I Am Love is a healing journey and affirmative reminder of your True Identity as Love. You are literally an extension of God's love. I Am Love seeks to undo illusions of ego guilt (which are based on unconscious beliefs in separation from God, sin and death) using an applied forgiveness process aligned with the teachings of A Course in Miracles. The book encourages a healing of false perceptions, a correction of mistaken thoughts and an expansion of the awareness of love's (God's) presence. Ultimately it seeks to remind you that your True Identity is Infinite Love, rather than a separate ego. Holy Spirit is the source of most of the book material as channeled through the author. Holy Spirit is also responsible for most of the editing and decisions made throughout the book's development. He is also the Healer who works through the book to heal and guide the reader. The book does not explain theory nor try to dwell on the story of one's life. Rather it focusses immediately on APPLYING the forgiveness process as taught in A Course in Miracles by the Foundation for Inner Peace, and in The Disappearance of the Universe by Gary Renard. It offers insight into false beliefs and affirms an awareness of what is True. I Am Love

was written as a healing process for the author as a way of applying forgiveness for himself. The writing of the book did produce healing, emotional releases and an expanded awareness and trust of Holy Spirit, Jesus and God. You are encouraged to use this book for applying forgiveness in your own life, joining first with Holy Spirit or Jesus to allow and accept their guidance, correction and support. Look within and remember, you are love. Holy Spirit offers his love and support as you awaken to the awareness of Love's presence. I Am Love is written in a first-person perspective with almost 3000 instances of `I`, designed to resonate with YOU. The book can be read out loud for enhanced affirmative power. It is also useful to read the book out loud to another person and allow them to repeat everything you say. Of course, reading quietly to yourself is always a rewarding experience! I Am Love features many beautiful passages, thanks to the healing influence of our friend Holy Spirit. The book also has a rhythmical quality, especially toward later chapters. Much of it poetically flows with a waltz-like `iambic pentameter` rhythm and also includes numerous rhyming sentences. During its writing, the author felt often compelled to express the words within this rhythmical pattern. Some readers have likened I Am Love to the Workbook of A Course in Miracles due to its 'practical application' of forgiveness. Above all else, remember that God loves you.

Beautifully Broken Harper Collins
Niq Ruud lied saying he couldn't smell for nearly a decade. He lived in his car during college to afford tuition. He got lost in a blizzard during his first mountaineering trip, then learned to ski a few months later while climbing Mount Rainier. He saved his little sister from a

kidnapper by leaping from a plum tree with a Nerf toy while they were children. And it is with wit and a scholar's touch that he uses these and many other stories to wrestle with the question: What if the deity you grew up learning about in church doesn't exist? For while the God of the Christian tradition is often said to be good, that same God doesn't seem to shy away from endorsing genocide, homophobia, racism, sexism, or eternal damnation; leading many persons of faith to justify violence and oppressive behaviors for thousands of years. But in this book, Ruud works readers into the supposition that God desires none of those things. And, on the contrary, with a theology that pushes the boundaries of God much larger than we might ever imagine, he argues that the only god who can truly be good is a God of other-centered, self-sacrificial love. The implications as to what a God of only love means, for everything, are vast-because everything changes when we see God as nothing more and nothing less than love.

I have written The Living Spirit not just for healers, but for anyone who wants to awaken to their soul's mission and to the incredible plan God has for them. It is intended as a compassionate and supportive guide for others beginning their spiritual journey as mediums, psychics, and energy healers or simply for those with questions about who they are, what life is all about, and whether there is indeed life after death. In short, it is the book I wish I had on that night all those years ago. In gratitude for my spiritual gifts, I made a commitment to live according to the universal laws of energy and to share all I've learned with others. This includes helping others to

