Marriage and the family is a broad area  
where many people have exhibited gross  
ignorance. Unfortunately, it is a  
landscape where there has been many  
ugly casualties. Many people have,  
therefore, expressed the need for a

powerful family deliverance manual. The book which you hold in your hands is a product of years of research. It addresses the hopes and aspirations of stake holders as far as the institution of marriage is considered. Family deliverance has been vomited by the Holy Ghost to rescue many families, prop up the tottering walls of marital stability and grant immunity to homes. Family Deliverance will lead to restoration, peace and stability in every home.

Arthur Wallis offers this balanced study on fasting, and seeks to give to the subject the weight that Scripture gives it while also avoiding exaggeration and over-emphasis. This book includes a

biblical index, and an appendix dealing with the textual problems surrounding four references to fasting in the New Testament.

As the young pastor of a self-satisfied English congregation in the 1880s, Samuel Chadwick was so frustrated over his lack of power in the pulpit that he collected his sermons in a pile and set fire to them. The result was immediate: The Holy Spirit fell on him.

Many people today find that their prayers don't "work." And like a broken cell phone, DVD player, or TV remote, they throw prayer out as unnecessary "clutter" in their busy lives. Anne

Graham Lotz has found that while prayer does work, sometimes the "pray-ers" don't. So she has turned to the prophet Daniel for help. The Daniel Prayer is born deep within your soul, erupts through your heart, and pours out on your lips, words created by and infused with the Spirit of God quivering with spiritual electricity. It's really not an everyday type of prayer. It's a prayer birthed under pressure. Heartache. Grief. Desperation. It can be triggered by a sudden revelation of hope. An answer to prayer, a promise freshly received, a miracle that lies just over the horizon. Join Anne in a thrilling discovery of prayer that really works. This book will help you pray effectively for your nation, for your families, and for yourself.

Do you ever feel your prayers are anemic? Hollow? Then this six-session video Bible study (DVD sold separately) is for you! Bestselling author Anne Graham Lotz looks at the life of Daniel and unpacks the prayer he prayed in Daniel 9. Unlike the everyday now-I-lay-me-down-to-sleep kind of prayer, this was a prayer birthed under heartache...grief...desperation. It was a plea for Heaven to move and change his nation. For an entire generation, Daniel's people had been held in captivity and separated from their homeland—and thus separated from God. But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years, he claimed that promise and cried out to the Lord to

bring it to pass. Daniel's example of praying God's Word back to Him is what Anne calls "reversed thunder." In this study, Anne explains how we, too, can reverse the thunder until Heaven is moved and our own worlds change. Following the pattern of Daniel's original prayer, she helps us develop a more meaningful and powerful prayer life. As we learn how to storm the gates of Heaven and refuse to let go, we will see real change in the lives of not only those we are praying for, but also our own. Our prayers will become more effective as our faith is deepened and our personal relationship with God is strengthened. This guide includes weekly Bible study readings, video teaching notes, group discussion questions, group activities, and space for writing your own prayers.

It is ideal for use in small groups and Sunday school classes and includes a simplified Bible study track for more limited meeting time (such as a workplace lunchtime setting). Sessions include: Preparing for Prayer Prompting in Prayer Pleading in Prayer Prevailing in Prayer The Battle in Prayer This study guide is designed for use with The Daniel Prayer Video Study (sold separately). A Facilitator's Guide is included on the DVD only, with Additional Resources.

**Cracking Your Dream Code** Whitaker House

In *Repentance for the Holocaust*, C. K. Martin Chung develops the biblical idea of "turning" (tshuvah) into a conceptual framework to analyze a particular area of contemporary German history, commonly referred to as Vergangenheitsbewältigung or "coming to terms with the past." Chung examines a selection of German responses to the Nazi past, their interaction with the victims' responses, such as those from Jewish individuals, and their correspondence with biblical repentance. In demonstrating the victims' influence on German responses, Chung asserts that the phenomenon of Vergangenheitsbewältigung can best be understood in a relational, rather than a national, paradigm. By establishing the conformity between those responses to

past atrocities and the idea of "turning," Chung argues that the religious texts from the Old Testament encapsulating this idea (especially the Psalms of Repentance) are viable intellectual resources for dialogues among victims, perpetrators, bystanders, and their descendants in the discussion of guilt and responsibility, justice and

reparation, remembrance and reconciliation. It is a great irony that after Nazi Germany sought to eliminate each and every single Jew within its reach, postwar Germans have depended on the Jewish device of repentance as a feasible way out of their unparalleled national catastrophe and unprecedented spiritual ruin.
