Homer's Odyssey North Atlantic Books

Travels with Odysseus retells the earthy and profound adventures of the Greek hero Odysseus as teaching stories which hold insight and guidance for our own present day journey. On his winding odyssey, Odysseus meets magical and powerful beings, who are not shy about meddling in his affairs. Some see him for who he really is and help him; they bring him wisdom and attainment, and unlock creative possibilities. Others, aggravating and difficult strangers, try to do him in: Odysseus gets sidetracked, enchanted, waylaid. Some truths he learns easily and others he resists. In all of this, Odysseus is not so different than the rest of us.

Uncommon Wisdom from Homer's Odyssey Oxford University Press, USA

Provides background information on the history and mythology of Homer's "Odyssey" and presents

discussions on each of the twenty-four books of the work.

A Guide to the Odyssey Random House

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*
A New Companion to Homer Vintage
 A brilliant new version of the Odyssey from one of the most accomplished translators of our time.

"Sing to me, Muse . . ." It has been said that a myth is a story about the way things never were but always are. The Odyssey is the original hero's journey, an epic voyage into the unknown, and has inspired other creative work for millennia—from ancient poetry to contemporary fiction and films. With its consummately modern hero, full of guile and wit, always prepared to reinvent himself in order to realize his heart's desire—to return to home and family after ten years of war—the Odyssey now speaks to us again across 2,600 years. In words of great poetic power, Stephen Mitchell's translation brings Odysseus and his adventures vividly to life as never before. Full of imagination and light, beauty and humor, this Odyssey carries you along in a fast stream of action and imagery. One-eyed maneating giants; irresistibly seductive sirens; shipwrecks and narrow escapes; princesses and monsters; ghosts sipping blood at the Underworld's portal, desperate for a chance to speak to the living; and the final destruction of all Odysseus's enemies in the banquet hall—these stories are still spellbinding today. So, too, are the intimate moments of storytelling by the fire, of homecoming and reunion, fidelity and love—all of greater value to Odysseus, and to us, than the promise of immortality. Just as Mitchell "re-energised the Iliad for a new generation" (The

Sunday Telegraph), his *Odyssey* is the noblest, clearest, and most captivating rendition of one of the defining masterpieces of Western literature. Mitchell's muscular language keeps the diction close to spoken English, yet its rhythms re-create the oceanic surge of the ancient Greek. The first translation to benefit from modern advances in textual scholarship, Mitchell's *Odyssey* also includes an illuminating introductory essay that opens the epic still further to our understanding and appreciation and textual notes that will benefit all readers. Beautiful, musical, accurate, and alive, this new *Odyssey* is a story for our time as well as for the ages.

[Infinite Jest](#) Back Bay Books

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the *Odyssey* as a hero in her own right" (Alexandra Alter, *The New York Times*). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

[\(The Stephen Mitchell Translation\)](#) University of Chicago Press

A New York Times/PBS NewsHour Book Club Pick From award-winning memoirist and critic, and bestselling author of *The Lost*: a deeply moving tale of a father and son's transformative journey in reading--and reliving--Homer's epic masterpiece. When eighty-one-year-old Jay Mendelsohn decides to enroll in the undergraduate *Odyssey* seminar his son teaches at Bard College, the two find themselves on an adventure as profoundly emotional as it is intellectual. For Jay, a retired research scientist who sees the world through a mathematician's unforgiving eyes, this return to the classroom is his "one last chance" to learn the great literature he'd neglected in his youth--and, even more, a final opportunity to more fully understand his son, a writer and classicist. But through the sometimes uncomfortable months that the two men explore Homer's great work together--first in the classroom, where Jay persistently challenges his son's interpretations, and then during a surprise-filled Mediterranean journey retracing Odysseus's famous voyages--it becomes clear that Daniel has much to learn, too: Jay's responses to both the text and the travels gradually uncover long-buried secrets that allow the son to understand his difficult father at last. As this intricately woven memoir builds to its wrenching climax, Mendelsohn's narrative comes to echo the *Odyssey* itself, with its timeless themes of deception and recognition, marriage and children, the pleasures of travel and the meaning of home. Rich with literary and emotional insight, *An Odyssey* is a

After twenty years of fighting monsters, angering gods and goddesses, and surviving against the odds, Odysseus is more desperate than ever to return to his family. But first he will have to explore yet another strange land. And when he finally does return home, he will have yet more dangerous enemies to face. This is the exciting conclusion to the series by best-selling author Mary Pope Osborne, retelling Homer's *Odyssey*, one of the most thrilling adventure stories of all time. This volume includes: Book Four: The Gray-Eyed Goddess Book Five: Return to Ithaca Book Six: The Final Battle

A team of experts discuss Homer's "Iliad" and "Odyssey," exploring their background and composition and their reception to the present day.

