 His love is rough, but it cannot be tamed... or denied. Aeliana hates gladiators. They're crude, violent, arrogant, and will toss the skirts up of any available woman after a fight. It may be her job to treat their injuries, but she has no interest in being just another conquest. So, when the former gladiator champion Caius arrives in her life, she is stricken by how immediately she falls for him. He's a merciless killer in the arena, not at all her type. But he's also damnably handsome, built like a god, and turns Aeliana on like nothing she's felt before. Being with a gladiator is always a bad idea. Even if they're known the Empire over for the intensity of their bedchamber passions, they have a lifespan about as long as a sword. Aeliana's convinced that there's no way that someone who could have any woman in Rome would want to stay with her for long. But his affection, while rough, seems completely genuine. Caius's return to the arena is shrouded in mystery, but the more Aeliana discovers, the more she falls in love. When his lifetime of violence catches up with them both, Aeliana must decide whether she can afford to bare her heart to a man so effortlessly dangerous. As it becomes obvious that their love shouldn't be, Caius and Aeliana fight the odds like warriors in the arena. Aeliana's strength will be tested again and again, along with their love. But it is her strength that will win the heart of a gladiator.

 A Warriors of Rome Novel After an

inconvenient display of mercy in the arena, the gladiator AnazAr is pulled from the sands and contracted to nobleman Lucius Marianus to train his new stable of female gladiators. His charges are demoralized and untested, and they bear the marks of abuse. AnazAr has a scant two months to prepare them for the arena, and his new master demands perfection. AnazAr is surprised by how eager he is to achieve it—far more eager than a man motivated only by self-preservation. Perhaps it's because Marianus is truly remarkable: handsome, dignified, honorable, and seemingly as attracted to AnazAr as AnazAr is to him. But a rivalry between Marianus and his brother sparks a murder conspiracy, with AnazAr and his gladiatrices caught in the middle. One brother might offer salvation . . . but which? And in a world where life is worth less than the pleasures of the crowd or the whims of a master, can there be any room for love? As a gladiator, AnazAr's defenses are near impenetrable. But as a man, he learns to his cost that no armor or shield can truly protect his heart.
