## **KAYLEY IBARRA**

---

A Novel Del Rey  
"For Tate-last name  
unknown-everything prior  
to being found by pirates  
on an isolated piece of  
land is a blank. Her only  
clue to the person she  
was-a dragon tattoo

capable of moving under  
its own will. Brought to  
the city of Aurelia, Tate is  
forced to abandon the few  
people she knows to  
make her way alone.  
When a momentary  
impulse forces her to  
intervene in a situation  
she does not understand,  
she'll find that the  
reckless actions have  
unintended

consequences."--Page [4]  
of cover.  
*Dragonsong* Simon and  
Schuster  
The planet Pern has been  
colonized for centuries by  
humans. When humans  
first settled on this world,  
they did not take notice of  
its sister planet, which  
had an indigenous life  
form that attempted to  
land on Pern when it

came within reach. These silver "threads" fell in a destructive wave on the temperate lands of Pern once every 200 years, destroying all life they encountered. To combat this menace, the inhabitants of Pern developed a species of dragon that could burn these threads out of the sky before they touched down. Now, centuries have passed between threadfalls, and the danger of thread is considered a myth. However, a dragon rider named F'lar knows that

the riders are once again needed.

Dragonrums Saga Press  
NEW YORK TIMES  
BESTSELLER • Together in one volume—the first three books in the world's most beloved science-fiction series!

DRAGONFLIGHT On a beautiful world called Pern, an ancient way of life is about to come under attack. Lessa is an outcast survivor—her parents murdered, her birthright stolen—a strong young woman who has never stopped dreaming of revenge. But when an

ancient threat reemerges, Lessa will rise—upon the back of a great dragon with whom she shares a telepathic bond more intimate than any human connection. Together, dragon and rider will fly, and Pern will be changed forever. DRAGONQUEST Since Lessa and Ramoth, her golden queen dragon, traveled into the past to bring forward a small army of dragons and riders to save their world from deadly alien spores, fear and desperation have spread across the land. But while the dragonriders

struggle with threats both human and otherworldly, a young rider named F'nor and his brown dragon, Canth, hatch a bold plan to destroy the alien scourge at its source—the baleful Red Star that fills the heavens and promises doom to all. THE WHITE DRAGON Never in the history of Pern has there been a dragon like Ruth. Mocked by other dragons for his small size and pure white color, Ruth is smart, brave, and loyal—qualities that he shares with his rider, the young Lord Jaxom. Unfortunately,

Jaxom is also looked down upon by his fellow lords, and by other riders as well. His dreams of joining the dragonriders in defending Pern are dismissed. What else can Jaxom and Ruth do but strike out on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one that will push their bond to the breaking point . . . and threaten the future of Pern itself.

**Dragongirl** Del Rey

A classic sci-fi novel from

the beloved author of the Dragonriders of Pern® series She was a restoree, kidnapped. Torn from Earth by a bizarre and nameless black force, Sara had no idea where she was or why she was in a beautiful new body. Controlled by brutal guards and tamed by terror, she could not comprehend her role as a nurse for a man who appeared to be an idiot. But once she discovered that the planet she had been brought to was Lothar and that the man she was caring for was its

regent, Sara knew the restorees had to escape—and fast. And when they did, they became fugitives on a world of multiple evils—bound together on a daring adventure that would either join them for all time . . . or separate them forever.

The Chronicles of Pern:

First Fall Del Rey

Award-winning artist Whelan has illustrated the work of almost every major author in speculative fiction. Here are featured all the artist's major recent

paintings, as well as a series of 25 never-before-seen works produced especially for this book. Over 100 full-color reproductions.

*White Dragon* Del Rey  
 “No dragons, but [Crystal Singer] has all of [Anne] McCaffrey's gifts for world-building and characterization . . . an excellent book.”—Chicago Sun-Times  
 Her name was Killashandra Ree; and after ten grueling years of musical training she was young, beautiful—and still without prospects. Then she heard of the

mysterious Heptite Guild on the planet Ballybran, where the fabled Black Crystal was found. For those qualified, the Guild was said to provide careers, security, and the chance for wealth beyond imagining. The problem was, few people who landed on Ballybran ever left. To Killashandra the risks were acceptable . . .

Legend of the White

Dragon Del Rey

NEW YORK TIMES

BESTSELLER • “A richly detailed story on a par with the rest of the Pern canon . . . another

successful McCaffrey mother-and-son collaboration.”—Booklist At Natalon’s mining camp, Pellar embarks on a secret mission to discover whether the condemned criminals known as the Shunned are stealing coal. But the gifted tracker discovers that a far more treacherous plot is unfolding. A heartless thief named Tenim has realized there is profit to be made from firestone, the volatile mineral that enables the dragons of Pern to burn the lethal Thread out of the sky.

