A Geek in Japan (9784805313916) - Tuttle Publishing The word geek is a slang term originally used to describe eccentric or non-mainstream people; in current use, the word typically connotes an expert or enthusiast obsessed with a hobby or intellectual pursuit, with a general pejorative meaning of a "peculiar person, especially one who is perceived to be overly intellectual, unfashionable, boring, or socially awkward". Geek - Wikipedia An onsen 温泉 (Hot-spring) dedicated business, a hotel or a ryokan are most of the times managing the baths. But if you go to remote areas, sometimes you can find baths in the wild where you can just get naked and soak in warm water for free. Bathing in onsen waters is one of my favorite things to do in Japan, especially after a nice hike.
