Vampire Hunter D Vol. 2 Taylor & Francis
 SOON TO BE A MAJOR MOTION PICTURE starring Jennifer Lawrence, Joel Edgerton and Jeremy Irons. Dominika Egorov, former prima ballerina, is sucked into the heart of Putin's Russia, the country she loved, as the twists and turns of a betrayal and counter-betrayal unravel. American Nate Nash, idealistic and ambitious, handles the double agent, codenamed MARBLE, considered one of CIA's biggest assets. He needs to keep his identity secret for as long as the mole can keep supplying golden information. Will Dominika be able to unmask MARBLE, or will the mission see her faith destroyed in the country she has always passionately defended? 'A great and dangerous spy-game is being played today between Russian intelligence and the CIA. Very few people know about it, including many of our politicians in Washington. But Jason Matthews does, and his thrilling *Red Sparrow* takes us deep inside this treacherous world. He's an insider's insider. He knows the secrets. And he is also a masterful story-teller. I loved this book and could not put it down. Neither

will you' Vince Flynn 'Not since the good old days of the Cold War has a classic spy thriller like *Red Sparrow* come along. Jason Matthews is not making it up; he has lived this life and this story, and it shows on every page. High-level espionage, pulse-pounding danger, sex, double agents and double crosses. What more can any reader want?' Nelson DeMille
Kaa's Hunting (The First Jungle Book) Penguin
 The first book from the acclaimed, award-winning author of *A Tale of Love and Darkness* and the New York Times Notable Book, *Scenes from Village Life*. The Washington Post praised Israeli author Amos Oz as "one of our essential writers, laying out for our observation, in ever-increasing breadth and profundity, the mad landscape of our time and his place." Here, in his first book, is a disturbing and moving collection of short stories about kibbutz life. Each of the eight stories in this volume grips the reader from the first line. Each conveys the tension and intensity of feeling in the founding period of Israel, a brand-new state with an age-old history. Some are love stories, more are hate stories, and frequently the two urges intertwine. "A strong, beautiful, disturbing book. It speaks piercingly—whether wittingly or unwittingly, I know not—of a dimension of the Israeli experience not often discussed, of the specter of the other brother, of a

haunting, an unhealed wound; it reminds us of polarizations everywhere that bind and diminish us, that may yet rend us."
—The New York Times "As you read, you feel yourself, in all these stories, sinking deeper into the loam of Oz's sensibility, a paradoxical mix of sensuality and disdain. A good collection by an important international writer." —Kirkus Reviews

"[The] weird, beautiful, unapologetically apocalyptic Last Policeman trilogy is one of my favorite mystery series."—John Green, author of *The Fault in Our Stars* and *Paper Towns* Winner of the 2013 Edgar® Award Winner for Best Paperback Original! What's the point in solving murders if we're all going to die soon, anyway? Detective Hank Palace has faced this question ever since asteroid 2011GV1 hovered into view. There's no chance left. No hope. Just six precious months until impact. The Last Policeman presents a fascinating portrait of a pre-apocalyptic United States. The economy spirals downward while crops rot in the fields. Churches and synagogues are packed. People all over the world are walking off the job—but not Hank Palace. He's investigating a death by hanging in a city that sees a dozen suicides every week—except this one feels suspicious, and Palace is the only cop who cares. The first in a trilogy, *The Last Policeman* offers a mystery set on the brink of an apocalypse. As Palace's investigation plays out under the shadow of 2011GV1, we're confronted by hard questions way beyond "whodunit." What basis does civilization rest upon? What is life worth? What would any of us do, what would we really do, if our days were numbered? Ebook contains an excerpt from the anticipated second book in the trilogy, *Countdown City*.