When the last remaining firestone mine explodes, a desperate race begins to find a new deposit of the deadly but essential mineral. Sure enough, Tenim has a murderous plan to turn tragedy to his own advantage. Now Pellar and his new friends—the kind and gentle Halla, a child of the Shunned, and Cristov, the son of a corrupt miner—must stop Tenim. If they fail, it will mean the end for Pern and its dragonriders. “Grittier than the early parts of the series; Todd’s apparently

brought a wider, more current worldview to Pern.”—The San Diego Union-Tribune “These fabled dragons still cast a spell.”—Publishers Weekly Dragonflight Dragonquest The White Dragon Del Rey “[A] solid start of a new series . . . fast-paced adventure.”—Publishers Weekly Twin brother and sister Ronan and Murel are true children of Petaybee, the sentient planet that is their home. Like their father, they are changelings, able to converse telepathically with creatures and to

transform into seals. The Petaybeans wish to protect the twins from curious scientists, but no one realizes that Ronan and Murel hunger to discover the origins of their shape-shifting talent—and that their search for knowledge will place them in the path of peril. Meanwhile, Petaybee is changing. To investigate its sudden evolution, the twins' father heads out to the open water in his seal form—and is presumed lost. Only Ronan and Murel, with their

remarkable talents of transformation, can hope to find him and bring him home . . . if they dare to risk exposure and face the dangers of the newly unstable sea. "The story is exciting and generously laced with humor, but besides those qualities, the characters . . . and their interactions are so well realized as to utterly charm readers."—Booklist  
*The Griffin's Feather (Dragon Rider #2)* Del Rey  
 Volume 3 of the "Dragonriders of Pern" series. SF fantasy in which

Jaxom and his white dragon find an old map which leads to great change.

*Dragon Ridden* Random House Digital, Inc.

Nimona meets Paper Girls with a literary twist in this wickedly funny graphic novel about a teenager who is swept up in a strange new universe and must save it from an all-consuming evil in order to return home. One dark and stormy night, Haley sees a stranger drowning in the river. Since her greatest passion is Gothic romance novels, she

knows her moment has come. But when Haley leaps into the water to rescue the stranger, she awakens in Willowweep. It certainly looks like the setting of one of her favorite books: A stately manor. A sinister housekeeper. Three brooding brothers. There's even a ghost. Except Willowweep is not what it seems. Its romantic exterior hides the workings of a pocket universe—the only protection our world has against a great force of penultimate evil, and its

defenses are crumbling. Could cruel fate make Haley the heroine that Willowweep needs? **Scenes, Visions** Bantam Dell Publishing Group NEW YORK TIMES BESTSELLER • “At last, Robinton has his own book . . . McCaffrey adds another absorbing chapter to dragon lore. . . . Readers will revel in this compelling character study of a fascinating personality.”—Romantic Times In a time when the deadly scourge Thread has not fallen on Pern for centuries—and many dare

to hope that Thread will never fall again—a boy is born to Harper Hall. A musical prodigy who has the ability to speak with the dragons, he is called Robinton, and he is destined to be one of the most famous and beloved leaders Pern has ever known. It is a perilous time for the harpers who sing of Thread—they are being turned away from holds, derided, attacked, even beaten. In this climate of unrest, Robinton will come into his own. But despite the tragedies that beset his

own life, he continues to believe in music and in the dragons, and he is determined to save his beloved Pern from itself—so that the dragonriders can be ready to fly against the dreaded Thread when at last it returns . . . “The story takes wing . . . when McCaffrey’s beloved dragons roar and their riders soar upon the beasts’ mighty backs. . . . Fans of Pern will likely be enthralled.”—Publishers Weekly

### **A Gift of Dragons**

Createspace Independent

Pub

When you are touched by a dragon, you feel the depth of its love... This incomparable energy allows us to find the place in life that is meant for us, as Christine Arana Fader, the ‘dragon woman’, powerfully shows with these entrancing stories from her daily life. Granting us a glimpse of the mystical world of dragons, she will help us to get to know our own dragon, a close personal companion who will share its invincibility, its wisdom and its magic with us.

...and you will grow as a person and find your own path.

**Dragon's Code** Del Rey  
The White Dragon Volume III of The Dragonriders of Pern Del Rey  
*The White Dragon: Vol.3*  
**DRAGONRIDERS OF PERN.**  
Del Rey

NEW YORK TIMES  
BESTSELLER Even though Lorana cured the plague that was killing the dragons of Pern, sacrificing her queen dragon in the process, the devastating disease has left too few dragons alive to fight the fall of deadly

Thread. As morale at Telgar Weyr plunges in the wake of the widespread loss, and Weyrwoman Fiona and the harper Kindan struggle to keep hope from vanishing, a pregnant Lorana decides she must take drastic steps. Nothing short of manipulating time itself will undo the damage done by the plague. But attempting time travel could have devastating consequences—altering history, and destiny, forever. Now, somehow, Lorana must find a way to

accomplish what seems impossible: bending the natural laws of the universe without wreaking havoc on existence itself. To ensure the future of Pern, she's willing to take the fateful chance—even if it demands yet another, far greater, sacrifice.

