The Raven [serial]; 1 Scholastic UK
This is a dramatic retelling of true events in

the life of Francisco Boix, a Spanish press photographer and communist who fled to France at the beginning of World War II. But there, he found himself handed over by the French to the Nazis, who sent him to the notorious Mauthausen concentration camp, where he spent the war among thousands of other Spaniards and other prisoners. More than half of them would lose their lives

there. Through an odd turn of events, Boix finds himself the confidant of an SS officer who is documenting prisoner deaths at the camp. Boix realizes that he has a chance to prove Nazi war crimes by stealing the negatives of these perverse photos—but only at the risk of his own life, that of a young Spanish boy he has sworn to protect, and, indeed, that of every prisoner in the camp.

 In 1944, as Swastikas flew over Paris, one of the most notorious and prolific serial killers in history turned the occupied city into his personal hunting ground. Under the guise of opportunity and freedom, a killer preys on those desperate to flee . . . until a gruesome discovery alerts the police. In a city on the

brink of war, the hunt for a serial killer begins as a French detective races to catch the villain before the Nazis beat him to it. Written by Stephanie Phillips (Descendent, Devil Within) with art by Dean Kotz (Mars Attacks), The Butcher of Paris is a historical, true crime thriller about a killer wanted by both the Nazis and allied forces for the death of nearly two-hundred

victims.

A suspenseful tale of witches, family, and magic from internationally bestselling author Stefan Bachmann. When a twelve-year-old orphan unexpectedly becomes the mistress of a seemingly abandoned castle, she is thrust into a mysterious plot involving

murderous spells, false identity, and a magical battle of wills between the living and the dead. Readers of Kate Milford's Greenglass House, Victoria Schwab's City of Ghosts, and Diana Wynne Jones will be riveted. Twelve-year-old Zita, an orphan and a housemaid, has resigned herself to a life of drudgery when a strange letter arrives, naming her the only living heir to the

Brydgebourn fortune. Now the mistress of the castle, Zita soon realizes foul play led to the death of her family. And as she is guided through lessons in the art of witchcraft by the somewhat mysterious Mrs. Cantanker, Zita begins to wonder who is friend and who is foe. Unforgettable and utterly enchanting, this stand-alone tale about family, belonging, and friendship will bewitch readers of

But in the not-so-distant past, these undead creatures held more fear than fascination; they lived in the shadows and were the stuff of nightmares. In

1897, Bram Stoker introduced Dracula to the Western world--and our concept of vampires was changed forever. For over sixty years, the	undead have bled the television airwaves, appearing in every type of programming imaginable.
