The Stranger She Married

Kensington Books

I'm Rivanah Bannerjee, 23/F/Mumbai. Some of you might already know how my life is on a razor edge. Those of you who don't, just know this: I may be killed soon . . . by the Stranger. I don't know who or what he is: a ghost, a person or a

figment of my imagination? All I know is he isn't just one thing: he is sexy and scary, terrific and terrifying. What I don't understand is why a young, harmless girl like me, who works in a big city, stays away from her parents and has a screwed-up love life, would be of any interest to him. Unless there is something about my own story that I do not know . . . In the hotly anticipated final instalment of the

Stranger trilogy, Rivanah will learn the answers to her many questions—What is it that binds her to the dead Hiya? Who is the Stranger? Why has he been following her all this while?—leading to an intense, breathtaking climax.

Romance is one of the highest circulating genres in libraries today, but

many popular titles are published in paperback. Five Star publishes a line of quality Romances by bestselling authors in our durable library-bound hardcover -- guaranteed to stand up to the demands placed on a high-circulation library book -- at prices that make sense for your collection. Because hardcovers haven't been available, many libraries don't even have a Romance Section. Five Star Romances will give this huge readership their place on the shelves, and

take librarians out of the business of repairing and replacing paperbacks. When Brand wakes up in bed beside a beautiful young woman he doesn't know, he is devastated by guilt. Isabella whispers marry me stranger and Brand has no reason to refuse her, since the only woman he has ever loved is dead. Married life is difficult enough, but when the husband and wife are strangers, difficult becomes impossible! At first it seems that Brand and Isabella will make

their marriage -- based on one passion-filled night -- work. Until, that is, Brand's guilt and Isabella's secret drive them apart...

Tattoos and Temptation
Book 1 Mk Books

From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met

fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet,

somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late,

and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M
A Love Story Del Rey
For those of you who don't know me yet, I'm

Rivanah Bannerjee, a Kolkatan trying to find her footing in Mumbai. Even though I'm currently in a relationship with a great guy, I can't help but miss my ex-boyfriend despite knowing that he cheated on me. But that's the least of my worries. The stranger has gone missing since the police tried to nab him unsuccessfully. Where is he? What does he want from me? Why did he come into my life in the first place? Will he ever contact me again? These and many more questions continue to

torment me every day. I'm desperate for the stranger to come back to me, knowing full well that he may destroy me forever. But then that's the sexiest thing I have ever known about someone. With every revelation, it seems the truth is far more twisted than Rivanah can imagine. Wickedly plotted, *All Yours, Stranger*—Novoneel Chakraborty's gripping follow-up to his hugely popular *Marry Me, Stranger*—will keep you on the edge of your seat

until the last page. This is Book Two of the *Stranger Trilogy*

Prospect Park Books
As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that

has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due

to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact

will Ruben's choices have on his life?

For Wesley Alter, the idea of proposing marriage is simple: buy a ring, bouquet some flowers, say something romantic and sweet and unforgettable and blah blah blah before lowering to a knee and reciting six magical words-Will you marry me, Brittany Rose? However, for Wesley Alter, this simple idea becomes complicated when Brittany says she'll only agree, say yes to an engagement, a wedding, a forever together if his proposal is... perfect.

Thus, for Wesley Alter, the idea of proposing marriage becomes an unexpected endeavor, one with high stakes, one with immense pressure, and one contrary to the simple, the black and white, the A-B-C easy act of love he thought proposing marriage was all about. A playful, yet poignant love story, *Will You Marry Me, Brittany Rose?* is about two people seeking what it means to be someone's perfect, struggling with inhabiting that perfect, and learning to love and lose while

discovering something within that loss to make life worth living and love worth forever pursuing.

Simon and Schuster "Meeting someone and marrying them are two vastly different things," I said to him quietly, crossing my arms, "What exactly is your plan?" "I'm planning to get married. To you!" He said, looking straight into my eyes. "That was selective hearing on your part, sir." I said, "I won't marry

you." His jaw gritted so hard I thought his teeth might shatter. His voice came out in a growl. "Why are you trying so hard not to like me? It's a pretty good deal." "It's a crappy deal wrapped up in stupidity. I would rather have all my teeth pulled out using pliers without anesthesia than marry a stranger," I replied. "There is no going back, Ms. Iyengar. The sooner you accept it's better for everyone," He snapped back, his voice cutting. "What part of 'no' don't you understand? The 'n'

or the 'o'? I don't want to marry you," I shouted. "You will accept. You will say 'Yes' to this marriage." He enunciated each word slowly as if he was biting them off with his teeth.
