*Lenobia's Vow* St. Martin's Griffin  
"The House of Night series is back and better than ever! The Nerd Herd is together again, and drama, thrills, and chills follow...A welcome return to this beloved universe."—RT Book Reviews (4 1/2 stars,

Top Pick!) It's Zoey's eighteenth birthday and the Nerd Herd has been scattered across the country busily adulting for almost a year when Stark calls them back to Tulsa to surprise Z. But all is not well in T-Town. Strange, dark signs are appearing—could it be possible Neferet is stirring? Not willing to chance disaster striking again, Zoey calls on her newly

reunited friends to circle with her and add a layer of protection over Neferet's grotto jail. Easy-peasy, right? Wrong. Nothing at the House of Night is ever as it seems. With rabid red vampyres closing in, Zoey and the Nerd Herd must come together again and battle evil. But a year is a long time. Have these old friends grown too far apart? When the world fractures and allies become enemies, will darkness devour friendships or will light save those she's loved?

*The Haunted House St. Martin's Griffin*

He took my palm in his and turned it over so that the sapphire-coloured tattoos that covered my palms were visible. Then, much as I had just done, he lightly traced

his finger across my skin. I shivered, but I didn't pull away. After the terrible arrival of the dark angel Kalona at the House of Night, Zoey Redbird and her friends have fled to the tunnels under the town, where they hide out with the strange new red Vampire fledglings. Everything changes when Zoey is badly injured - and finds herself back at the House of Night, face to face with Stark, who she hasn't forgotten since he died in her arms. But now Stark is working for Neferet. Can Zoey trust him? Who is really on her side as the battle begins? And what price will she have to pay for following her heart? - Not suitable for younger readers - *Hunted - Book 5 - House of Night St.*

Martin's Griffin  
 "My love, speak to me. Tell me everything."  
 Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's

House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same – and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their

relationship? Does he betray his father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

*Burned* St. Martin's Griffin

It's all happening, though Zoey Redbird wishes it wasn't. She has her friends back, which is great. But a dark angel has taken over the House of Night, supported by High Priestess Neferet. Not so great. This leaves Zoey hiding out with the (supposedly friendly) red fledglings in Tulsa's prohibition-era tunnels. The not greatness continues. Zoey has some boy-thoughts to distract her, with a chance to

make-up with super-hot-ex Eric. But thoughts of the archer that died, semi-permanently, in her arms also keep coming. Then he shows up as Neferet's newest minion. Well, hell. Zoey and friends need a plan to put things right, and soon, if she can keep her head and her heart intact.

**Carrie** Hachette UK Dare to enter the House of Night, the phenomenal #1 New York Times bestselling young adult series from P.C. Cast and Kristin Cast, with this all new e-original collection of the first four books, including *Marked*, *Betrayed*, *Chosen* and *Untamed* *Marked* Zoey enters the House of Night, a school where, after having undergone the Change, she will train

to become an adult vampire--that is, if she makes it through the Change. Not all of those who are chosen do. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. Betrayed Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters. Best of all, Zoey finally feels like she belongs--like she really fits in. She actually has a boyfriend...or two. Then the unthinkable happens: Human teenagers are being killed, and all the

evidence points to the House of Night. Chosen Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (Romantic Times), in which Zoey's mettle will be tested like never before. Untamed Life sucks when your friends are pissed at you. Just ask Zoey Redbird - she's become an expert on suckiness. In one week she has gone from having three boyfriends to having none, and from having

a close group of friends who trusted and supported her, to being an outcast. Speaking of friends, the only two Zoey has left are undead and unMarked. And Neferet has declared war on humans, which Zoey knows in her heart is wrong. But will anyone listen to her?

