A Very, Very

Bad Thing

Knopf Books

for Young

Readers

David Piper

has always

been an

outsider. His

parents think

he's gay. The

school bully

thinks he's a

freak. Only his

two best

friends know

the real truth:

David wants

to be a girl.

On the first

day at his new

school Leo

Denton has

one goal: to

be invisible.

Attracting the

attention of

the most

beautiful girl

in his class is

definitely not

part of that

plan. When

Leo stands up

for David in a

fight, an

unlikely

friendship

forms. But

things are

about to get

messy.

Because at

Eden Park School secrets have a funny habit of not staying secret for long, and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as

transgender teens as well as the courage to decide for themselves what normal really means. Houghton Mifflin Harcourt A poignant and funny memoir that explores growing up in a Fundamentalist Christian family while questioning one's faith, identity, and place in the world. Sometimes salvation is found in the strangest places: a true story. Aaron Hartzler grew

up in a home where he was taught that at any moment the Rapture could happen. That Jesus might come down in the twinkling of an eye and scoop Aaron and his family up to heaven. As a kid, Aaron was thrilled by the idea that every moment of every day might be his last one on planet Earth. But as Aaron turns sixteen, he finds himself more attached to his earthly life and curious about all the things his family

forsakes for the Lord. He begins to realize he doesn't want the Rapture to happen just yet--not before he sees his first movie, stars in the school play, or has his first kiss. Eventually Aaron makes the plunge from conflicted do-gooder to full-fledged teen rebel. Whether he's sneaking out, making out, or playing hymns with a hangover, Aaron learns a few lessons that can't be found in the

Bible. He discovers that the best friends aren't always the ones your mom and dad approve of, and the tricky part about believing is that no one can do it for you. In this funny and heartfelt coming-of-age memoir, debut author Aaron Hartzler recalls his teenage journey to find the person he is without losing the family that loves him. It's a story about losing your faith and finding your

place and your own truth--which is always stranger than fiction.

Scholastic Inc. If you asked anyone in his small Vermont town, they'd tell you the facts: James Liddell, star athlete, decent student, and sort-of boyfriend to cute, peppy Theresa, is a happy, funny, carefree guy. But whenever James sits down at his desk to write, he tells a different story. As he fills his

drawers with letters to the people in his world—letters he never intends to send—he spills the truth: he’s trying hard, but he just isn’t into Theresa. It’s his friend, a boy, who lingers in his thoughts. James’s secret letters are his safe space—but his truth can’t stay hidden for long. Will he come clean to his parents, his teammates, and himself, or is he destined to live a life of

fiction? This heartfelt debut novel explores the muddy landscape of truth and lies and lays bare the sometimes painful but often hopeful work of writing one’s own authentic story.

We Are the Perfect Girl

Farrar, Straus and Giroux (BYR)
Aristotle and Dante Discover the Secrets of the Universe meets I’ll Give You the Sun in an exhilarating and emotional novel about

the growing relationship between two teenage boys, told through the letters they write to one another. Jonathan Hopkirk and Adam "Kurl" Kurlansky are partnered in English class, writing letters to one another in a weekly pen pal assignment. With each letter, the two begin to develop a friendship that eventually grows into love. But with homophobia, bullying, and devastating family secrets, Jonathan and

Kurl struggle to overcome their conflicts and hold onto their relationship... and each other. This rare and special novel celebrates love and life with engaging characters and stunning language, making it perfect for fans of Jandy Nelson, Nina LaCour, and David Levithan. *One Man Guy* Penguin A bold, groundbreaking novel about coming out, coming into your own, and coming apart.

Been Here All Along Little, Brown Books for Young Readers Ryan Dean West is back to his boarding school antics in this “brave [and] wickedly funny” (Kirkus Reviews, starred review) sequel to *Winger*. It’s his last year at Pine Mountain, and Ryan Dean should be focused on his future, but instead, he’s haunted by his past. His rugby coach expects him to fill the roles once played by his lost friend, Joey, as

the rugby team’s stand-off and new captain. And somehow he’s stuck rooming with twelve-year-old freshman Sam Abernathy, a cooking whiz with extreme claustrophobia and a serious crush on Annie Altman—aka Ryan Dean’s girlfriend, for now, anyway. Equally distressing, Ryan Dean’s doodles and drawings don’t offer the relief they used to. He’s convinced N.A.T.E. (the Next Accidental

Terrible Experience) is lurking around every corner—and then he runs into Joey’s younger brother Nico, who makes Ryan Dean feel paranoid that he’s avoiding him. Will Ryan Dean ever regain his sanity? From the author of *100 Sideways Miles*, which Kirkus Reviews called “a wickedly witty and offbeat novel,” *Stand-Off* is filled with hand-drawn infographics and illustrations

and delivers the same spot-on teen voice and relatable narrative that legions of readers connected with in *Winger*. *The Angel of the Crows* Simon and Schuster Tired of being known as “the gay kid”, Rafe Goldberg decides to assume a new persona when he comes east and enters an elite Massachusetts prep school--but trying to deny his identity has both complications

