English Tests OetThe

English language test  
for doctors The English

language test that  
reflects real workplace

scenarios "It made me  
feel better about

patients and understanding their problems, culture and language.” Giti Mehraban, General Physician Medicine | OET, English Language Test for Healthcare The English language test for healthcare professionals. OET has been developed specifically for 12 healthcare professions. Tests reflect real workplace tasks and relevant language skills. OET - English language test for healthcare professionals The OET consists of 4 Sub-Tests, and nurses and doctors wishing to work in the UK are required to score at least a grade B in each. A grade B indicates a high level of performance and an ability to use English with sufficient fluency and accuracy for

healthcare registration, courses and workplaces. The Speaking and Writing target the specific areas required by 12 professions within healthcare.
