**A commentary upon the holy Bible**

### Nelson Bibles

A reprint of the classic King James version of the Holy Bible that also includes the full Apocrypha and for references from the book of Jude, the Book of Enoch is included. This reprint is more of a reference and study tool rather than a devotional Bible. The verses all begin on their own lines to make it easier to reference certain verses and the durable paper the book is printed on makes it easier to make notes right in this Bible without having to markup that beautiful leather edition that you keep.

### **The History of the Holy Bible, as Contained in the Sacred Scriptures of the Old and New Testaments**

Yale University Press

A translation of the Holy Scriptures,

prepared specifically for children, includes maps and a dictionary/index.

Attempted in Easy Verse, with Occasional Notes : Including, A Concise Relation of the Sacred History from the Birth of Creation to the Times of Our Lord and Saviour Jesus Christ and His Apostles, and Comprehending All the Memorable Translations During the Space of Above 400 Years St. Francis of

Assisi Books

John Nelson Darby's translation edition (1890). Both Old and New Testament. Review of Darby Translation and others by Douglas Krause: "After comparing for 5+ years the following Interlinear translations of Old & New Testament [Jay P. Green's LITV, Zondervan's Parallel N.T. by Alfred Marshall, Young's Literal Translation (YLT), Analytical-Literal

Translation (ALT), Darby's Translation, Morris's Literal Translation] as well as formal translations (ASV, Amplified Bible, NASB, NASB update, NKJV, MKJV) with respect to the Greek and Hebrew, YLT is the best with DARBY'S AS A STRONG 2ND PLACE. Because it follows the Hebrew and Greek Grammar and Syntax the best of all." .."the interlinear translations (Young's, Green's, Darby's, McReynold's, Marshall's, Morris') are the most accurate than the formal translations (KJV, NKJV, NASB)...The Formal and Interlinear/Literal translations translate using a "word-for-word" method whereby the translator "translates" only. This prevents him/her from interpreting or inputting any doctrinal bias not found in the Original Word of God (Greek and Hebrew

Manuscripts). The Interlinear translation is more accurate than the Formal because it follows the Greek Grammar and Syntax (word order), while the Formal follows more of an English Grammar and Syntax to improve readability, but at the cost of accuracy. " Note: Paperback is 8.5x11 with regular thickness pages for durability. Also only 259 pages for portability. Small font to keep the price down, but readable and excellent as a reference.

Canongate Books

James Frey isn't like other writers. He's been called a liar. A cheat. A con man. He's been called a saviour. A revolutionary. A genius. He's been sued by readers. Dropped by publishers

because of his controversies. Berated by TV talk-show hosts and condemned by the media. He's been exiled from America, and driven into hiding. He's also a bestselling phenomenon. Published in 38 languages, and beloved by readers around the world. What scares people about Frey is that he plays with truth; that fine line between fact and fiction. Now he has written his greatest work, his most revolutionary, his most controversial. The Final Testament of the Holy Bible. What would you do if you discovered the Messiah were alive today? Living in New York. Sleeping with men. Impregnating young women. Euthanizing the dying, and healing the sick. Defying the government, and condemning the holy. What would you do if you met him? And

he changed your life. Would you believe? Would you? The Final Testament of the Holy Bible . It will change you. Hurt you. Scare you. Make you think differently. Live differently. Enrage you. Offend you. Open your eyes to the world in which we live. We've waited 2,000 years for the Messiah to arrive. We've waited 2,000 years for this book to be written. He was here. The Final Testament of the Holy Bible is the story of his life.

HEART of the HOLY BIBLE (New Testament) Holy BibleA traditional favorite, the NIV Children's Bible is a full-text Bible for kids with color illustrations of key Bible stories.The Holy BibleKing James Version  
Books of the Holy Bible contains 19 Sacred books in one special publication. The modern protestant Bible includes 66

books in its canon. Many books that were included in the Holy Bible for nearly 2000 years were taken out just a little over 100 years ago. Books of the Holy Bible has reinstated these important books written by the great prophets from before and after Jesus Christ. Become more complete by enriching yourself with God's sacred scriptures. Books Included: 1 Esdras, 2 Esdras, Tobit, Judith, Esther, Wisdom of Solomon, Ecclesiasticus, Baruch, Epistle of Jeremiah, Prayer of Azariah, Susanna, Bel and the Dragon, Prayer of Manasseh, 1 Maccabees, 2 Maccabees, Enoch, Jubilees, Gospel of Philip, Gospel of Mary. This book also contains a Glossary of the Ancient Hebrew alphabet and useful Hebrew words to learn the Biblical language.

In this sweeping narrative, Michael Satlow tells the fascinating story of how an ancient collection of obscure Israelite writings became the founding texts of both Judaism and Christianity, considered holy by followers of each faith. Drawing on cutting-edge historical and archeological research, he traces the story of how, when, and why Jews and Christians gradually granted authority to texts that had long lay dormant in a dusty temple archive. The Bible, Satlow maintains, was not the

consecrated book it is now until quite late in its history. He describes how elite scribes in the eighth and seventh centuries B.C.E. began the process that led to the creation of several of our biblical texts. It was not until these were translated into Greek in Egypt in the second century B.C.E., however, that some Jews began to see them as culturally authoritative, comparable to Homer's works in contemporary Greek society. Then, in the first century B.C.E. in Israel, political machinations resulted in the Sadducees assigning legal power to the writings. We see how the world Jesus was born into was largely biblically illiterate and how he knew very little about the texts upon which his apostles would base his spiritual leadership. Synthesizing an enormous body of

scholarly work, Satlow's groundbreaking study offers provocative new assertions about commonly accepted interpretations of biblical history as well as a unique window into how two of the world's great faiths came into being.

**Isaiah to Malachi** Thomas Nelson Publishers

Genesis. Every God damned chapter. Because you know it's nonsense, but were never sure why.

A new history of the Holy Bible, contained in the Old and New Testament, also that of the Apocrypha. Digested in a plain, regular, and easy narrative: with useful notes ... collected from ... eminent writers, etc Canongate U.S.

The publication of the King James version of the Bible, translated between

1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