Bad Luck and Trouble Bloomsbury Publishing

Ligea Gayed has been lied to once too often. Now she has turned against her former employer, the secretive Brotherhood of the Tyrans Empire, and must evade Favonius and his Jackals while also recruiting others to fight with her. Yet, despite her best efforts, a rebellion is hard to come by. Except within her own family, of course. Ligea's son, Arrant, is prey to feelings of inadequacy, and is angry about his mother's relationship with a man who is not his father. Unable to accept what is happening to him, he becomes susceptible to the blandishments of his mother's enemies. Worse still, in the middle of a war he is a Magoroth unable to control or use his power in a constructive way. In seeking to punish Ligea for her relationship with Brand, Arrant and those around him might well lose everything . . .

THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE UPCOMING STREAMING SERIES REACHER "Electrifying . . . this series [is] utterly addictive."—Janet Maslin, *The New York Times* From a helicopter high above the California desert, a man is sent free-falling into the night. On the streets of Portland, Jack Reacher is pulled out of his wandering life and plunged into the heart of a conspiracy that is killing old friends . . . and the people he once trusted with his life. Reacher is the ultimate loner—no phone, no ties, no address. But a woman from his old military unit has found

him using a signal only the eight members of their elite team would know. Then she tells him a terrifying story about the brutal death of a man they both served with. Soon Reacher is reuniting with the survivors of his team, scrambling to unravel the sudden disappearance of two other comrades. But Reacher won't give up—because in a world of bad luck and trouble, when someone targets Jack Reacher and his team, they'd better be ready for what comes right back at them.

Dickens Companions Simon and Schuster

This book, first published in 1988, reveals the great care Dickens took with the planning and preparation of *A Tale of Two Cities* and its roots. It also explores the aspects of Dickens's life, especially his interest in private theatricals, which contributed to the genesis of the novel. For the first time the historical sources for the very individual account of the French Revolution presented in *A Tale of Two Cities* are examined, and the book investigates the novelist's debt to French and English eye-witnesses. This Companion identifies the multitude of allusions to what Dickens often regarded as the whims of eighteenth-century justice, religion, philosophy, fashion and society. It provides the modern reader with both fundamental sources of information and a fascinating account of the creation of a complex historical novel.

Continuing the milestone 50th anniversary celebration of *Star Trek*—an epic new trilogy that stretches from the events of *The Original Series* movie *The Search for Spock* to *The Next Generation*! When Klingon commander Kruge died in combat against James T. Kirk on the Genesis planet back in 2285, he left behind a powerful house in disarray—and a series of ticking time bombs: the Phantom Wing, a secret squadron of advanced Birds-of-Prey; a cabal of loyal officers intent on securing his heritage; and young Korgh, his thwarted would-be heir, willing to wait a Klingon lifetime to enact his vengeance. Now, one hundred years later, while on a diplomatic mission for the United Federation of Planets, Captain Jean-Luc Picard and the crew of the *USS Enterprise* are snared in the aged Korgh's trap—and thrust directly in the middle of an ancient conflict. But as Commander Worf soon learns, Korgh may be after far bigger game than anyone imagines, confronting the Federation-Klingon alliance with a crisis unlike any it has ever seen!

But I'm Not Depressed Del Rey

#1 New York Times bestselling author Christine Feehan takes readers to the sultry streets of New Orleans in this *Leopard* novel—where the nights have never felt so torrid or so dangerous... From a tough stint in the armed forces to stalking the unknown as a bayou cop, leopard shifter Remy Boudreaux has been served well by his uncanny gifts. And right now, New Orleans could use a homicide detective like Remy. A serial killer is loose, snatching victims from the French Quarter with pitiless rage and unnatural efficiency. But something else is drawing Remy into the twilight—a beautiful jazz singer bathed night after night in a flood of bloodred neon. Sultry, mysterious and as seductive as her songs, she's luring Remy deeper into the shadows than he ever imagined. And as their passions swell, his keen instinct for survival will be challenged like never before. By a killer—and by a woman.

