Our multicultural world needs countercultural disciplers. People from all over the world are coming to Christ from a variety of backgrounds. This requires more people who are willing to commit to the effort and sacrifice it takes to invest in new believers. Rooted in over four decades of multicultural discipleship experience, Ajith Fernando offers biblical principles for discipling and presents examples showing how they apply to daily life and ministry. He addresses key cultural challenges, such as the value of honor and shame, honoring family commitments, and dealing with persecution, and helps us think realistically about the cost and commitment required for productive cross-cultural ministry. This practical guide to discipleship will help us help others grow into mature and godly followers of Christ.

Nothing is more important

than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God, Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust, and obey Christ—unashamed to proclaim him as the only Lord and Savior. Part of the Foundations of Evangelical Theology series.