conquer their childhood fears and limitations so their souls can mature. As our souls grow and expand, our physical lives expand and abound in abundance. It is my hope that by reading the personal stories shared by a host of people and those from my daily life, it will become apparent to you that each of us is more than we appear to be. We can transform our selves and our world into a place that reflects the best of our divine gifts. When one shifts to living in conjunction with spirit, and to moving through their emotional issues with new vision and expertise, anything is possible. Another major emphasis of this book is to share the miraculous happenings and coincidences that have proven to me, a former skeptic, that life is not random, and all our experiences are the way to a higher understanding of self. There are three main points that I hope readers take away from The Living Spirit: -We are divine soul beings interconnected to each other and to the universal energy that supports all of us. - Life is not random. Throughout our lives we will experience a series of coincidences that are not coincidental at all, but Spirit, whispering words of love and guidance in our ears. -Our loved ones in afterlife guide us to expand our understanding of our soul nature and our physical lives. I invite readers to share this journey with me and learn to let go of any restriction preventing their full enjoyment of life. Once we become aware of how we can recognize and utilize coincidences, synchronicities, and higher guidance, we can begin our exploration of what these mean in our lives and in our role in the world. We all have the Divine-given abilities to repair our wounds and misguided thinking. Through meditation and energy work like Reiki, we can learn to quiet the mind of

negative chatter and learn to find that place within where we are sure of God's love and guidance.

In welcoming the mysterious foreigner, the whole village becomes an accomplice to his sophisticated plot, which will forever mark their lives. The vast majority of us unknowingly suffer from a slave mentality. We constantly experience the psychological phenomena of cognitive dissonance, where our beliefs and behaviour are in conflict, and Stockholm syndrome - the traumatic bonding with a captor. Our ability to decode reality is linked to what we are able to perceive. Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons. He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control. Our health is being systematically weakened: if you are sick, you are easier to control. Icke's dystopian view of the future assumes that the masses will stay glued to their TVs, locked forever into the hive mind of the Matrix, which says "I have no power". Can humanity break free? Through truth and love we can become who and what we really are.

The Devil and Miss Prym Simon and Schuster

Stop spinning your spiritual hamster wheel. Start living in the limitless love of God. Many of us go through life thinking and acting as though we can somehow, in some way, earn God's love and favor. If only we do this, or that, or both, or more, God just might offer us at least a small bit of Divine approval or acceptance. Eventually realizing the impossibility of "getting right" with God through our own efforts, and tired of futilely going 'round and 'round in spiritual circles, we may even be inclined to permanently turn away from the Divine. In *Just as You Are*, Paul Coutinho, SJ, helps us move forward in the confidence that God already loves us and simply asks that we embrace this amazing love and live in it on a daily basis. A native of India, Fr. Coutinho combines Eastern sensibilities with Ignatian principles and practices to show us how to open our lives—now and always—to the infinite, unfathomable

love of God. Filled with thought-provoking stories, inspiring anecdotes, and memorable metaphors, *Just as You Are* makes clear that experiencing the joy and freedom of the Divine journey is the only “work” we need to do. Being in love with the Divine is God’s gift that is always available to anyone who is looking for it. We have all had a taste of Divine love and our spirits hunger for more. But then other voices muffle the unconditional gift of Divine love—voices that speak of fear, guilt, anxiety, and unworthiness. Falling in love with God begins with an infatuation that penetrates those negative voices, and we respond to this either by being more and more attracted to the Divine or we are repulsed by the experience. We come closer or we fight to get away. In either case our focus is the Divine energy that is drawing us to itself. The Divine seducer never gives up but continues to draw us in many different ways to a deeper union and communion with the Ultimate. But when all is said and done, the falling in love will be up to you. So if you really have the will to experience life as one who is in love with the Divine, it will happen. If you want it, you’ll find it. In fact, love will find you. Are you willing? Are you ready?

Shortly before her death, Mother Louise Margaret Claret de la Touche (1868-1915) was commissioned by her bishop to write THE BOOK OF INFINITE LOVE. Aimed at all Catholics, it is an effort to expound upon the nature and bounties of God's love for men, but more

particularly, it shows how God's love is meant to be manifested throughout the world by the overflowing of Christ's love in His priests. Those who read these pages will marvel that they were composed by an uneducated and unlettered woman. Those who knew her personally concluded that this book was written with divine assistance. Infinite Love! It is the substance of Catholic doctrine, it is its centre; it is the explanation of all the mysteries of our Faith. It is not only the love of God for the creature, it is God Himself.
