ISIAH FLORES

The Life and Death of Steve Montador and the Future of Hockey Beckett Media

First, Ken Dryden articulated our undying love for hockey in *The Game*, one of the best books ever written on the sport. Then he spoke to our national pride and examined what hockey really means to Canadians in *Home Game*. Now, in his most daring and powerful work yet, the NHL Hall-of-Famer and former MP issues a challenge to make hockey safer, or risk losing it altogether. Bobby Orr. Gordie Howe. Wayne Gretzky. Whether you are a hockey fan or not, these names mean something to you. They show that a single player can, and often has, changed the game for the better. Hockey is now more skilled and more tactful and, like pro football and basketball, the players are bigger, stronger, and faster. This is the game that Steve Montador gave his life to. Steve was never the fastest, the strongest, or the most skilled player on the ice. He was never a star. But yet, he changed the game as we know it when he was found dead at the age of 35, later diagnosed with CTE-the result of multiple concussions he sustained throughout his playing career.

With extensive research and insightful interviews with friends and former players such as Rhett Warrener, Marc Savard, Keith Primeau, as well as with leading figures in the fields of neurobiology and sports concussions, Ken Dryden tells the remarkable life story of an unremarkable journeyman NHL defenseman-a life story that brings to the fore the underlying concerns of the way we play hockey at all levels. In the end, Dryden outlines a plan directed to players, fans, parents, and most of all to decision makers at the NHL, that can make the sport safer for everyone, without sacrificing the integrity of the game.

Official Price Guide to Hockey Cards 1998 Beckett Media

"True tales! From 59 of your favourite players"--Cover.

Game Change Fantagraphics Books

The exhaustive price guide covers all cards issued from 1948 to the present, featuring a glossary of terms, illustrated entries, an inventory checklist, nearly three hundred thousand prices for individual cards and sets in various grading categories, and helpful tips on buying, selling, and collecting cards. Original.

[How Baseball Cards Became an American Obsession](#) Willowdale, Ont. : Firefly Books

One of the most popular books we publish, the Graded Card Price Guide is the choice of collectors wanting to know the values of their graded and encapsulated cards. This book includes vintage and modern day graded card pricing for Baseball, Football, Basketball, Hockey and other sports too. The continued growth in the industry requires knowledge of the market, and this book provides that and plenty more!

Part 1 Beckett Media

The 21st edition of this popular guide includes virtually every football card ever produced.

Highlights prices and listings of cards featuring players and teams, both college and professional, from 1894 to present. Also includes coverage of autographs, collectible programs, starting lineups and more.

Beckett Baseball Almanac #25 Edgewater Books Distribution

"An entertaining history of baseball cards . . . An engaging book on a narrow but fascinating topic"

(The Washington Post). When award-winning journalist Dave Jamieson's parents sold his childhood home a few years ago, he rediscovered a prized boyhood possession: his baseball card collection. Now was the time to cash in on the "investments" of his youth. But all the card shops had closed, and cards were selling for next to nothing online. What had happened? In *Mint Condition*, his fascinating, eye-opening, endlessly entertaining book, Jamieson finds the answer by tracing the complete story of this beloved piece of American childhood. Picture cards had long been used for advertising, but after the Civil War, tobacco companies started slipping them into cigarette packs as collector's items. Before long, the cards were wagging the cigarettes. In the 1930s, cards helped gum and candy makers survive the Great Depression. In the 1960s, royalties from cards helped transform the baseball players association into one of the country's most powerful unions, dramatically altering the game. In the '80s and '90s, cards went through a spectacular bubble, becoming a billion-dollar-a-year industry before all but disappearing, surviving today as the rarified preserve of adult collectors. *Mint Condition* is charming, original history brimming with colorful characters, sure to delight baseball fans and collectors. "Jamieson explores the history of card collecting through an entertaining cast of characters . . . For anyone who can recall being excited to rip open their newest pack of cards, *Mint Condition* is a treat." —Forbes

2010 Edition Beckett Media

Take a fun look back at Quacker Oats, Blisterine, and more classic packaging parodies—plus an interview with creator Art Spiegelman! Known affectionately among collectors as “Wacky Packs,” the Topps stickers that parodied well-known consumer brands were a phenomenon in the 1970s—even outselling the Topps Company's baseball cards for a while. But few know that the genius behind it all was none other than Art Spiegelman—the Pulitzer Prize-winning graphic novelist who created *Maus*. This treasury includes an interview with Spiegelman about his early

career and his decades-long relationship with the memorabilia company—as well as a colorful compendium that will bring back memories of such products as Plastered Peanuts, Jail-O, Weakies cereal, and many more. Illustrated by notable comics artists Kim Deitch, Bill Griffith, Jay Lynch, Norm Saunders, and more, this collection is a visual treat, a load of laughs, and a tribute to a beloved product that's been delighting kids (and adults) for decades.

The Great American Baseball Card Flipping, Trading, and Bubble Gum Book Little Brown & Company

In Fantagraphics' ceaseless effort to rediscover every world-class cartoonist in the history of the medium, we turn your attention to a neglected part of the art form—sports cartooning—and to its greatest practitioner—Willard Mullin. The years 1930-1970 were the Golden Age of both American sports and American comic strips, when giants strode their respective fields—Babe Ruth, Lou Gehrig, and Hank Aaron in one, George (Krazy Kat) Herriman, Milton (Steve Canyon) Caniff, Walt (Pogo) Kelly in the other—and Mullin was there, straddling both fields, recording every major player and event in the mid-20th-century history of baseball. Mullin was to baseball players what Bill Mauldin was to soldiers: advocate and critic, investing them with personality, humanity, dignity, and poignancy; Mauldin had Willie & Joe and Mullin had the Brooklyn Bum, his affectionate 1939 character representing the bedraggled figure of the Brooklyn Dodgers. Willard Mullin's Golden Age of Baseball: Drawings 1934-1972 collects for the first time Mullin's best drawings devoted to baseball—depictions of players like Joe DiMaggio, Ted Williams, Yogi Berra, and Sandy Koufax, legendary managers like Casey Stengel and George Steinbrenner, and events like Lou Gehrig's emotional retirement speech on July 4, 1939, for which Mullin not only drew a portrait but composed a poem (which he often incorporated into his cartoons). Mullin's fluid line and delicate but vigorous brushwork are shown to beautiful effect, with many drawings reproduced from original art. See why millions of baseball fans from the '30s to the '70s looked forward to Mullin's cartoons in their daily paper.

[Hockey Now!](#) Edgewater Books Distribution

More than 200,000 prices for non-sport cards. Special sections for DC/Marvel, Star Wars, and others. Bonus section for Funko figurines. Vintage, Modern Bench Warmer, Garbage Pail Kids, Star Trek, Wacky Packages, Funko, and more!.
