Reading textbook series,  
organized by thematic  
units, utilizes award-  
winning, unabridged trade  
book literature to teach  
reading and language arts  
competency to students,  
grades K-6.

*Economics* EduGorilla  
Community Pvt. Ltd.  
There are three things  
that every teacher must  
do: mark work, plan  
lessons and teach  
students well. This brand  
new book from Ross  
Morrison McGill,  
bestselling author of 100  
Ideas for Secondary  
Teachers: Outstanding  
Lessons and Teacher  
Toolkit, is packed full of  
practical ideas that will  
help teachers refine the  
key elements of their  
profession. Mark. Plan.  
Teach. shows how each  
stage of the teaching  
process informs the next,  
building a cyclical  
framework that underpins  
everything that teachers  
do. With teachers'  
workload at record levels  
and teacher recruitment  
and retention the number  
one issue in education,  
ideas that really work and

will help teachers not only  
survive but thrive in the  
classroom are in demand.  
Every idea in Mark. Plan.  
Teach. can be  
implemented by all  
primary and secondary  
teachers at any stage of  
their career and will  
genuinely improve  
practice. The ideas have  
been tried and tested and  
are supported by  
evidence that explains  
why they work, including  
current educational  
research and  
psychological insights  
from Dr Tim O'Brien,  
leading psychologist and  
Visiting Fellow at UCL  
Institute of Education.  
Mark. Plan. Teach. will  
enable all teachers to  
maximise the impact of  
their teaching and, in  
doing so, save time,  
reduce workload and take  
back control of the  
classroom.

This debut edition of Visualizing Elementary Social Studies offers students a unique way to explore issues and ideas about how to teach social studies using text, pictures, and graphics brought together in a stimulating and thoughtful design. In this book, content and pedagogy are blended to take advantage of the rich visual context that National Geographic images provide. Students who use this book will explore central teacher education topics in elementary social studies along with concepts and ideas from social studies disciplines including history, geography, political science, economics and behavioral sciences. Visualizing Elementary Social Studies is infused with explorations of how to teach in subject matter contexts given the democratic purposes of social studies. This Wiley Visualizing title is a unique book that combines Wiley's expertise in creating top quality textbooks with rich visual resources such as photographs, maps, illustrations, diagrammatic art, and videos, and the content

and teaching expertise of new and current authors and unique partnerships. Visualizing Elementary Social Studies relies heavily on the integration of these visuals with text to elucidate concepts for students and solidify their understanding of them. The goal is to help students understand the world around them and interpret what they see in a meaningful, accurate and exciting way. The content, design and layout of the titles take advantage of the full capacity in which students process information – visual as well as verbal.