[The *Odyssey*](#) Disney-Hyperion

This wide-ranging collection makes available to specialists and nonspecialists alike important critical work on the *Odyssey* produced during the last half century. The ten essays address five major concerns: the poem's programmatic representation of social and religious institutions and values; its transformation of folktales and traditional stories into epic adventures; its representation of gender roles and, in particular, of Penelope; its narrative strategies and form; and its relation to the *Iliad*, especially to that epic's distinctive conception of heroism. In the introduction, Seth L. Schein describes the poetic background to the work and suggests a variety of interpretive approaches, some of which are developed in the essays that follow. These essays include previously published work by Jean-Pierre Vernant, Pierre Vidal-Naquet, Pietro Pucci, and Charles P. Segal. There also are a new essay by Laura M. Slatkin, two revised and expanded ones by Nancy Felson-Rubin and Michael N. Nagler, and three appearing in English for the first time by Uvo Hlscher, Karl Reinhardt, and Vernant. The result is a collection that juxtaposes older, often hard-to-find articles with significant newer pieces in a way that allows for a fruitful dialogue among them.

[A Companion to Selected Readings of the *Odyssey*](#) New York Review of Books

Examines literary, geological, and archaeological evidence in an attempt to identify the true location of the island of Ithaca described in Homer's "Odyssey."

[The *Odyssey*](#) Greenwood

In the second volume, the commentaries by Heubeck (Books IX-XII) and Hoekstra (Books XIII-XVI) are both preceded by introductions, with Hoekstra paying special attention to diction in the *Odyssey* and the tradition of epic diction in general. The introductions and commentary have been thoroughly revised and adapted to the text of T. W. Allen in the Oxford Classical Text series. *A Nove!* John Wiley & Sons

"The *Odyssey*" is one of the most powerful stories in Western literature. With this new guide, you will have an even greater understanding of the book. Included in this guide: a historical look at the book's origins, a look at its context in Ancient Greece, its literary elements, detailed chapter summaries, analysis, and suggestions for essays. This is the definitive guide to "The *Odyssey*," concise, easy to read, and guaranteed to add to your enjoyment of this classic.

Remember when *The Simpsons* was the funniest show on television? *The Simpsons* is the longest

running comedy in history. Gracing our screens since 1989, with over 600 episodes, the show is a cultural phenomenon. Whilst it is still drawing huge ratings numbers, there is no argument that during the 90s the show was at its zenith. No other comedy has had as big an impact on society. *The Simpsons* has influenced the way we communicate with each other. Niche quotes and references have become the secret handshake of millions around the world. In the course of this book, we remember the iconic characters – Hank Scorpio and Lionel Hutz, Rex Banner and Frank Grimes – and we dissect seminal episodes such as Cape Feare, Marge Vs the Monorail and Who Shot Mr. Burns. From celebrity cameos to musical moments, from hidden jokes to insane trivia, this is the essential companion to golden age of *The Simpsons*. Homer's *Odyssey* is a hilarious, intelligent and in-depth analysis of the greatest show on earth. So grab yourself a Flaming Moe, settle in to your groove on the couch, and enjoy our guide to your favourite yellow family.

Circe HarperCollins UK

'The Making of the *Odyssey*' is a penetrating study of the background, composition, and artistry of the Homeric *Odyssey*, which places the poem in its late seventh-century context in relation to the 'Iliad' and other poetry of the time.

[A Graphic Novel](#) Princeton University Press

An exciting series that provides students with direct access to the ancient world by offering new translations of extracts from its key texts.

[The *Odyssey* of Homer](#) BRILL

This volume is the first English-language survey of Homeric studies to appear for more than a generation, and the first such work to attempt to cover all fields comprehensively. Thirty leading scholars from Europe and America provide short, authoritative overviews of the state of knowledge and current controversies in the many specialist divisions in Homeric studies. The chapters pay equal attention to literary, mythological, linguistic, historical, and archaeological topics, ranging from such long-established problems as the "Homeric Question" to newer issues like the relevance of narratology and computer-assisted quantification. The collection, the third publication in Brill's handbook series, "The Classical Tradition," will be valuable at every level of study - from the general student of literature to the Homeric specialist seeking a general understanding of the latest developments across the whole range of Homeric scholarship.