and unexpected consequences .
Dr. Bird's Advice for Sad Poets Arthur a Levine In this terrifying and provocative novel by the bestselling and award-winning author of *Deadline* and *Staying Fat* for Sarah Byrnes, a teenage boy tries to uncover what happened to a girl who has vanished from his high school. Was she abducted, or did she run for her life? Paul "The Bomb" Baum

tells the truth. No matter what. It was something he learned at Sunday school. But telling the truth can cause problems, and not just minor ones. And as Paulie discovers, finding the truth can be even more problematic. Period 8 is supposed to be that one period in high school where the truth can shine, a safe haven. Only what Paulie and Hannah (his ex-girlfriend, unfortunately)

and his other classmates don't know is that the ultimate liar is in their midst. Terrifying, thought-provoking, and original, this novel combines all the qualities of a great psychological thriller with the controversy, ethics, athletics, humor, and raw emotion of a classic Crutcher story.

Period 8
Scholastic Inc. The fun and fantasy continue with bestselling and award-

winning author M. T. Anderson. You haven't seen strange until you've seen what Brian and Gregory are up against.... Something incredibly strange is happening. It's not The Game of Sunken Places-Brian and Gregory have been through that before. But still...strange creatures have begun to chase after them. And Gregory's adventurous cousin Prudence has disappeared. When Brian

and Gregory go to the Vermont woods to track down Prudence, they find many things are...off. People are not where they're supposed to be. Time has stopped working properly.

Openly Straight Scholastic Inc. A funny, honest novel about being out, being proud... and being ready for something else.

Playing a Part Simon and Schuster New York Times

bestselling author Cinda Williams Chima presents the second installment in a thrilling new fantasy series, in which the lives of Han Alister and the brave Princess Raisa collide in a magical and dangerous adventure. Haunted by the loss of his mother and sister, Han Alister journeys south to begin his schooling at Mystwerk House in Oden's Ford. But leaving the Fells doesn't mean

that danger isn't far behind. Han is hunted every step of the way by the Bayars, a powerful wizarding family set on reclaiming the amulet Han stole from them. And Mystwerk House has dangers of its own. There, Han meets Crow, a mysterious wizard who agrees to tutor Han in the darker parts of sorcery—but the bargain they make is one Han may regret. Meanwhile,

Princess Raisa ana'Marianna runs from a forced marriage in the Fells, accompanied by her friend Amon and his triple of cadets. Now, the safest place for Raisa is Wein House, the military academy at Oden's Ford. If Raisa can pass as a regular student, Wein House will offer both sanctuary and the education Raisa needs to succeed as the next Gray Wolf queen. Everything changes when Han and Raisa's paths

cross, in this epic tale of uncertain friendships, cut-throat politics, and the irresistible power of attraction. [A True Story About Growing Up Gay in an Evangelical Family](#) Arthur A. Levine Books The Nightmare Affair is the first in a gripping new urban fantasy trilogy by Mindee Arnett. Sixteen-year-old Dusty Everhart breaks into houses late at night, but not because she's a criminal. No,

she's a Nightmare. Literally. Being the only Nightmare at Arkwell Academy, a boarding school for magickind, and living in the shadow of her mother's infamy, is hard enough. But when Dusty sneaks into Eli Booker's house, things get a whole lot more complicated. He's hot, which means sitting on his chest and invading his dreams couldn't get much more embarrassing.

But it does. Eli is dreaming of a murder. Then Eli's dream comes true. Now Dusty has to follow the clues—both within Eli's dreams and out of them—to stop the killer before more people turn up dead. And before the killer learns what she's up to and marks her as the next target. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The Complete

Burn for Burn Trilogy Sourcebooks, Inc. It's Dade's last summer at home, and things are pretty hopeless. He has a crappy job, a "boyfriend" who treats him like dirt, and his parents' marriage is falling apart. So when he meets and falls in love with the mysterious Alex Kincaid, Dade feels like he's finally experiencing true happiness. But when a tragedy

shatters the final days of summer, he realizes he must face his future and learn how to move forward from his past. **Let's Talk about It** Scholastic Inc. about a teen's struggle when academic success and happiness pull him in opposite directions. Senior Ariel Stone has spent his life cultivating the perfect college résumé: first chair violinist, dedicated volunteer, active synagogue congregant, and expected valedictorian. He barely has time to think about a social life, let alone a relationship... until a failed calculus quiz puts his future on the line,

forcing Ariel to enlist his classmate, Amir, as a tutor. As the two spend more time together, Ariel discovers he may not like calculus, but he does like Amir. When he's with Amir, the crushing academic pressure fades away, and a fuller and brighter world comes into focus. But college deadlines are still looming. And adding a new relationship to his long list of commitments may just push

Ariel past his limit. Full of empathy, honesty, and heart, *You Asked for Perfect* is a story for anyone who has ever questioned the price of perfection. Praise for *You Asked for Perfect*: "Silverman's novel hit me straight in the heart... It was powerful enough to make me want to be a better—yet still imperfect—person." —Bill Konigsberg, author of *The Music of What Happens* "A

coming-of-age novel that will charm readers with its relatable and diverse characters, quirky storyline, and interweaving of faith, queerness, and the everyday lives of seniors navigating the pressures of college applications, grades, and relationships. Heartwarming and engaging." —Kirkus
