Portugal with authoritative background on everything from Porto's architecture to surfing at Peniche, relying on handy language tips and the clearest maps of any guide. Make the most of your holiday with The Rough Guide to Portugal. Road Map Spain and Portugal AA ROAD ATLAS The Intergovernmental Panel on Climate Change (IPCC) is the leading international body for

assessing the science related to climate change. It provides policymakers with regular assessments of the scientific basis of human-induced climate change, its impacts and future risks, and options for adaptation and mitigation. This IPCC Special Report on the Ocean and Cryosphere in a Changing Climate is the most comprehensive and up-to-date

assessment of the observed and projected changes to the ocean and cryosphere and their associated impacts and risks, with a focus on resilience, risk management response options, and adaptation measures, considering both their potential and limitations. It brings together knowledge on physical and biogeochemical changes, the interplay with ecosystem changes, and the

implications for human communities. It serves policymakers, decision makers, stakeholders, and all interested parties with unbiased, up-to-date, policy-relevant information. This title is also available as Open Access on Cambridge Core.

Discover the best biking roads in Europe - in practical, accessible, tried-and-tested routes from the best-selling author of the Bikers' Britain series. From Portugal to the Czech Republic, Northern Germany to Southern Italy, this is the ultimate collection of motorcycle touring routes, drawing not only on more than 30 years of two-wheeled exploring but also the expertise and advice of local

riders to make sure each ride is a sure-fire winner. As well as classic biking roads like Austria's Grossglockner High Alpine Road, the Black Forest's B500 and Italy's Stelvio Pass, there are dozens of hidden gems - the brilliant roads that aren't already famous (but should be). Europe's finest riding is packaged into easily managed routes with clear turn-by-turn directions and simple mapping, with trips to suit all

kinds of riders (though they are all entirely on tarmac: no unpaved roads in this book). With trips from one to three days long, the heart of your next great bike tour is within these pages.