BONUS: This edition contains an excerpt from Anne McCaffrey and Todd McCaffrey's *Sky Dragons*.

**The Art of Michael Whelan** Random House  
NEW YORK TIMES  
BESTSELLER Scores of dragons are dead after plague swept across the

world of Pern, and now the Weyrs are struggling to rebuild before Threadfall destroys everything—and everyone—left alive. Their best hope lies with a group of new dragonriders who have volunteered to brave the dangers of an unexplored island populated by vicious wild felines and voracious tunnel-snakes to create a safe home for their young dragons, whose offspring will hopefully replenish Pern's decimated population. But their leader, Xhinna, the first

female rider of a blue dragon, faces an uphill battle to win the respect of her peers, especially after tragedy leaves the new colony reeling. The way forward seems to lie with the awesome ability of the dragons to travel through time. But that power comes with risks: By venturing into the past, Xhinna may jeopardize the very future she has sworn to save. “Memorable characters and a good balance of individual dramas and large-scale action make this a strong addition to

the Pern saga.”—Library Journal “Longtime fans will enjoy the latest adventures of the cheerful dragonriders and their colorful mounts.”—Publishers Weekly “McCaffrey will be remembered, rightly, as one of science fiction’s grand masters.”—Tor.com  
**The Dire Days of Willowweep Manor** Del Rey  
 The planet Pern has been colonized for centuries by humans. When humans first settled on this world, they did not take notice of its sister planet, which

had an indigenous life form that attempted to land on Pern when it came within reach. These silver “threads” fell in a destructive wave on the temperate lands of Pern once every 200 years, destroying all life they encountered. To combat this menace, the inhabitants of Pern developed a species of dragon that could burn these threads out of the sky before they touched down. Now, centuries have passed between threadfalls, and the danger of thread is

considered a myth. However, a dragon rider named F'lar knows that the riders are once again needed.

#### Sky Dragons Del Rey

In this triumphant return to Pern, Anne McCaffrey takes us on an adventure as surprising and unforgettable as any that has come before . . . It is a time of hope and regret, of endings and beginnings. The Red Star, that celestial curse whose eccentric orbit was responsible for Thread, has been shifted to a harmless orbit, and the

current Threadfall will be the last. Technological marvels are changing the face of life on Pern. And the dragonriders, led by F'lessan, son of F'lar and Lessa and rider of bronze Golanth, and Tia, rider of green Zaranth, must forge a new place for themselves in a world that may no longer need them. But change is not easy for everyone. There are those who will stop at nothing—not even violence—to keep Pern and its people pure. And now a brand-new danger looms from the skies . . .

and threatens a catastrophe of unimaginable proportions. Once again, the world looks to the dragons and their riders to solve the crisis and save the world. But now, as the friendship of F'lessan and Tia begins to bloom into something more, unforeseen tragedy strikes: a tragedy destined to forever change the future—not just of the two young lovers, but of every human and dragon on Pern . . .

The Harper Hall of Pern  
Simon and Schuster

When young Fiona is asked to take on the role of Weyrwoman, she soon discovers the challenges of her new position, from unexpected perils to the possibility of losing her own dragon to the sickness that has claimed others.

Volume III of The Dragonriders of Pern®, the influential series by sci-fi/fantasy titan Anne McCaffrey Never in the history of Pern has there been a dragon like Ruth. Mocked by other dragons

for his small size and pure white color, Ruth is smart, brave, and loyal—qualities that he shares with his rider, the young Lord Jaxom. Unfortunately, Jaxom is also looked down upon by his fellow lords, and by other riders as well. His dreams of joining the dragonriders in defending Pern are dismissed. What else can Jaxom and Ruth do but strike out on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one

that will push their bond to the breaking point . . . and threaten the future of Pern itself.

Random House LLC  
Science fiction legend Anne McCaffrey's beloved Harper Hall trilogy, set within the bestselling Dragonriders of Pern series, is now available in a collectable boxed set. Every two hundred years or so, on the planet colony of Pern, shimmering Threads fall from space, raining death. Yet the great dragons of Pern, mounted by the stalwart dragonriders,

scour the skies with fire to destroy the deadly Thread and save the planet. Here we meet Menolly as she navigates her way as the first journeywoman Harper in the history of Pern; and fellow student

Piemur whom is secretly asked to leave Harper Hall, drafted by Masterharper Robinton to embark on a dangerous mission to the Southern Hold. The Harper Hall

trilogy, set within science fiction legend Anne McCaffrey's beloved and bestselling Dragonriders of Pern series, is a seminal work and a must-have for any fantasy or science fiction fan.