Untamed Vintage

“A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times  
Years ago, when House of Leaves was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted

following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that

moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

With more than 12 million books in print,

rights sold in almost forty countries, and more than two years on The New York Times bestseller list (reaching as high as #1), P.C. Cast and Kristin Cast's House of Night series is an international publishing sensation. Now, for a great value, new and old fans alike can go back to where it all began, with *Marked* and *Betrayed*, together for the first time in one beautiful paperback edition. When sixteen-year-old Zoey Redbird is "Marked" by a vampyre tracker and begins to undergo the "Change" into an actual vampyre, she has to leave her family and move into the House of Night, a boarding school in Tulsa, Oklahoma, for other fledgling vampyres like her. It's tough to begin a new

life away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been singled out by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's hard to fit in when everyone knows she's special. As she tries to make new friends and maybe find a hot boyfriend (or two), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-faultless plans, to the mysterious deaths happening at the House of Night and all over Tulsa. Things at the House of Night are not always what they seem. Can Zoey find the courage deep within herself to discover the truth and embrace her destiny?

**Marked** St. Martin's Griffin  
What if the hottest guy in the world was hiding a nameless evil, and all he wanted was you? At the start of this heart-pounding new installment of the bestselling House of Night series, Zoey's friends have her back again and Stevie Rae and the red fledglings aren't Neferet's secrets any longer. But an unexpected danger has emerged. Neferet guards her powerful new consort, Kalona, and no one at the House of Night seems to understand the threat he poses. Kalona looks gorgeous, and he has the House of Night under his spell. A past life holds the key to breaking his rapidly spreading influence, but what if this past life shows Zoey secrets

she doesn't want to hear and truths she can't face? On the run and holed up in Tulsa's Prohibition-era tunnels, Zoey and her gang must discover a way to deal with something that might bring them all down. Meanwhile, Zoey has a few other little problems. The red fledglings have cleaned up well - they've even managed to make the dark, creepy tunnels feel more like home - but are they really as friendly as they seem? On the boyfriend front, Zoey has a chance to make things right with super-hot ex-, Erik, but she can't stop thinking about Stark, the archer who died in her arms after one unforgettable night, and she is driven to try to save him from Neferet's sinister influence at all costs.

Will anyone believe the power evil has to hide among us?

Broken River St. Martin's Griffin  
"A fascinating and frightening book" (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo

had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (Kansas City Star).

So...you'd think after banishing an immortal being and a fallen High Priestess, saving Stark's life, biting Heath, getting a headache from Erik, and almost dying, Zoey Redbird would catch a break. Sadly, a break is not in the House of Night school forecast for the High Priestess in training and her gang. Juggling three guys is anything but a stress reliever, especially when one of them is a sexy Warrior who is so into protecting Zoey that he can sense her emotions. Speaking of stress, the dark force lurking in the tunnels under the Tulsa Depot is spreading, and Zoey is beginning to believe Stevie Rae could be responsible for a lot

more than a group of misfit red fledglings. Aphrodite's visions warn Zoey to stay away from Kalona and his dark allure, but they also show that it is Zoey who has the power to stop the evil immortal. Soon it becomes obvious that Zoey has no choice: if she doesn't go to Kalona he will exact a fiery vengeance on those closest to her. Will Zoey have the courage to chance losing her life, her heart, and her soul? Find out in the next spectacular installment in the House of Night Series, *Tempted*.

Simon and Schuster  
Following a string of affairs, Karl and Eleanor are giving their marriage one last shot: they're moving with their twelve-year-old

daughter Irina from Brooklyn to a newly renovated, apparently charming old house near the upstate New York town of Broken River. Before their arrival, the house stood empty for over a decade. The reason is no secret. Twelve years previously, a brutal double murder took place there, a young couple killed in front of their child. The crime was never solved, and most locals consider the house cursed. The family may have left the deceptions of their city life behind them, but all three are still lying to each other, and to themselves. Before long the family's duplicity will unleash forces none of them could possibly have anticipated, putting them in mortal danger.

This new novel by America's master of literary rule-breaking is part thriller, part family drama, part Gothic horror - and like all J.Robert Lennon's novels, it shows the consequences of human deceitfulness, and the dreadful force the past can exert on the present.
