best publications ever produced by IIAR. IIAR's Ammonia Refrigeration Piping Handbook is the ultimate guide to modern ammonia refrigeration piping as well as a comprehensive introduction to piping design and installation as it is practiced in the field. Analyzing risk through standardization enhances an ammonia refrigeration facilities ability to create an environment of safety.

Crafty Family Ideas Atheneum Books for Young Readers

Named a Most Anticipated Book of the Year by Time, Entertainment Weekly, Vogue, Good Housekeeping, Oprah Daily, Glamour, USA TODAY, Parade, Bustle, San Francisco Chronicle, The Seattle Times, The Boston Globe, Tampa Bay Times, BuzzFeed, Vulture, and many more! From one of the most celebrated writers of our time, a literary figure with cult status, a "sibling novel" to her Pulitzer Prize- and NBCC Award-winning *A Visit from the Goon Squad*—an electrifying, deeply

moving novel about the quest for authenticity and meaning in a world where memories and identities are no longer private. The Candy House opens with the staggeringly brilliant Bix Bouton, whose company, Mandala, is so successful that he is “one of those tech demi-gods with whom we’re all on a first name basis.” Bix is 40, with four kids, restless, desperate for a new idea, when he stumbles into a conversation group, mostly Columbia professors, one of whom is experimenting with downloading or “externalizing” memory. It’s 2010. Within a decade, Bix’s new technology, “Own Your Unconscious”—that allows you access to every memory you’ve ever had, and to share every memory in exchange for access to the memories of others—has seduced multitudes. But not everyone. In spellbinding interlocking narratives, Egan spins out the consequences of Own Your Unconscious through the lives of multiple characters whose paths intersect over several decades. Intellectually dazzling, The Candy House is also extraordinarily moving, a testament to the tenacity and transcendence of human longing for real connection, love, family, privacy and redemption. In the world of Egan’s spectacular imagination, there are “counters” who track and exploit desires and there are “eluders,” those who understand the price of taking a bite of the Candy House. Egan introduces these characters in an astonishing array of narrative styles—from omniscient to first person plural to a duet of voices, an epistolary chapter and a chapter of tweets. If Goon Squad was organized like a concept album, The Candy House incorporates Electronic Dance Music’s more disjunctive approach. The parts are titled: Build, Break, Drop. With an emphasis on gaming, portals, and alternate worlds, its structure also suggests the experience of moving among dimensions in a role-playing game. The Candy House is a bold, brilliant imagining of a world that is moments away. Egan takes to stunning new heights her “deeply intuitive forays into the darker aspects of our technology-driven, image-saturated culture” (Vogue). The Candy House delivers an absolutely extraordinary combination of fierce, exhilarating intelligence and heart.

Leadership for a Better World Cambridge University Press

All Things Fun & Fascinating is the perfect tool to help teachers and parents of 3rd-5th graders teach writing with a clear, simple, step-by-step method using subjects that will fascinate young students. A History of Art Createspace Independent Pub

Smart, sexy and spirited, Brooke Cates is the type of woman every man dreams of. But Brooke has already found the man of her dreams - tall, dark and ruggedly handsome cowboy Logan. Once young and in love, they never imagined that a devastating betrayal would lead them down different paths. Now, when tragedy strikes, Brooke must return to her hometown of Angel Ridge, Montana. Once there, she is forced to deal with old hurts when Logan tries to make her remember the past she has chosen to forget. Logan MacKenna can have any woman he wants, but his heart has been reserved for Brooke since they shared their very first kiss. Time and distance have done nothing to change that. When chance random encounters abound, it's as if fate is pushing them together, and Brooke decides that she doesn't want to fight the undeniable sexual attraction that exists between them. When it's played its course, she will simply go back to her life. But Logan has no intention of letting her walk away from him a second time. Will Brooke be able to put her fears aside and trust in Logan enough to give him back her heart? And if they succeed in rekindling their love, can their new relationship withstand the force of Brooke's longkept secret, one that could tear them apart for good this time?

City Stages

"Set in near-future America, [this novel] introduces readers to a government-run reform program where bad mothers are retrained using robot doll children with artificial intelligence. Protagonist Frida Liu, a 39-year-old Chinese-American single mother in Philadelphia, loses custody of her 18-month-old daughter Harriet after she leaves Harriet home alone for two hours on one very bad day. To regain custody, Frida must spend a year at [the] newly-created institution, where she practices parenting with bad mothers from all over the county. There, she learns to love an uncannily life-like toddler girl doll in order to demonstrate her maternal instincts and prove to her family court judge that she deserves a second chance"--