"A genre-defying blend of crime writing and science fiction."—Alexandra Alter, *The New York Times* Detective Hank Palace returns in the second in the speculative mystery trilogy set on the brink of the apocalypse and winner of the 2014 Philip K. Dick Award. There are just 77 days before a deadly asteroid

collides with Earth, and Detective Palace is out of a job. With the Concord police force operating under the auspices of the U.S. Justice Department, Hank's days of solving crimes are over...until a woman from his past begs for help finding her missing husband. Brett Cavatone disappeared without a trace—an easy feat in a world with no phones, no cars, and no way to tell whether someone's gone “bucket list” or just gone. With society falling to shambles, Hank pieces together what few clues he can, on a search that leads him from a college-campus-turned-anarchist-encampment to a crumbling coastal landscape where anti-immigrant militia fend off “impact zone” refugees. Countdown City presents another fascinating mystery set on brink of an apocalypse—and once again, Hank Palace confronts questions way beyond “whodunit.” What do we as human beings owe to one another? And what does it mean to be civilized when civilization is collapsing all around you?

Two hundred million kilometers across, with a surface area that exceeds that of a quarter-billion worlds, the Dyson sphere is one of the most astounding discoveries the Federation has ever made. Now the U.S.S. Enterprise™ has returned to explore the awesome mysteries of the sphere. Intrigued by what is possibly the greatest archaeological treasure of all time, Captain Jean-Luc Picard hopes to discover the origin of humanoid life throughout the galaxy -- or perhaps the ultimate secret of the Borg. But when a neutron star approaches on a collision course with the sphere, a mission of discovery becomes a desperate race against time. The many sentient species inhabiting the sphere face extinction -- can even the Starship Enterprise save them all?

I Don't Want to Eat Bugs Princeton University Press
NEW YORK TIMES BESTSELLER • The bestselling author of Morning Star returns to the Red Rising universe with the thrilling sequel to Iron Gold. “Brown’s plots are like a depth charge of nitromethane dropped in a bucket of gasoline. His pacing is 100% him standing over it all with a lit match and a smile, waiting for us to dare him to drop it.”—NPR (Best Books of the Year) He broke the chains. Then he broke the world.... A decade ago Darrow led a revolution, and laid the foundations for a new world. Now he’s an outlaw. Cast out of the very Republic he founded, with half his fleet destroyed, he wages a rogue war on Mercury. Outnumbered and outgunned, is he still the hero who broke the chains? Or will he become the very evil he fought to destroy? In his darkening shadow, a new hero rises. Lysander au Lune, the displaced heir to the old empire, has returned to bridge the divide between the Golds of the Rim and Core. If united, their combined might may prove fatal to the fledgling Republic. On Luna, the embattled Sovereign of the Republic, Virginia au Augustus, fights to preserve her precious democracy and her exiled husband. But one may cost her the other, and her son is not yet returned. Abducted by enemy agents, Pax au Augustus must trust in a Gray thief, Ephraim, for his salvation. Far across the void, Lyria, a Red refugee accused of treason, makes a desperate bid for freedom with the help of two unlikely new allies. Fear dims the hopes of the Rising, and as power is seized, lost, and reclaimed, the worlds spin on and on toward a new Dark Age. Don’t miss any of Pierce Brown’s Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE

“One of [the] best” (Orlando Sentinel) Lucas Davenport Novels—now with a New Introduction by the Author. Clara Rinker is twenty-eight, beautiful, charmingly southern—and the best hit woman in the business. She just goes about her business, collects her money, and goes home. Her latest hit sounds simple: a defense attorney wants a rival eliminated. No problem—until a witness survives. Clara usually knows how to deal with loose ends: cut them off, one by one, until they're all gone. This time, there's one loose end that's hard to shake. Lucas Davenport has no idea of the toll this case is about to take on him. Clara knows his weak spots. She knows how to penetrate them, and how to use them. And when a woman like Clara has the advantage, no one is safe.
